strange! if he's not  
a stand user, how  
did he do that?!

he's not  
a stand  
user!

he can't  
see my  
stand!!

Wait!  
Let  
me think  
about it...

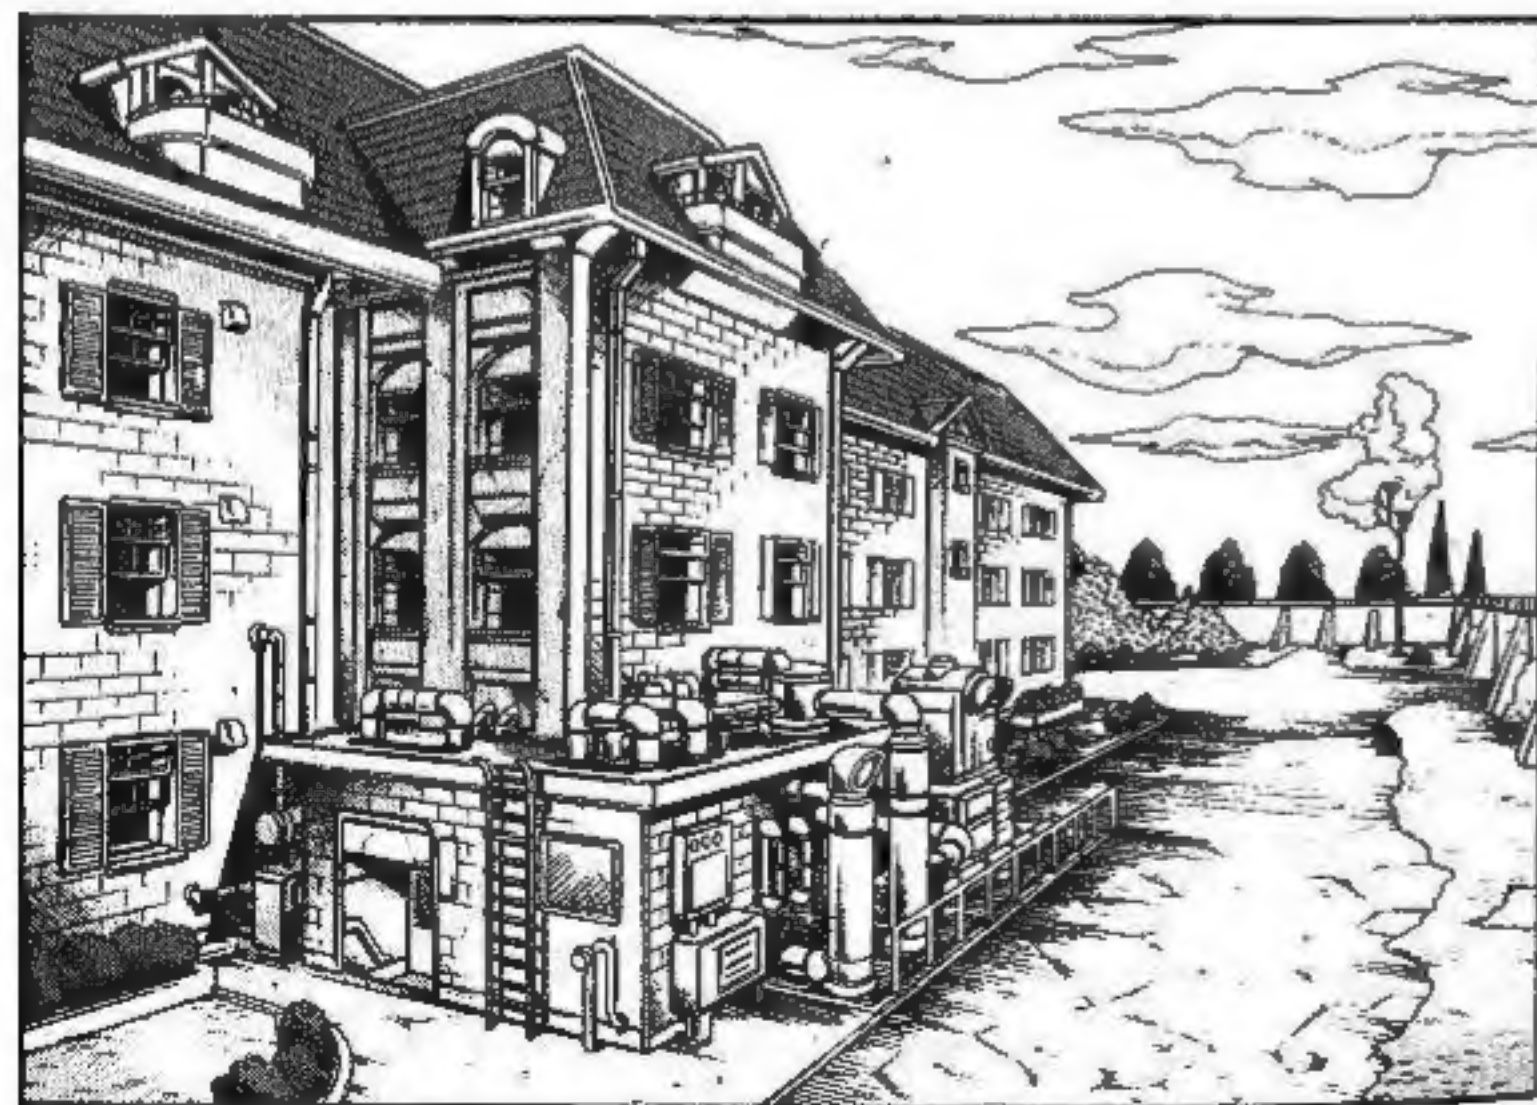

I couldn't  
think!!

really  
troublesome....  
I've been telling  
you, I am an  
alien!

you  
are....

Who are  
you really?!

Hey!  
you!

this...

can  
you  
see?

Kameyo Market shopping guide

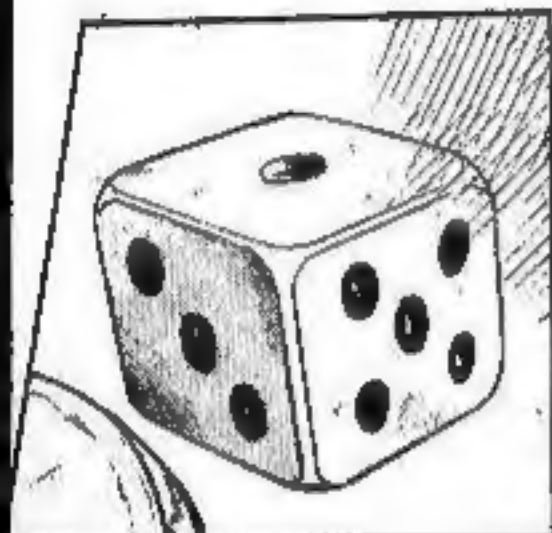

Can you change into this?

right here!

This golden can make everybody happy!

dice?

please turn into this!

it's dice

What is this?

this?

喔啊！

sorry.

what? you don't know what dice is?

I just turned parts of my hand into ice creams

I can almost change into anything

you can change into shoes, but what about duplicates of one object?

hold on...

you can transform into anything?

see, what's the difference?

because all earth people look alike.

can't do faces?

But machines like computers or complex chemicals are beyond my ability...

also I can't do human faces...

I don't care if you are an alien or allergic to sirens....

me, right now...

what?

If you really want to thank me....

don't worry about that

OK I see.

I want you to do this...

He's a professional comic writer

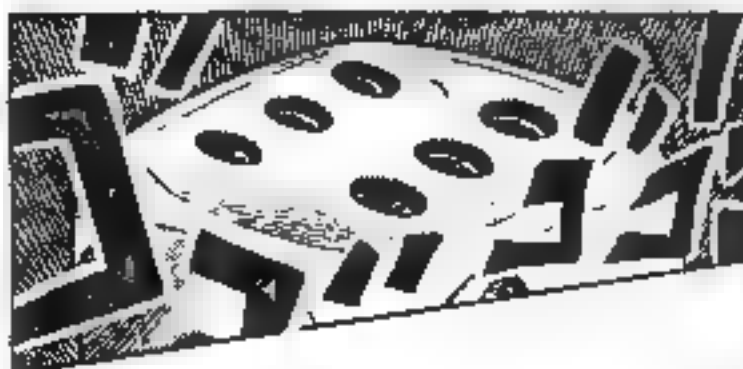

I just want to get some money for summer, plus I have a friend who is never tired of this kind of exciting games!

don't misunderstand

nobody will get mad or hurt, I promise! everybody will be happy!

We will just play with him a little while, we will get all the money we need for the whole summer, for him it's nothing...

If you want to live on earth, then you must learn these tricks to get cash, you know, you need cash to go around and do stuff!

Success! this is too perfect!!

know what?

you want to trick people?

you want to cheat people?

What are you talking about?

I am not being picky!! if it doesn't look natural, people will know!

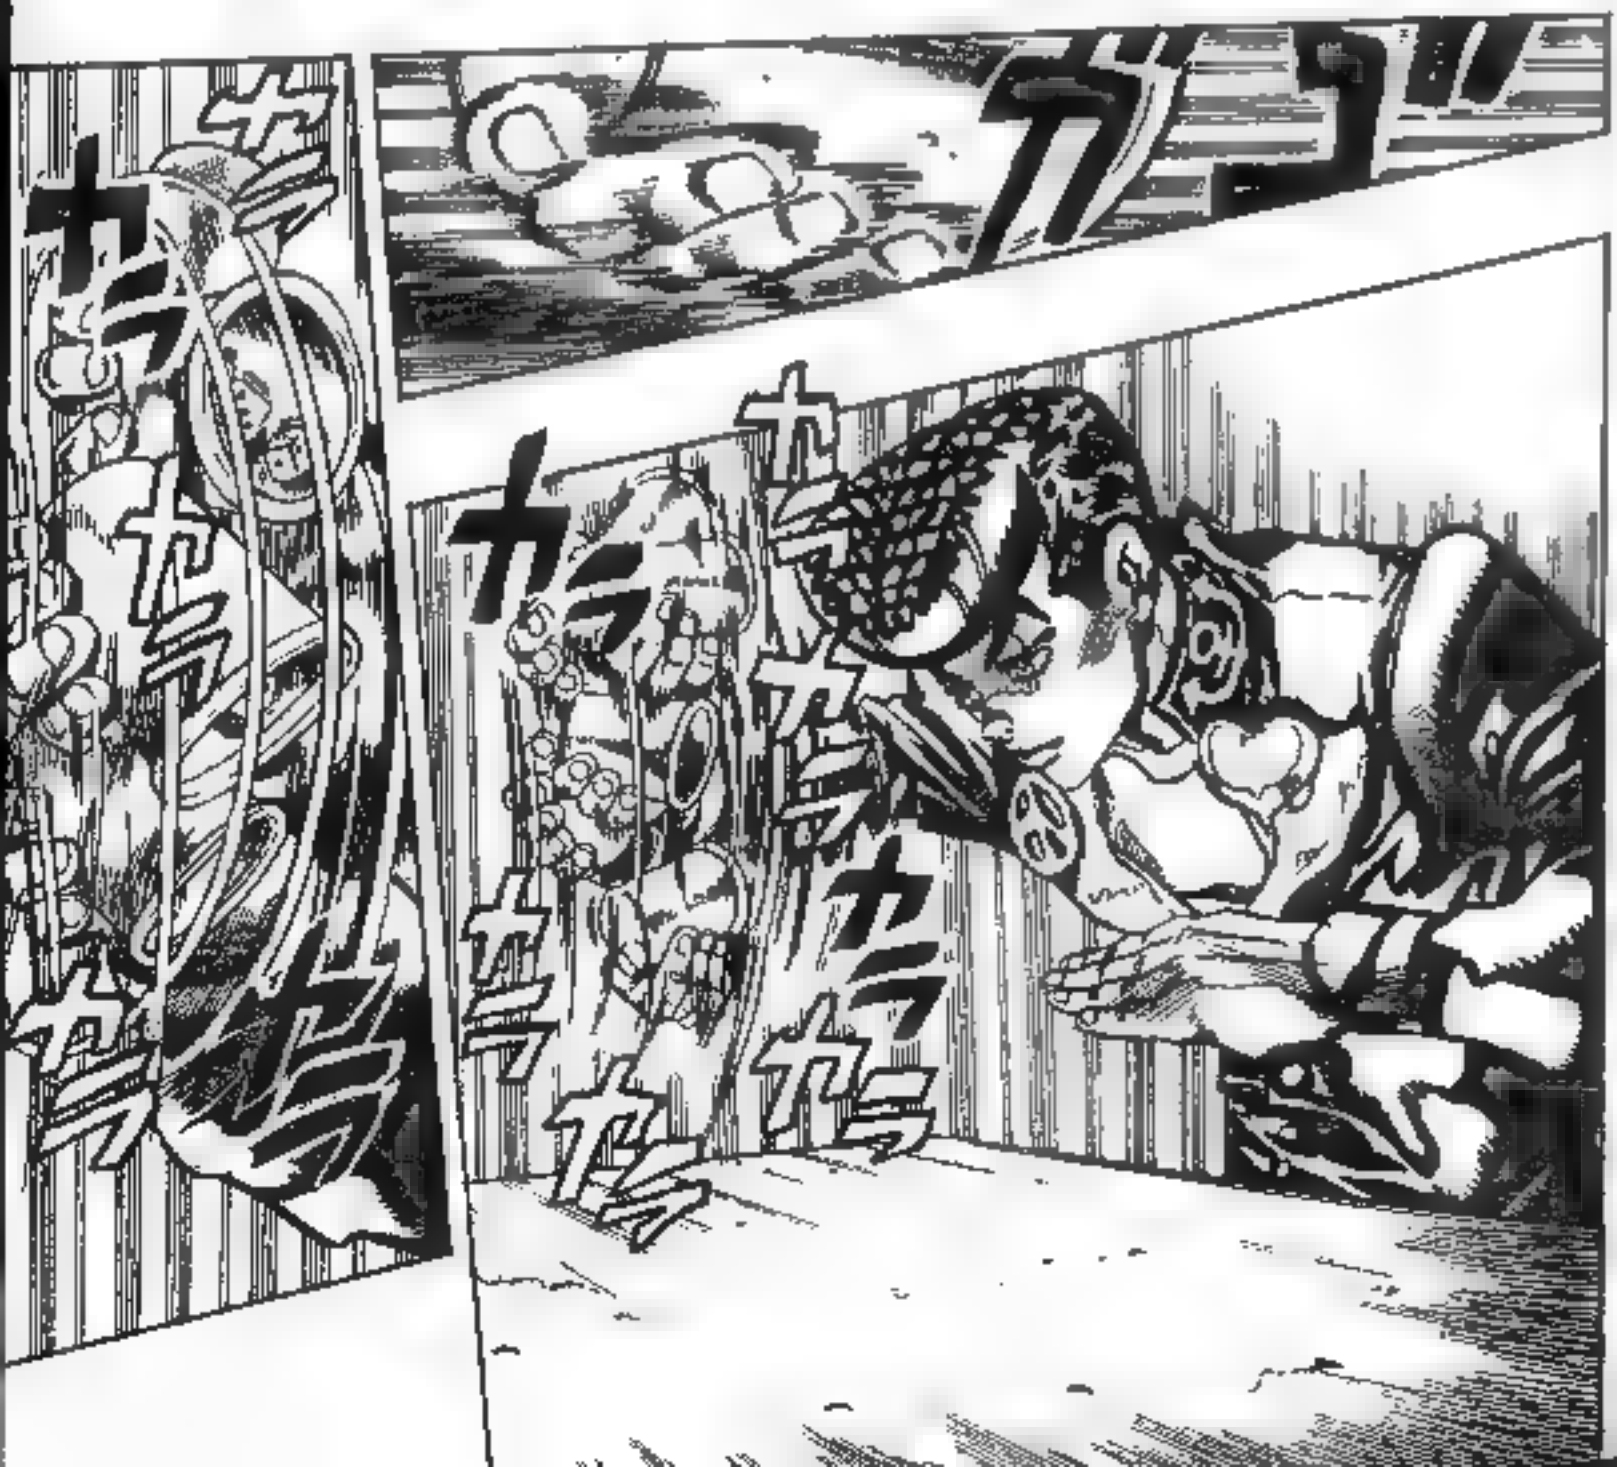

dice is not living, it doesn't have a will of its own, plus you shouldn't have said Oh Oh, while in the air...

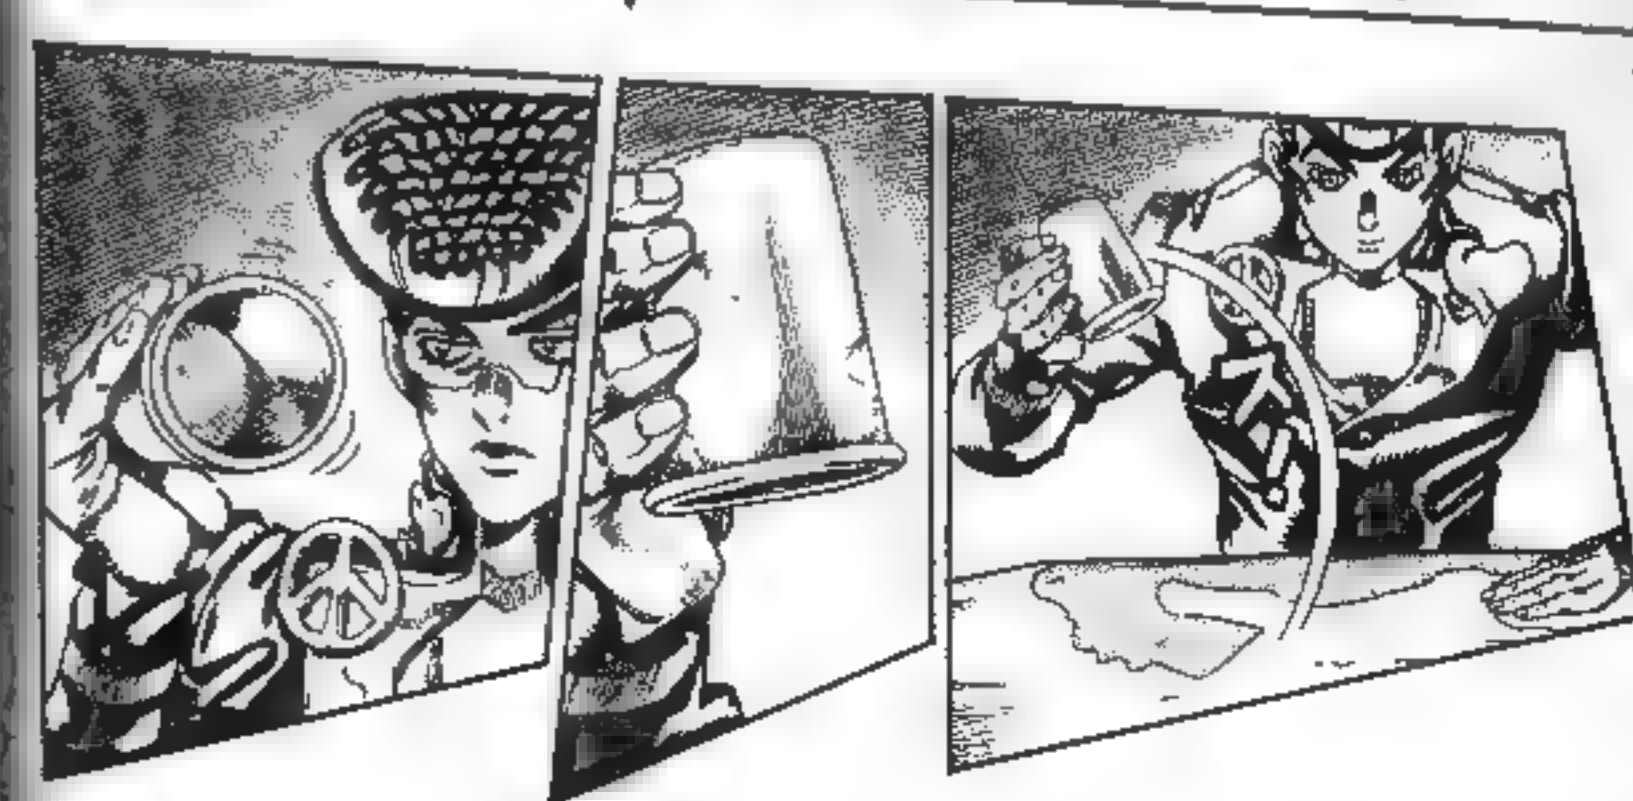

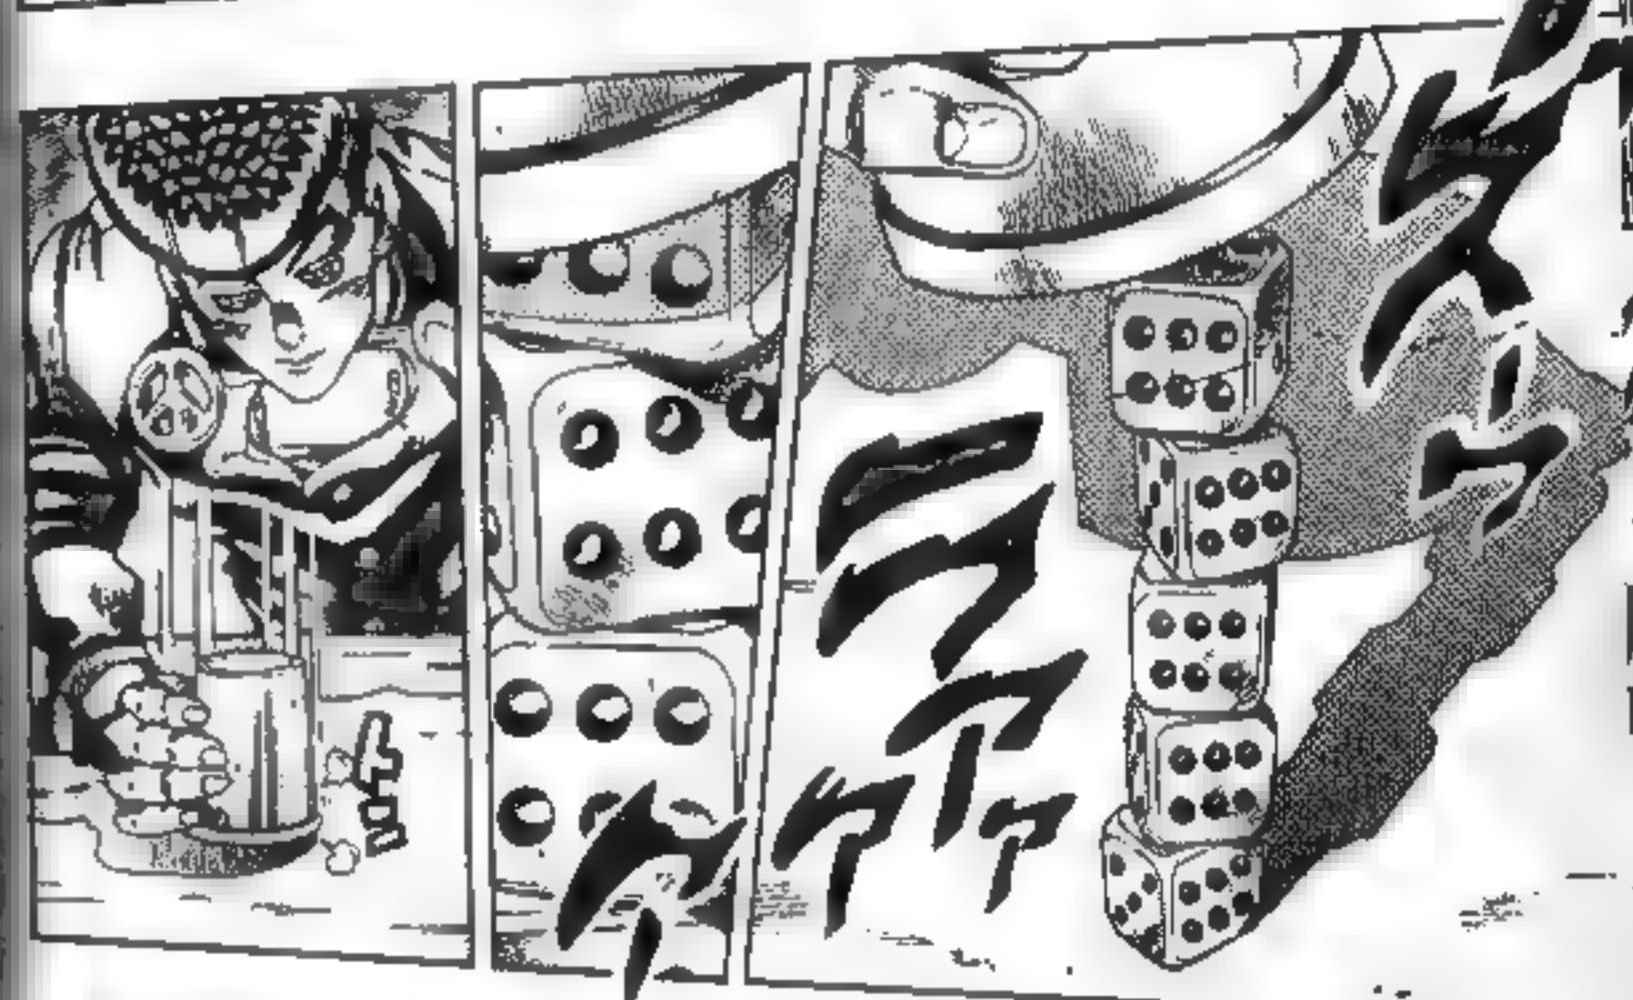

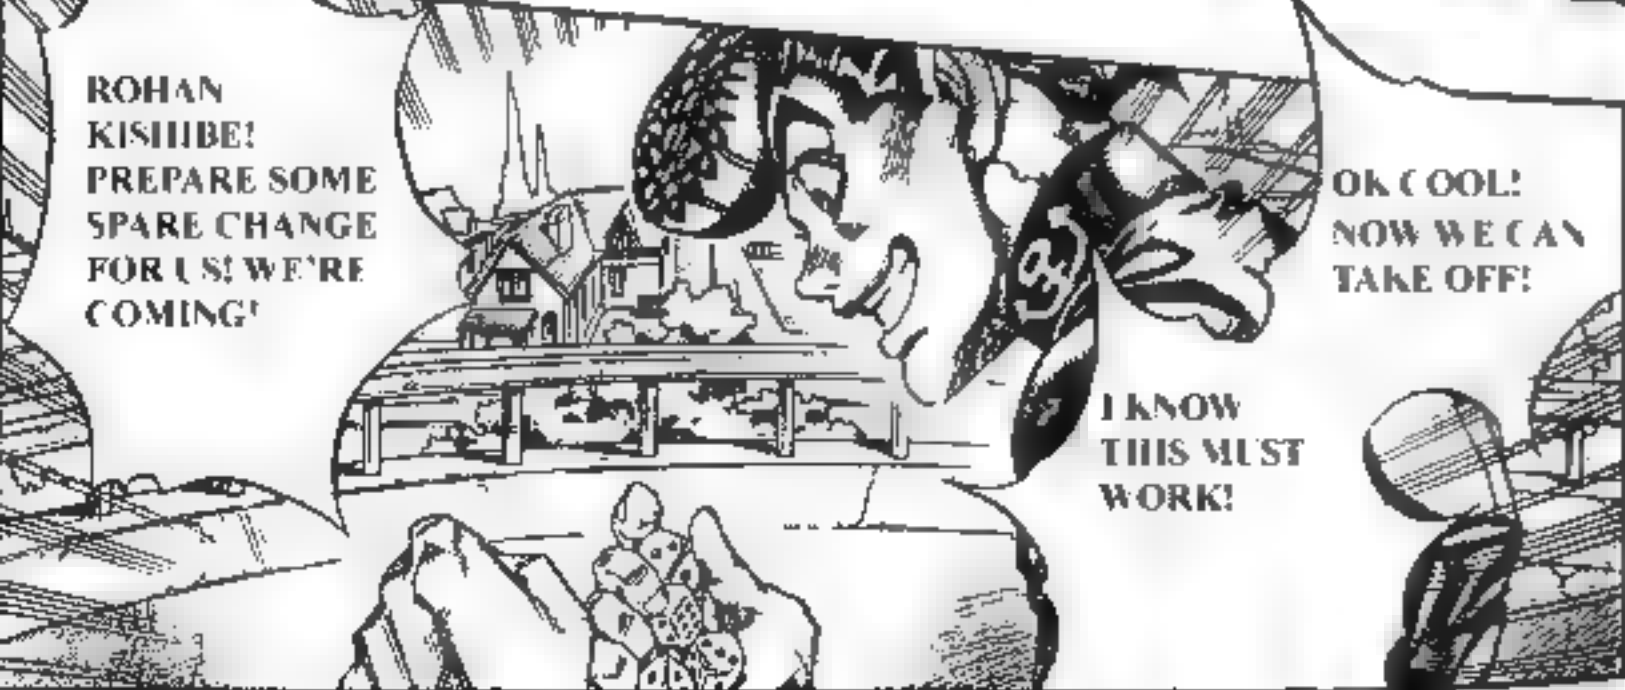

you landed on 6, that's good... but you were rolling by yourself... that's not right...

Josuke! you are really picky you know?!

# 我是宇宙人

## 之其④

don't bother...

can I read your newest chapters?

are you done for the day?

I just passed by...

Nice weather today eh?

you never liked my series.

I have a request! please play 18 with me!

can't hide anything from Mr. Rohan...

heh...

you must want something

what do you want?

I WILL TELL YOU MY PURPOSE HERE!

IF SO!

You don't need any extra cash....

yea...

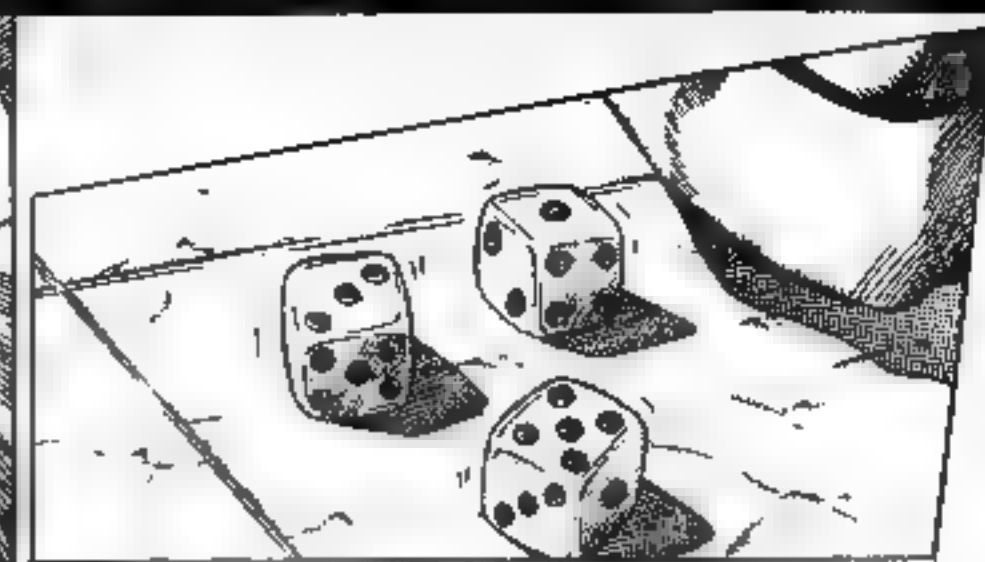

you don't have to play with me...

so why do I have to play 18 with you?

I have never liked you...

to be honest...

this is all I have... all of my money

no, I have only 30,000 yen

I will tell you the truth, I don't have money for this summer...

let's go to my hackyard

no... I will play for a little bit. I don't hate gambling, it might even be fun.

What? you wanna play?!

I think gambling is one way to enjoy yourself right? also I might win some money for this summer!

So I thought of gambling!

Mr. Rohan, please be understanding now...

with this much money, if go to the amusement parks a couple of times, have a cup of coffee, then it's all gone

I just don't like your dice

nothing

What's wrong with the dice I brought over?

um....

by the way when I said "it might be fun"? I didn't mean gambling....

even though we are friends, if you lose, you will have to pay.

Josuke...

I meant to win all of your 30,000 over might be really fun. so you will have no money for summer!

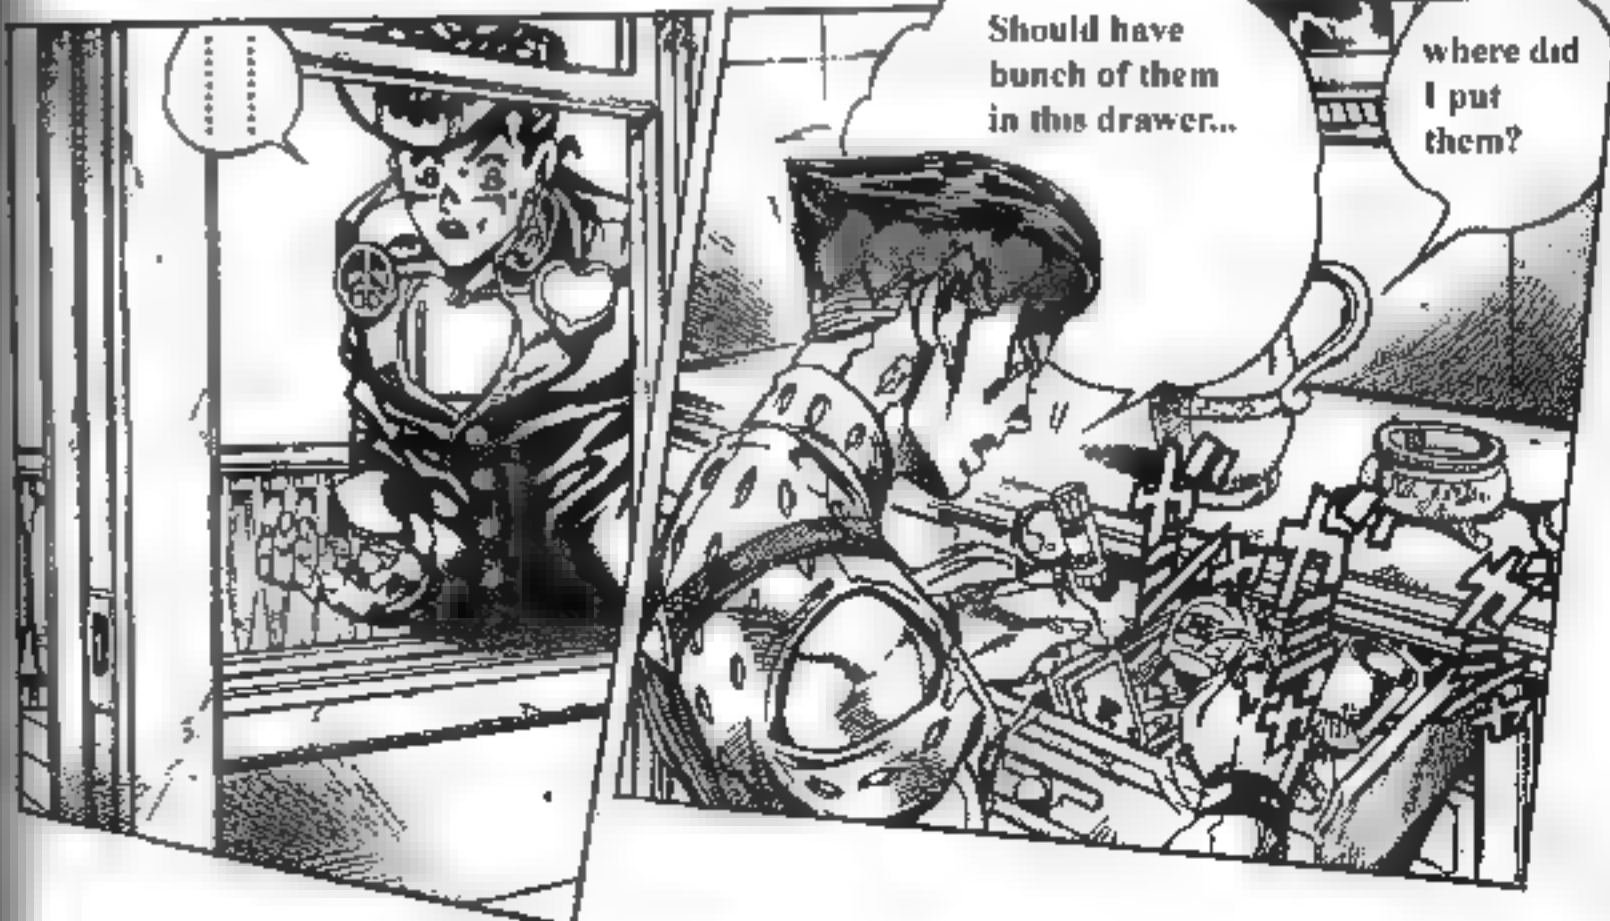

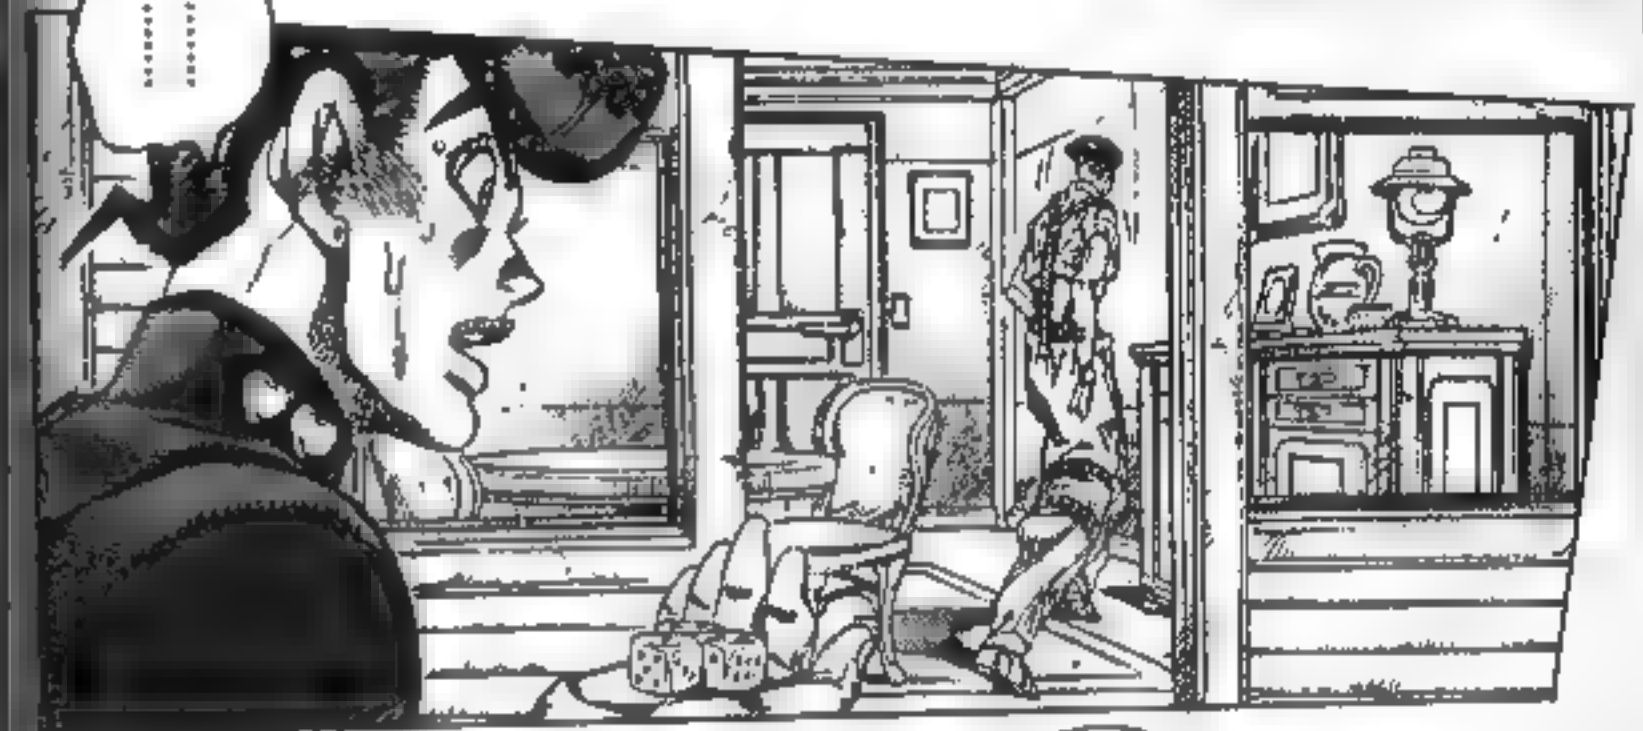

.....

that is... we can't use the dice you brought

we will use mine!

but I have a condition

Should have bunch of them in this drawer...

where did I put them?

I knew it, I knew Rohan must insist on using his own dice! so I let the alien snuck into his house earlier!

YEAH!!!!

Damn! I feel so evil right now!

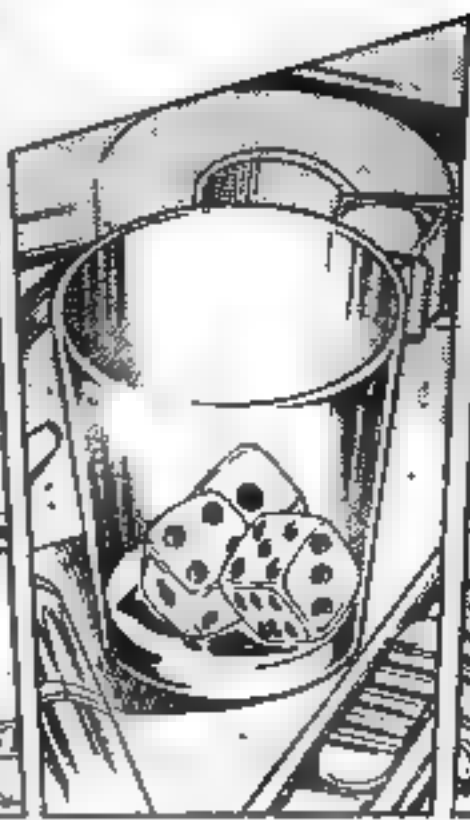

that's the dice the alien transformed into!

No, Rohan is more evil than me! I just wanted to play a game with him to get some money for summer. He even want to win over all the money I have, for him 30,000 is only pocket change.

the ones I have are just normal ones!

Oh they are here!

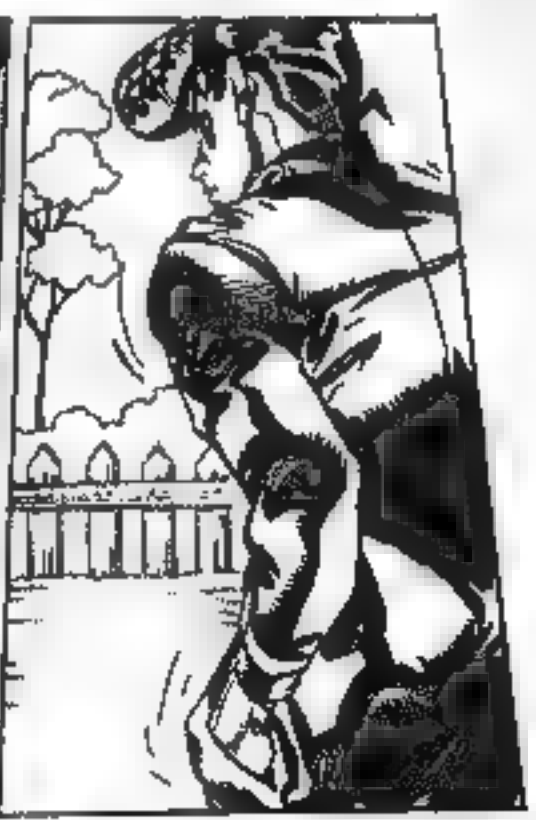

啊...

...

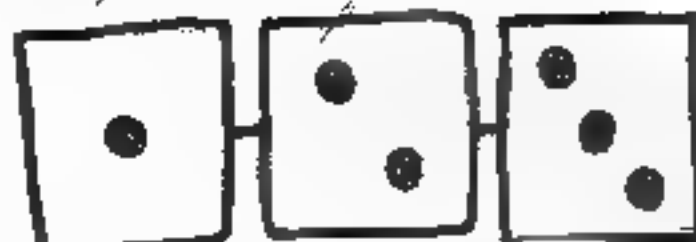

唔... 唔... 唔咕

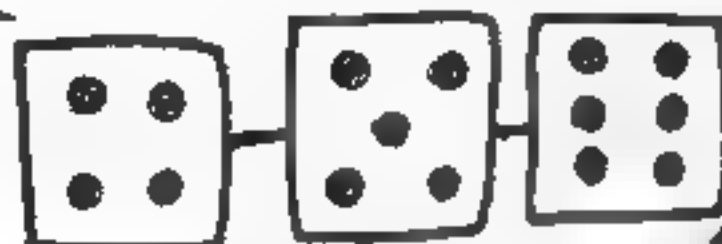

If you get 4, 5, 6, you get twice the amount from me.

lose: 2x to winner

win: 2x from loser

If you get 1, 2, 3 then it's a "dead turtle" you pay twice the amount to me

compare this last one

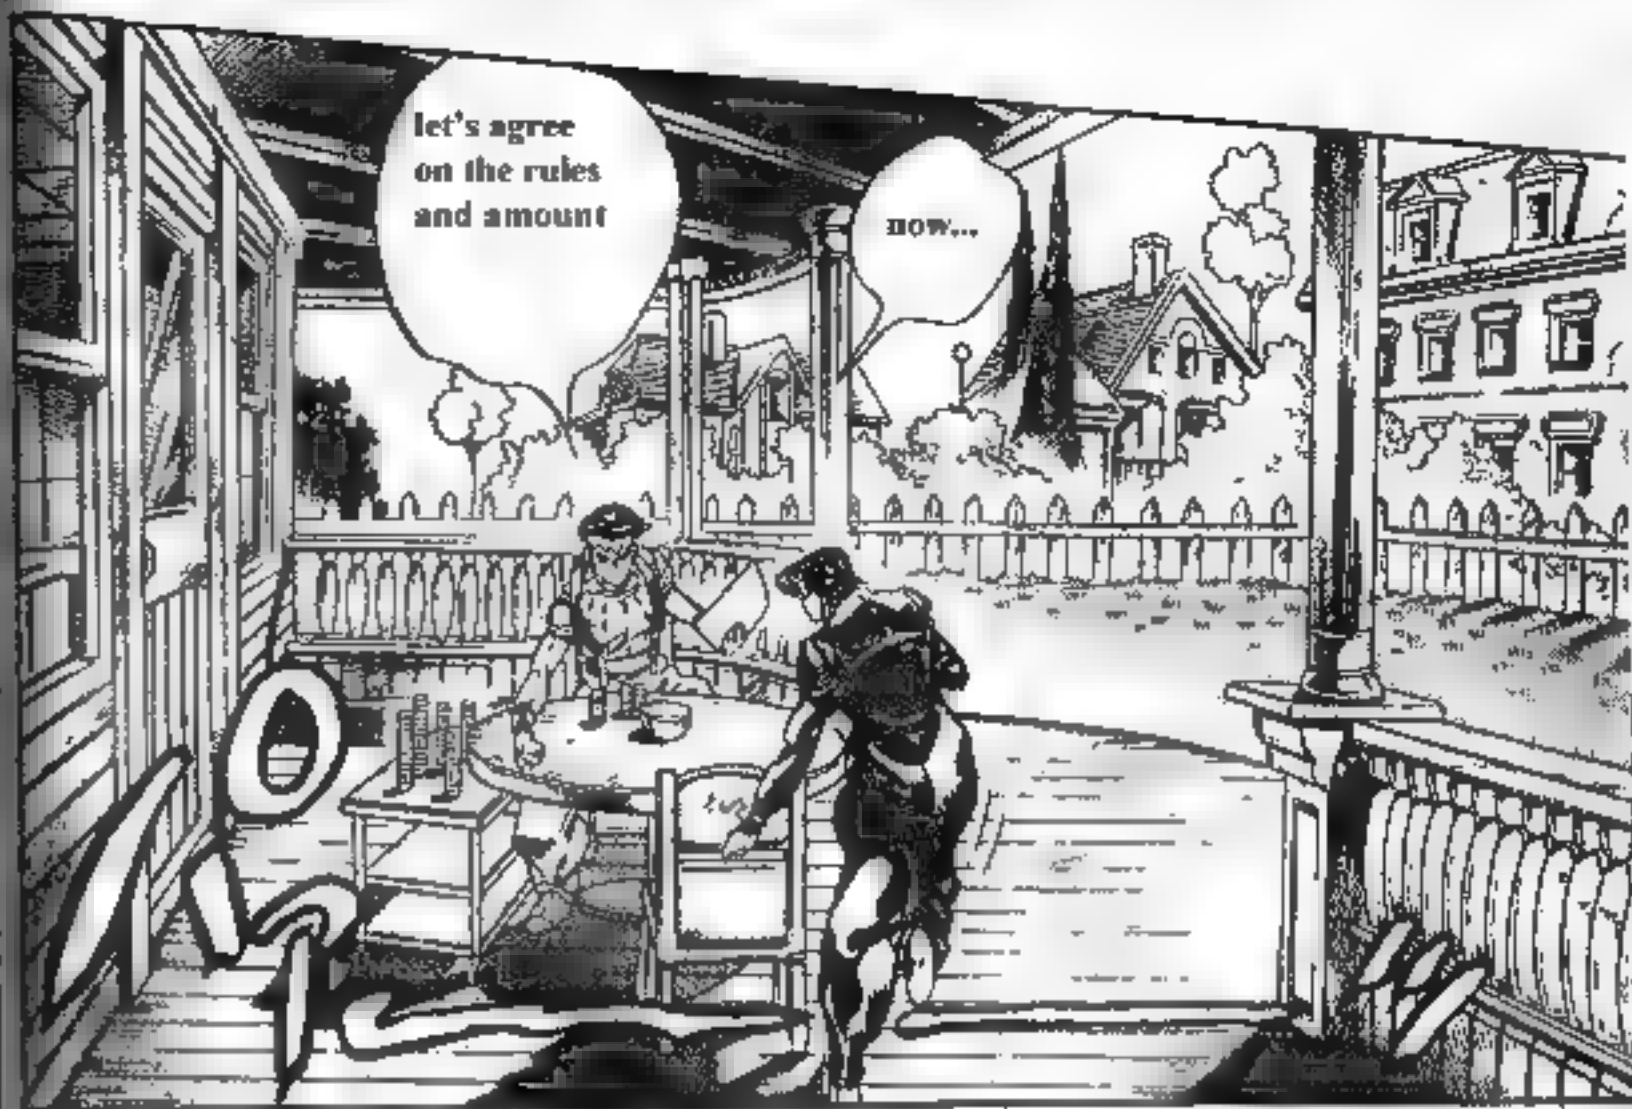

6 win this time

let's agree on the rules and amount

now...

continue

please

if you show 1, 2, 3...

no 1, 2, 3

listen! can't be 1, 2, 3! never show 1, 2, 3

good

as long as it works for you...

No...

good

throw 3 dice into the bowl at the same time, if one fell out, you lose!

alright?

white tokens 1 stands for 1000 yen

if we play small you can't get much even if you win

you want more money for summer

so high?

嗯?

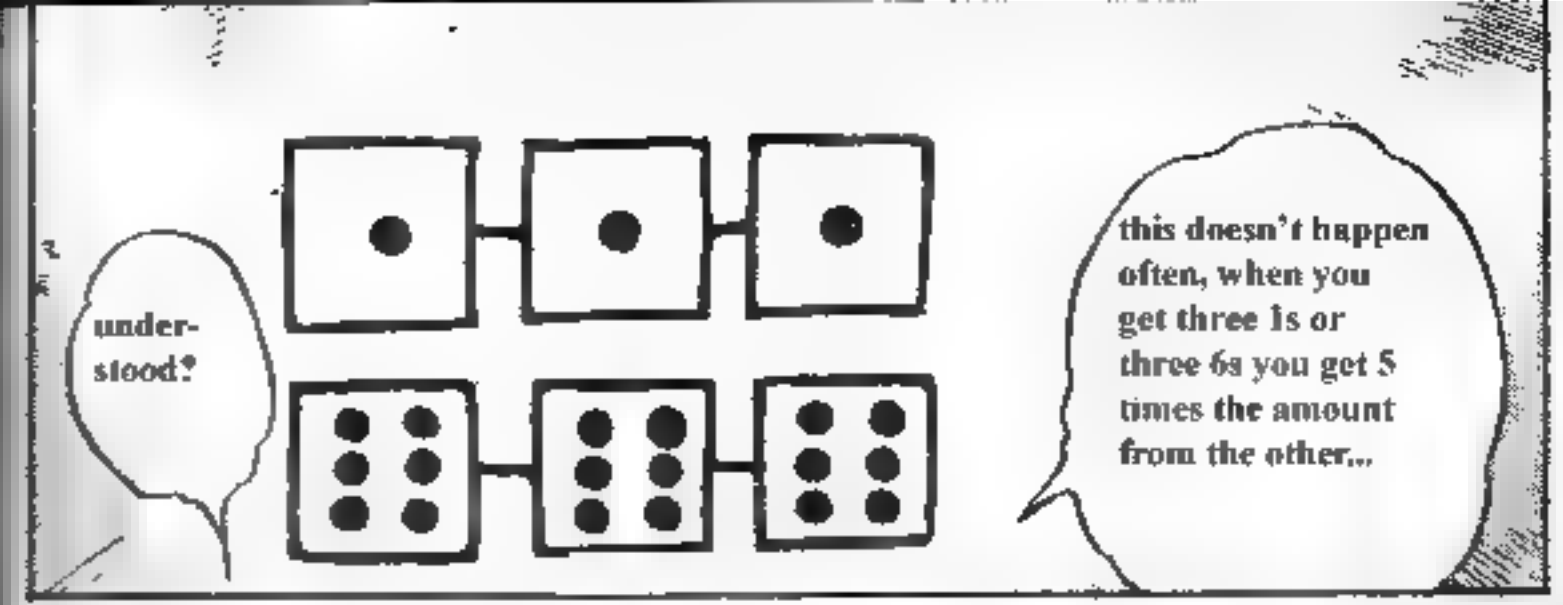

wow!  
I have  
30 tokens

哇  
!!!

tossing 3 dice at once,  
this way of playing originated  
from France, then it spread to  
other parts of the world, when it  
reached Macao and  
Hongkong, it  
developed into 18,  
which is popular in  
Asia

under-  
stood?

this doesn't happen  
often, when you  
get three 1s or  
three 6s you get 5  
times the amount  
from the other...

ok, I will  
tape it to  
the pole...

let's see who  
get to toss  
first.

agreed...

they will hammer  
a dice into each of  
the cheater's eyeballs,  
and throw him into  
the river.

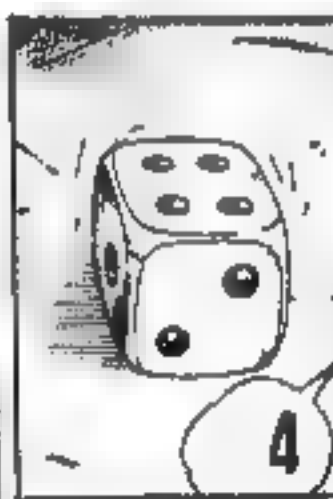

The Chinese gamblers,  
when they found out  
someone is cheating...

the history of the  
dice is as long as  
human civilization,  
in the beginning,  
people use human  
or animal bones to  
make dice...

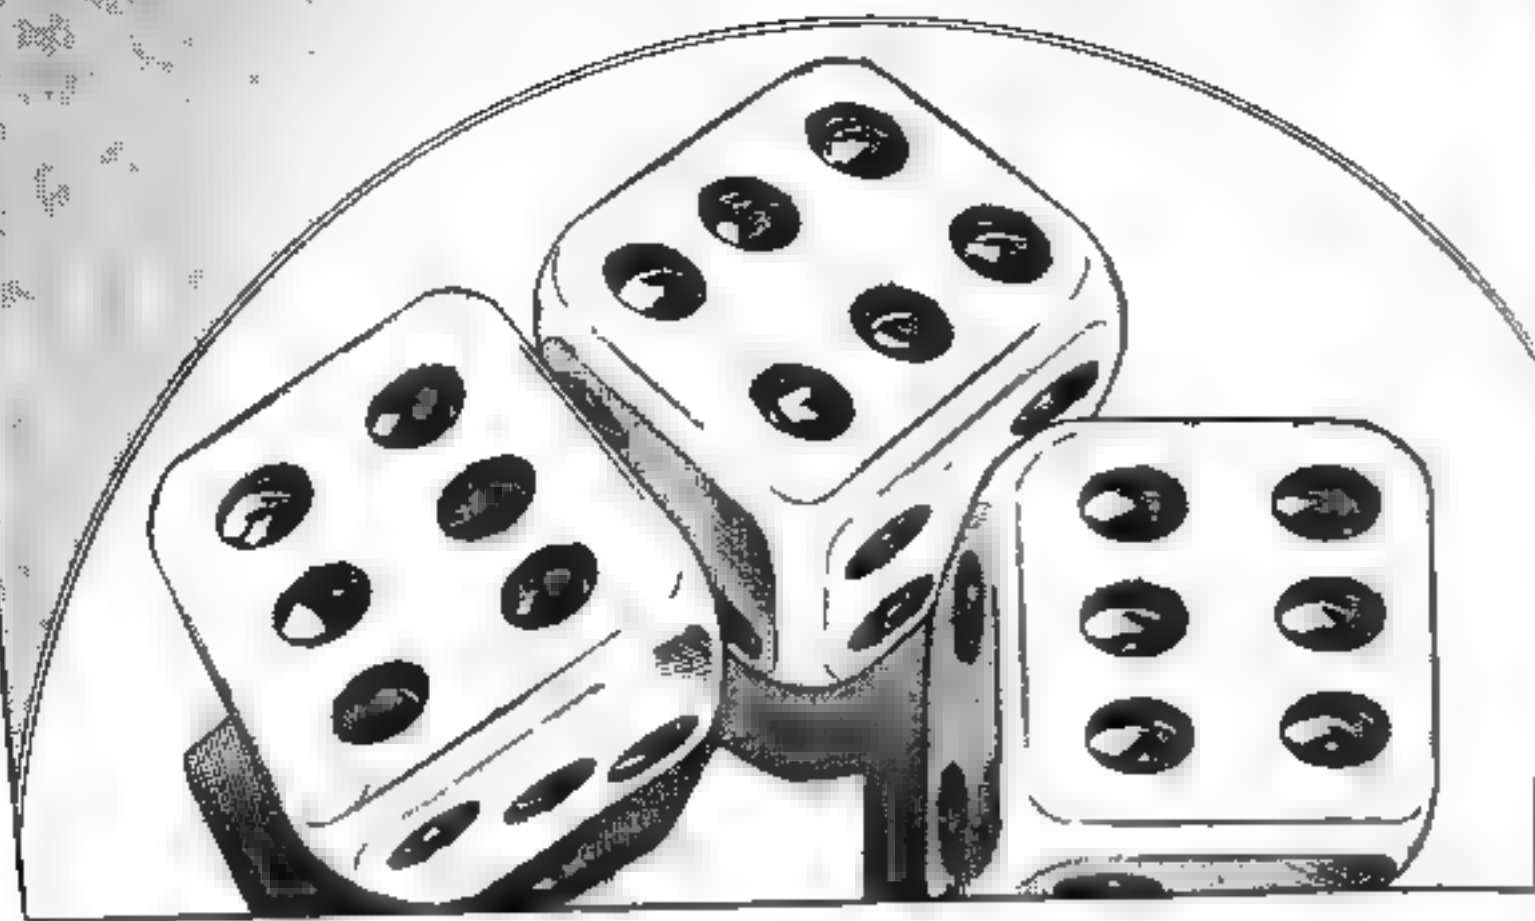

OK,  
I will  
start

I am starting... not too obvious...

Just the beginning, no pressure... just win a little... so not too obvious...

first  
I will just play safe... 2 tokens, win a little 2000 yen  
yes that's right!

No!! No!!

I am not...

What?!

three 6s...

How is it?

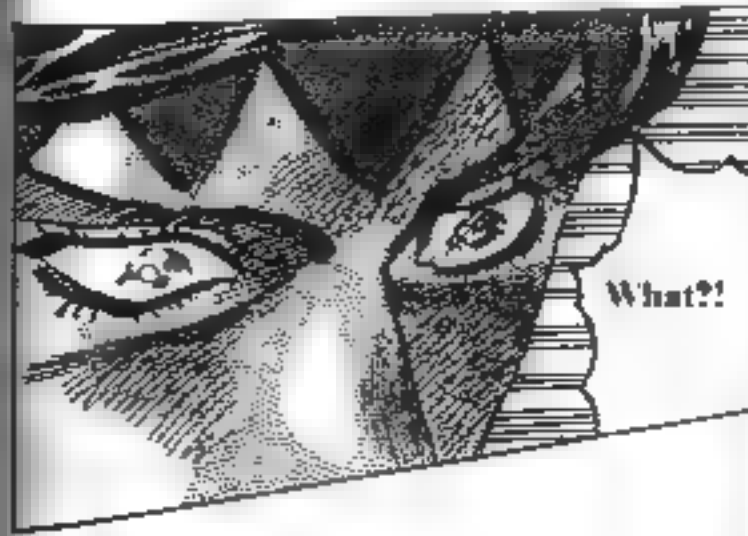

哇啊!

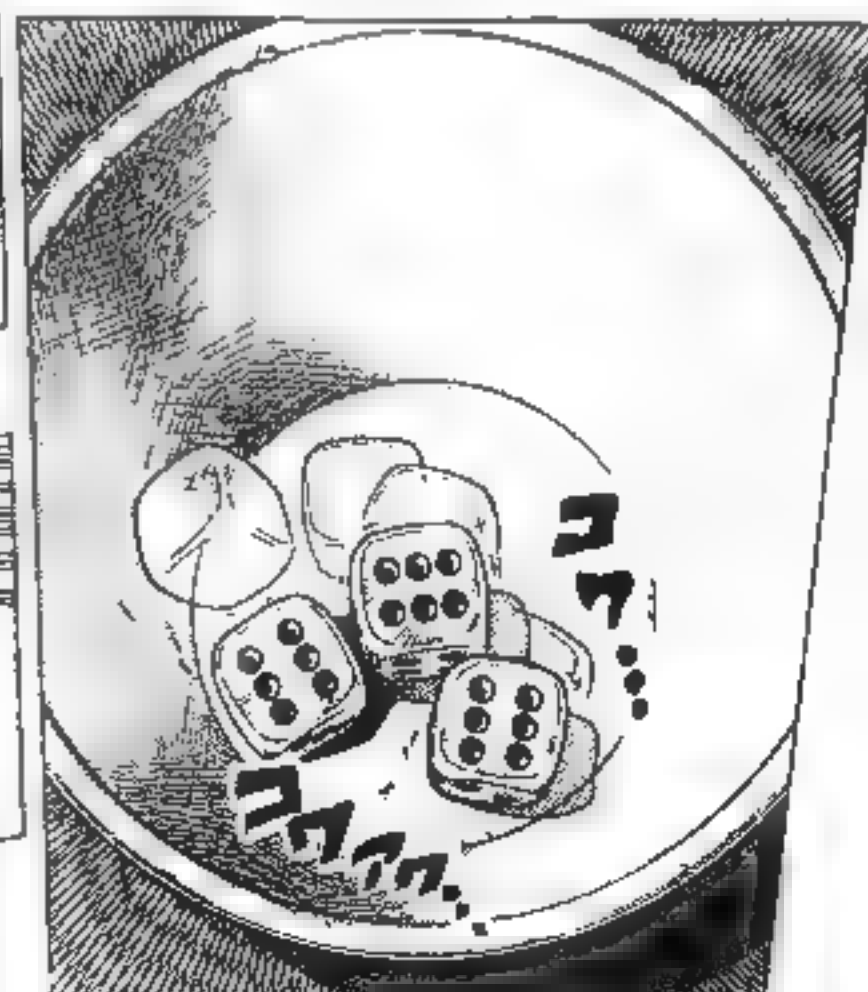

哈!

嗯?

What?!

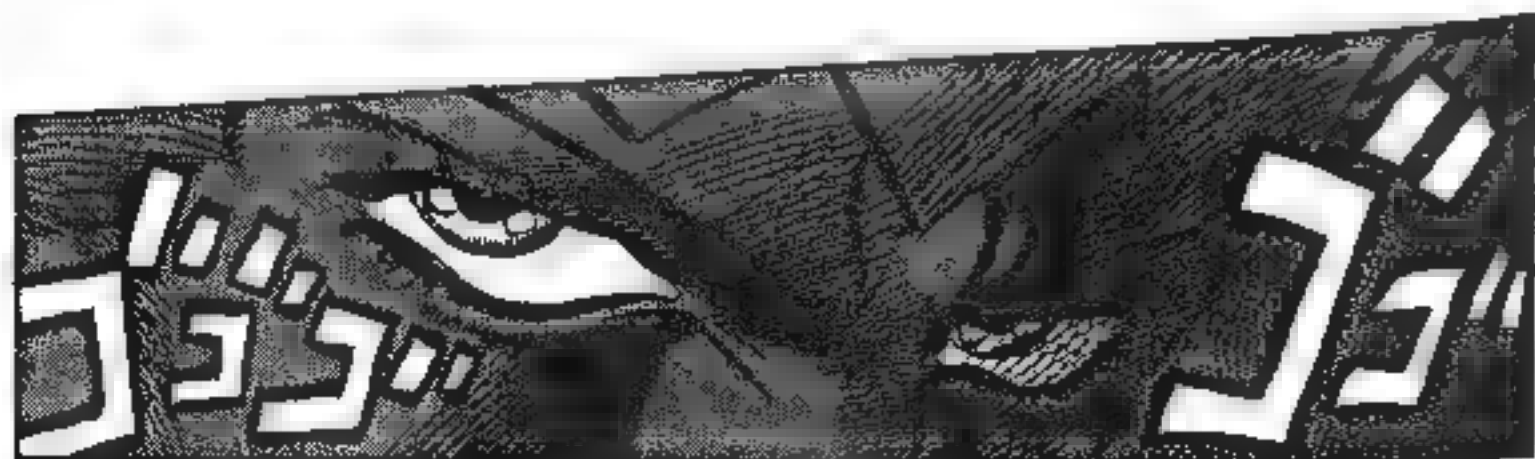

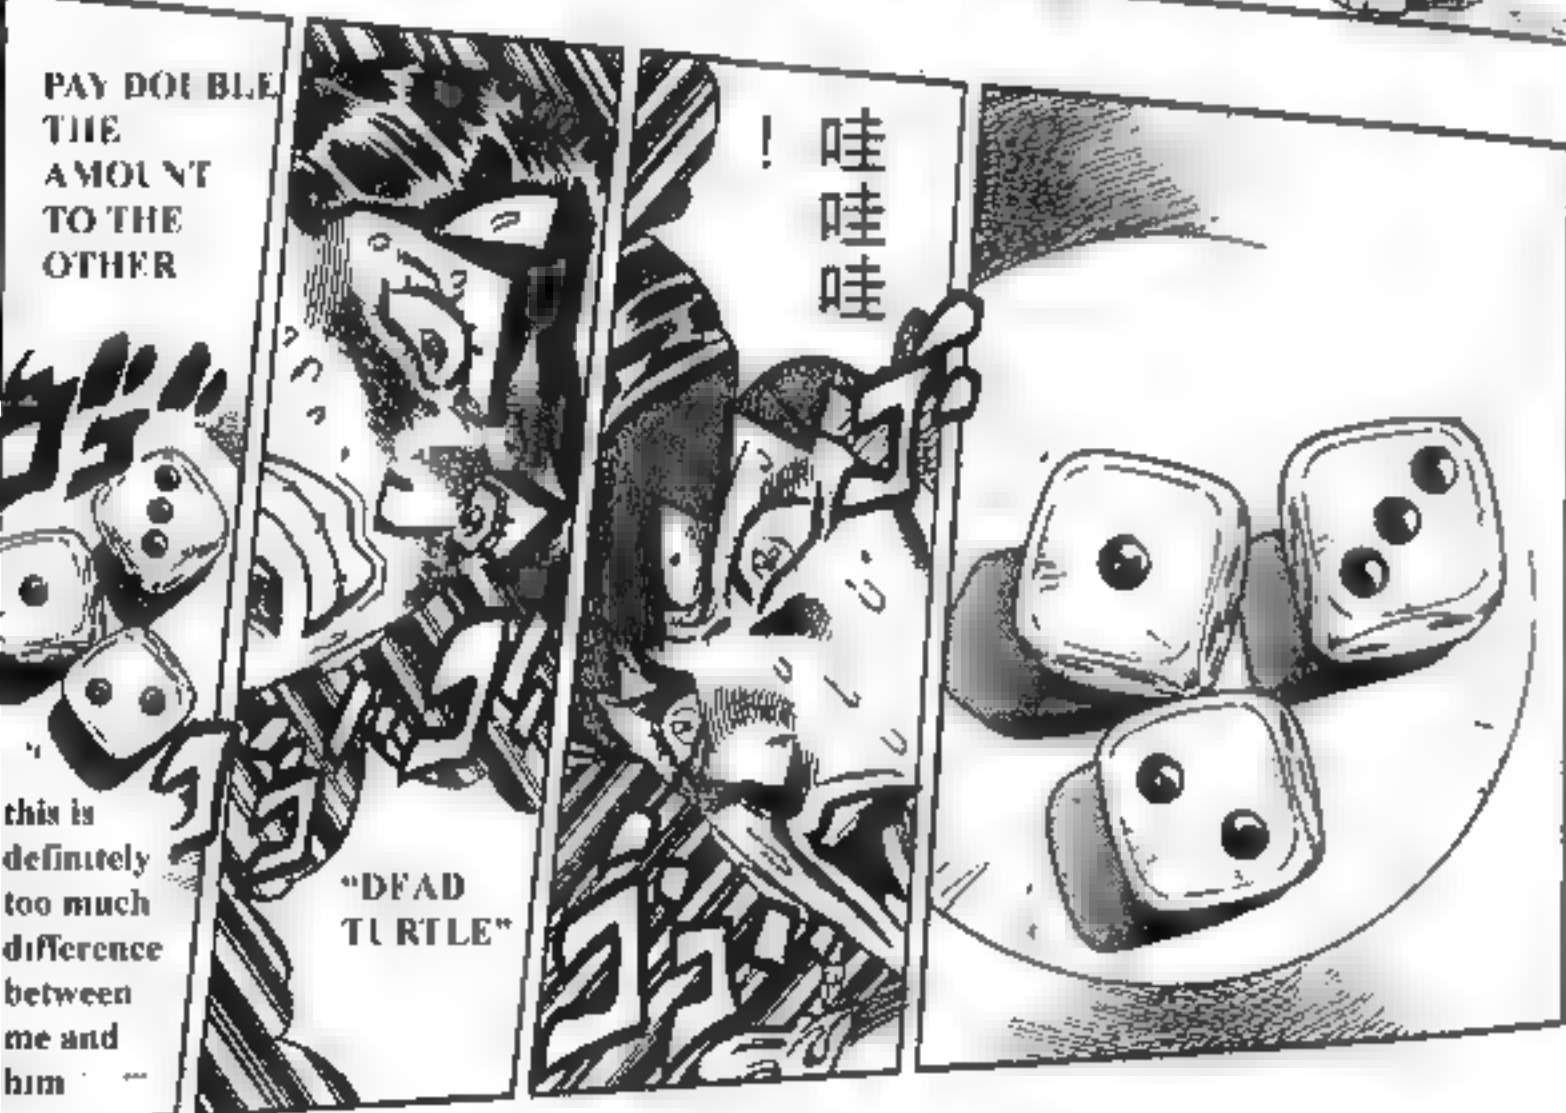

!?

Idiot!

not so fast in the beginning!!

JOSUKE  
HIGASHIKATA!  
DON'T TOUCH  
THE DICE!!

Rohan will  
keep a very  
close eye on  
me now...

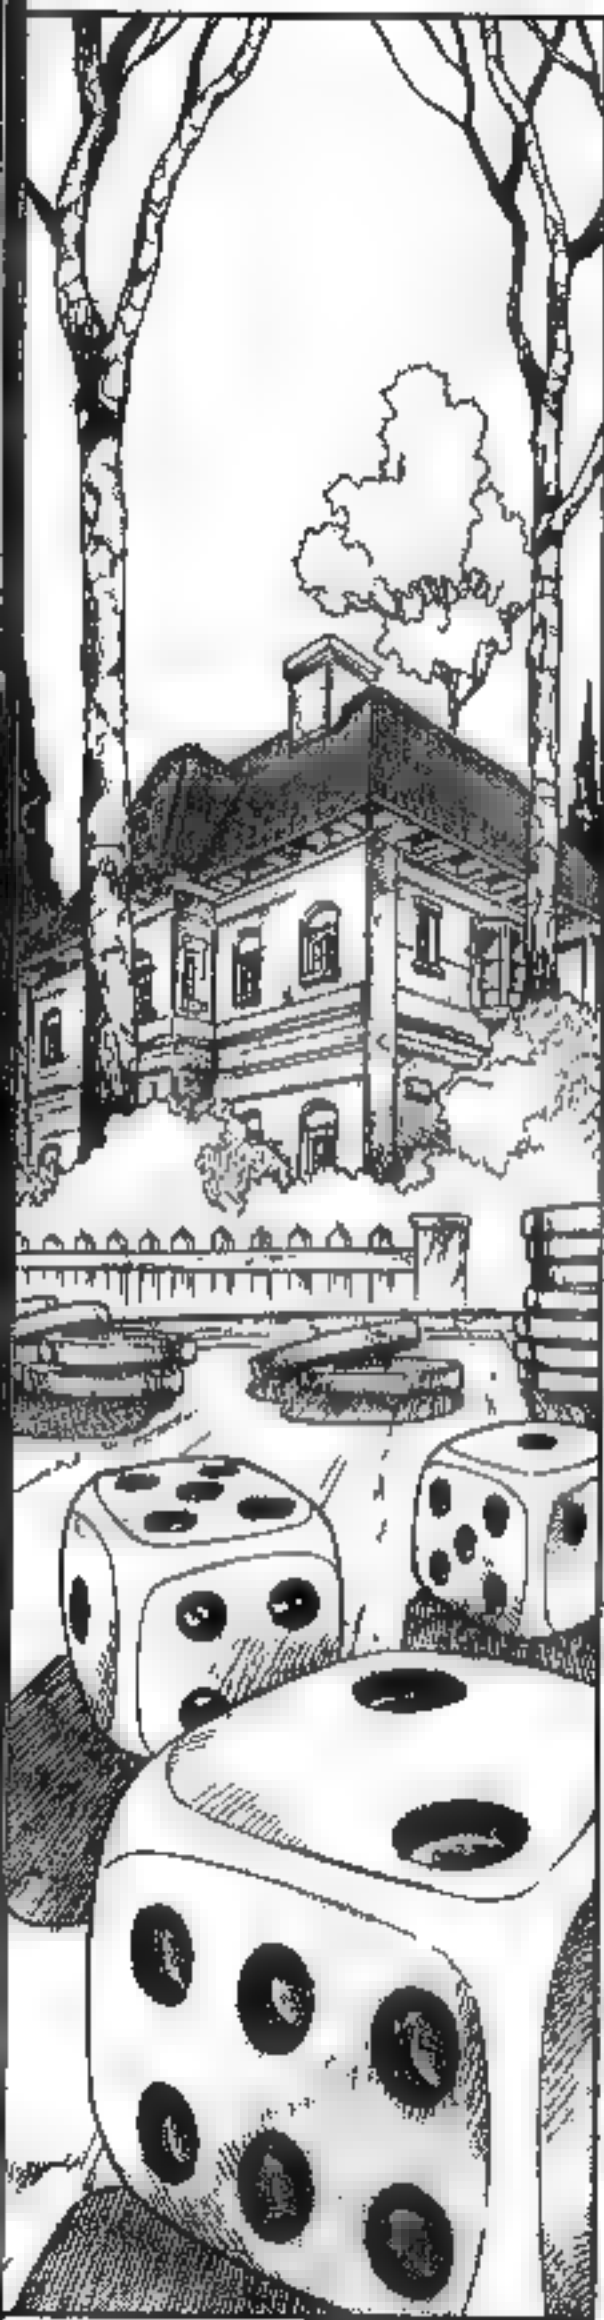

Allen! why  
don't you  
understand?

Rohan has  
already started  
to suspect me...

我是宇宙人  
之其⑤

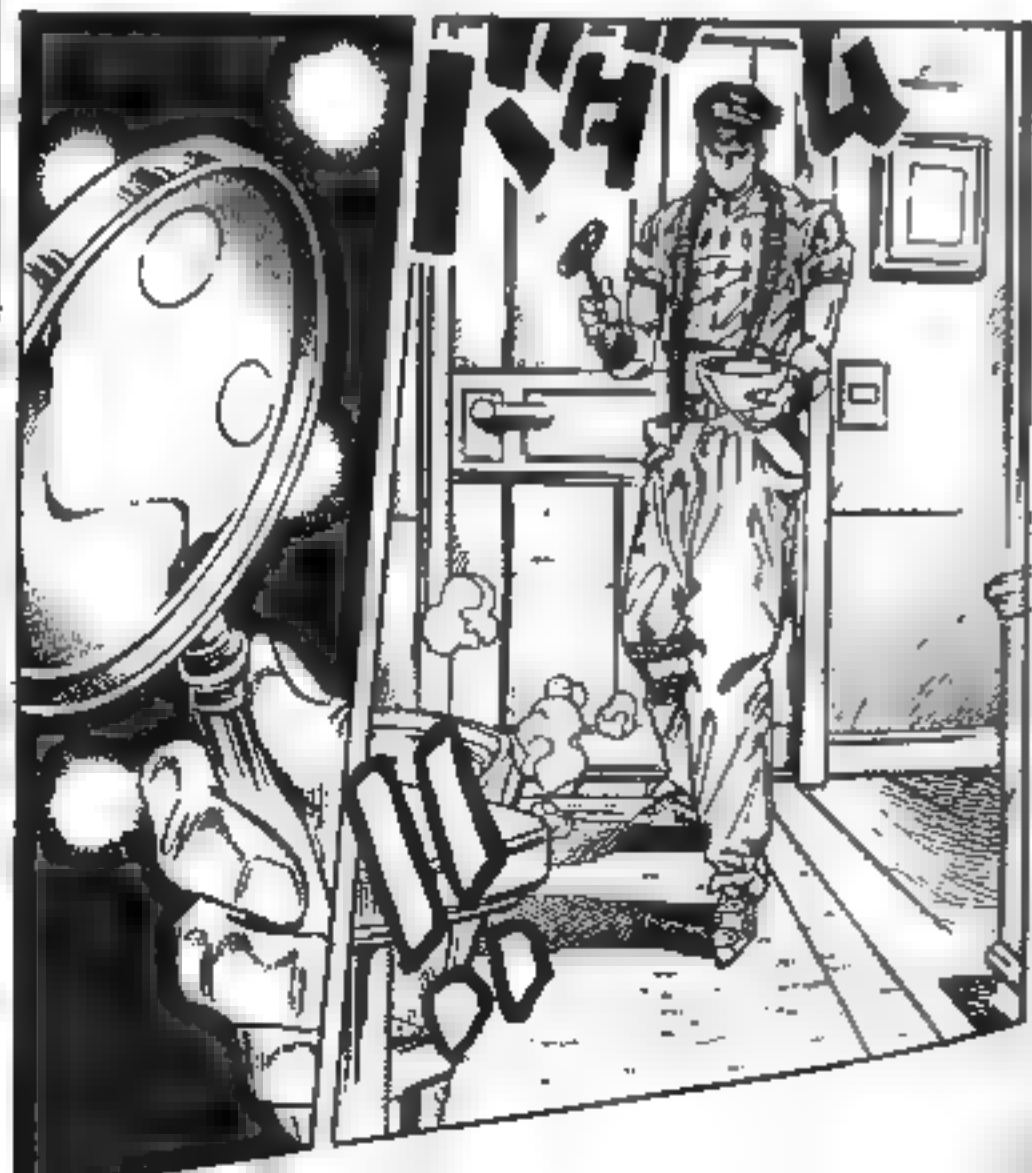

What should I do...?  
Rohan didn't like me  
at all, maybe he hates  
me to death! because  
I use to beat him into  
the hospital...

if he finds out about  
our secret, I have  
to give back all  
60,000 yen I just  
won, heck, I  
am not going to  
let that  
happen!

it's my  
60,000.

not even  
the bowl

don't  
touch!

don't touch...?  
but it's my  
turn

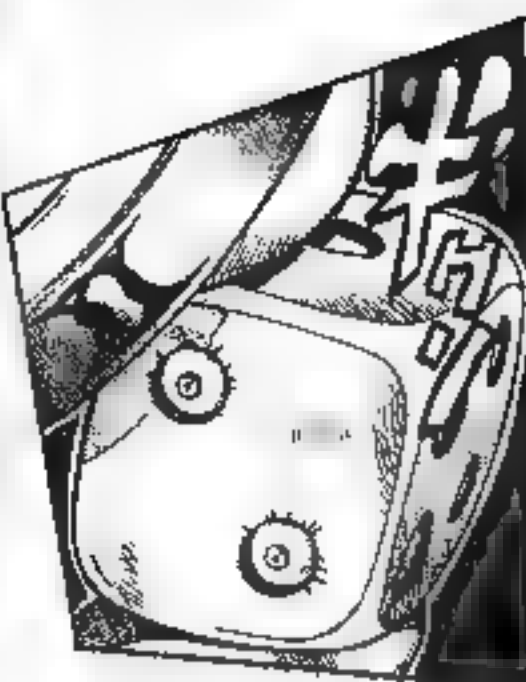

What's he  
gonna do? if  
he finds out  
about me  
and the  
alien....

he will  
not let  
me go  
with just  
an  
apology

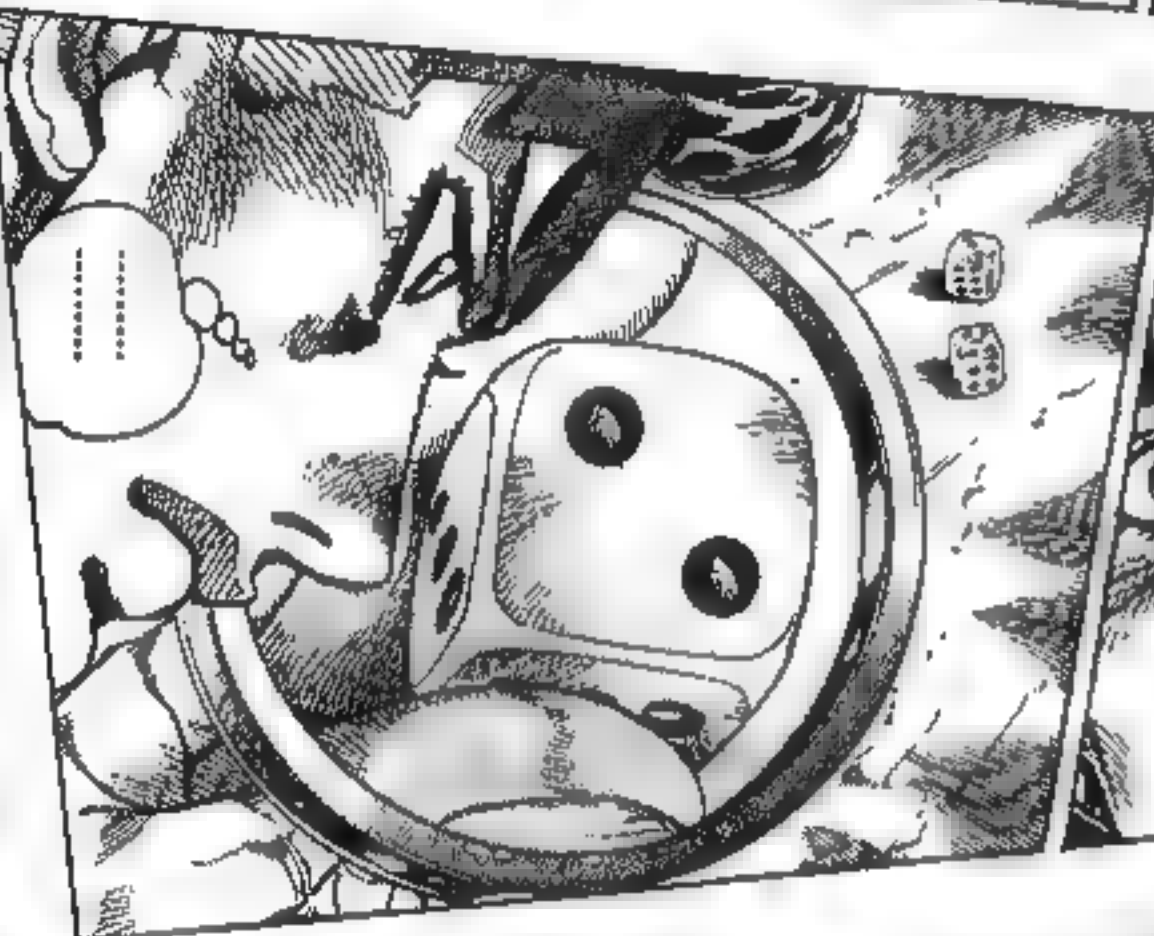

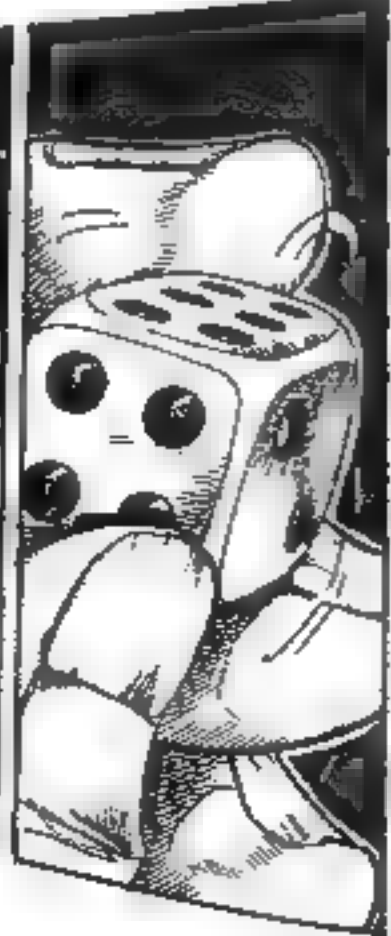

I think the dice is staring at me...

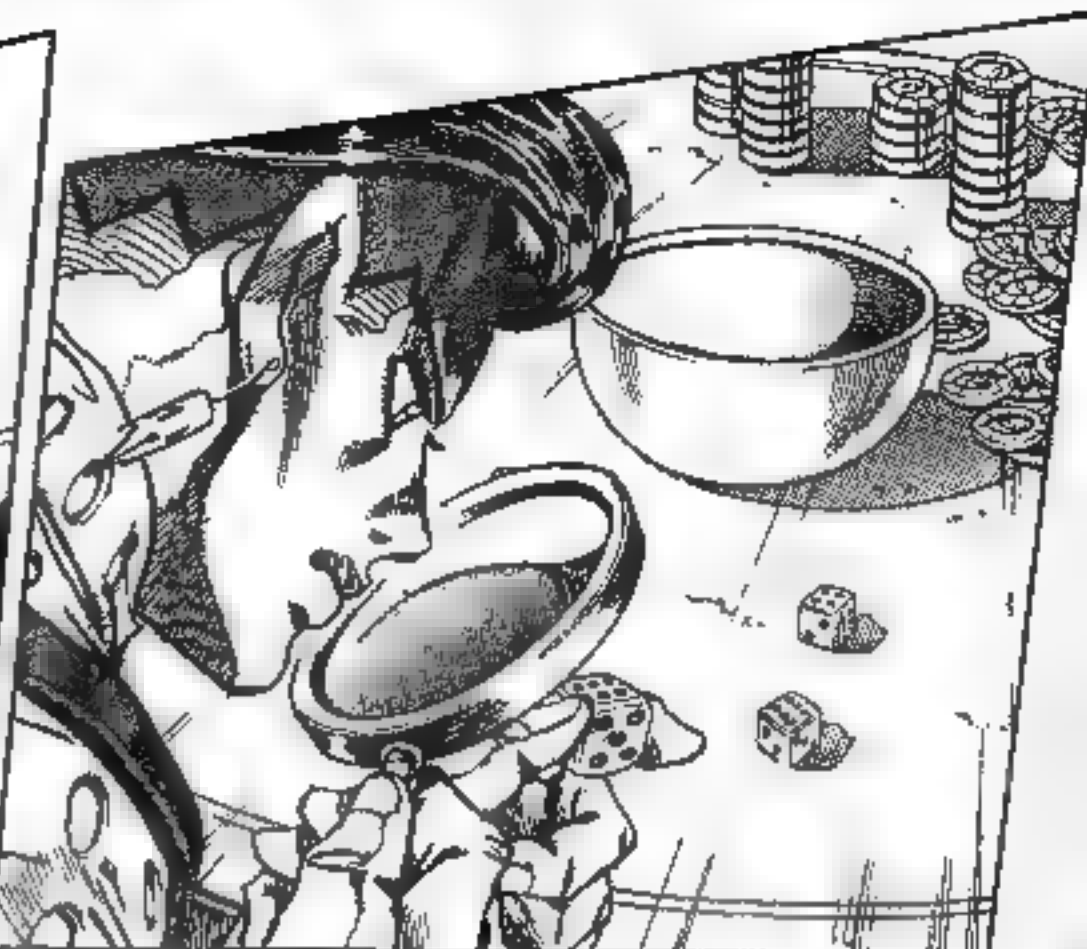

am I illusional?

let me try to bite it...

magnified

I need to know more about my own dice...

that's why I wanted to look more...

What are you doing? aren't they your own dice?

ha ha

what...

quiet!

This is just coincidental, I've heard my dad had 3 plan crashes in his life, and he was unscathed all three times!

you only got 2 dead turtles, you can't take that?

I don't know what you're saying

I don't know  
how you are  
doing it, but  
I am sure  
you are cheating

I know  
you are  
cheating...

WHY  
ARE  
YOU  
DOING  
THIS?!

I can't forgive  
myself, can't even  
figure out how  
you are doing it...

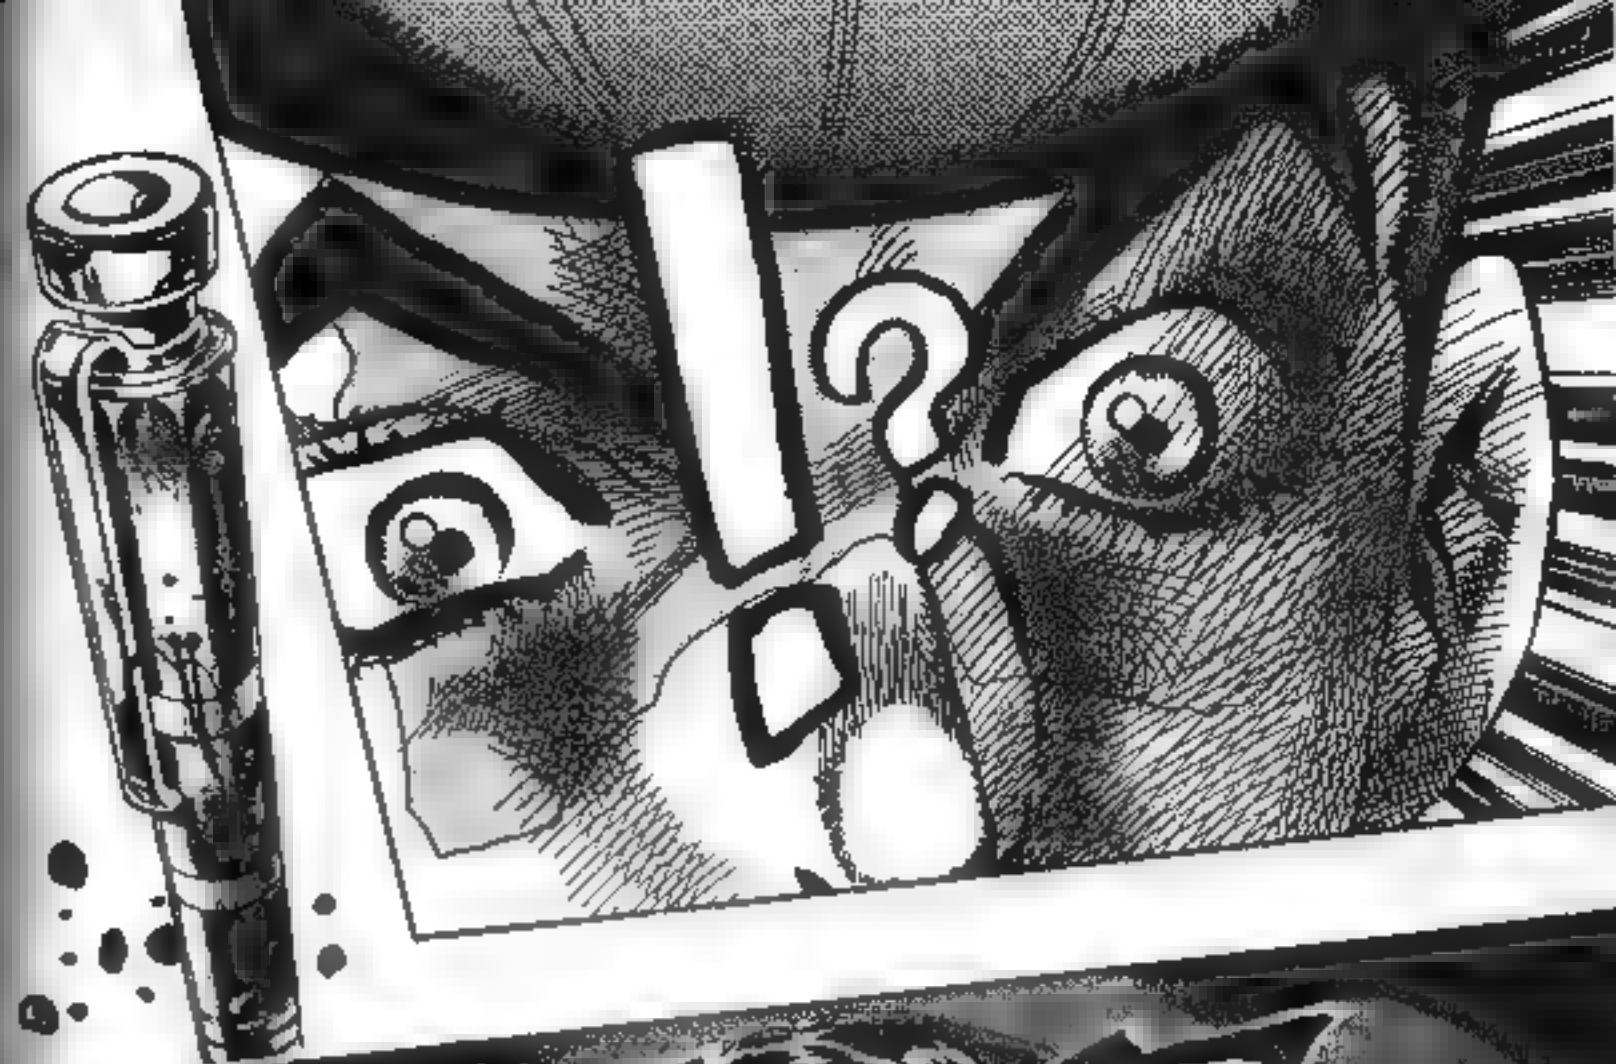

Josuke.... I tried to  
avoid any confrontation  
with you just because  
my respect for your  
father Mr. Joestar and  
Koichi. today you even  
dare to come all by  
yourself and mock me  
at my house!

when the image  
of you laughing  
at me crossed my  
mind, I just can't  
contain my  
anger any more!

Shut up!

You crazy?! what  
the hell are you doing?

Rohan!  
what are  
you talking  
about?!

If I can't catch you, I will pay you this money to heal my little finger...

I have 2 million yen right here!

But.. If I manage to expose your secret...

and I will.

THEN I WANT YOUR LITTLE FINGER AS YOUR PAYMENT TO ME!

Josuke!

because I am gonna bind you here, so you can't find a excuse and escape!

Shut up!! why did you think I cut my little finger...

Come on! let's not do this, let me heal your finger first!

Let's play one more time do decide...

If in this round I can't find out how you are cheating...

I WILL NOT LET YOU HAVE ANY CHANCE TO USE THIS KIND TRICKERY AGAIN!

why  
are you  
here?

?

Tamami

I stayed in the  
hospital for a month  
I wasn't sure what  
had happened but  
it was something  
with me head,

long  
time  
no see.

It's  
me  
Josuke.

I will use this  
lock to lock  
down anyone's  
heart if he's  
to cheat!

about the  
thing I  
promised....

yes  
I am  
Tamami

I will  
perform  
as soon  
as I can

I called  
him.

let him  
be the  
judge.

Judge?

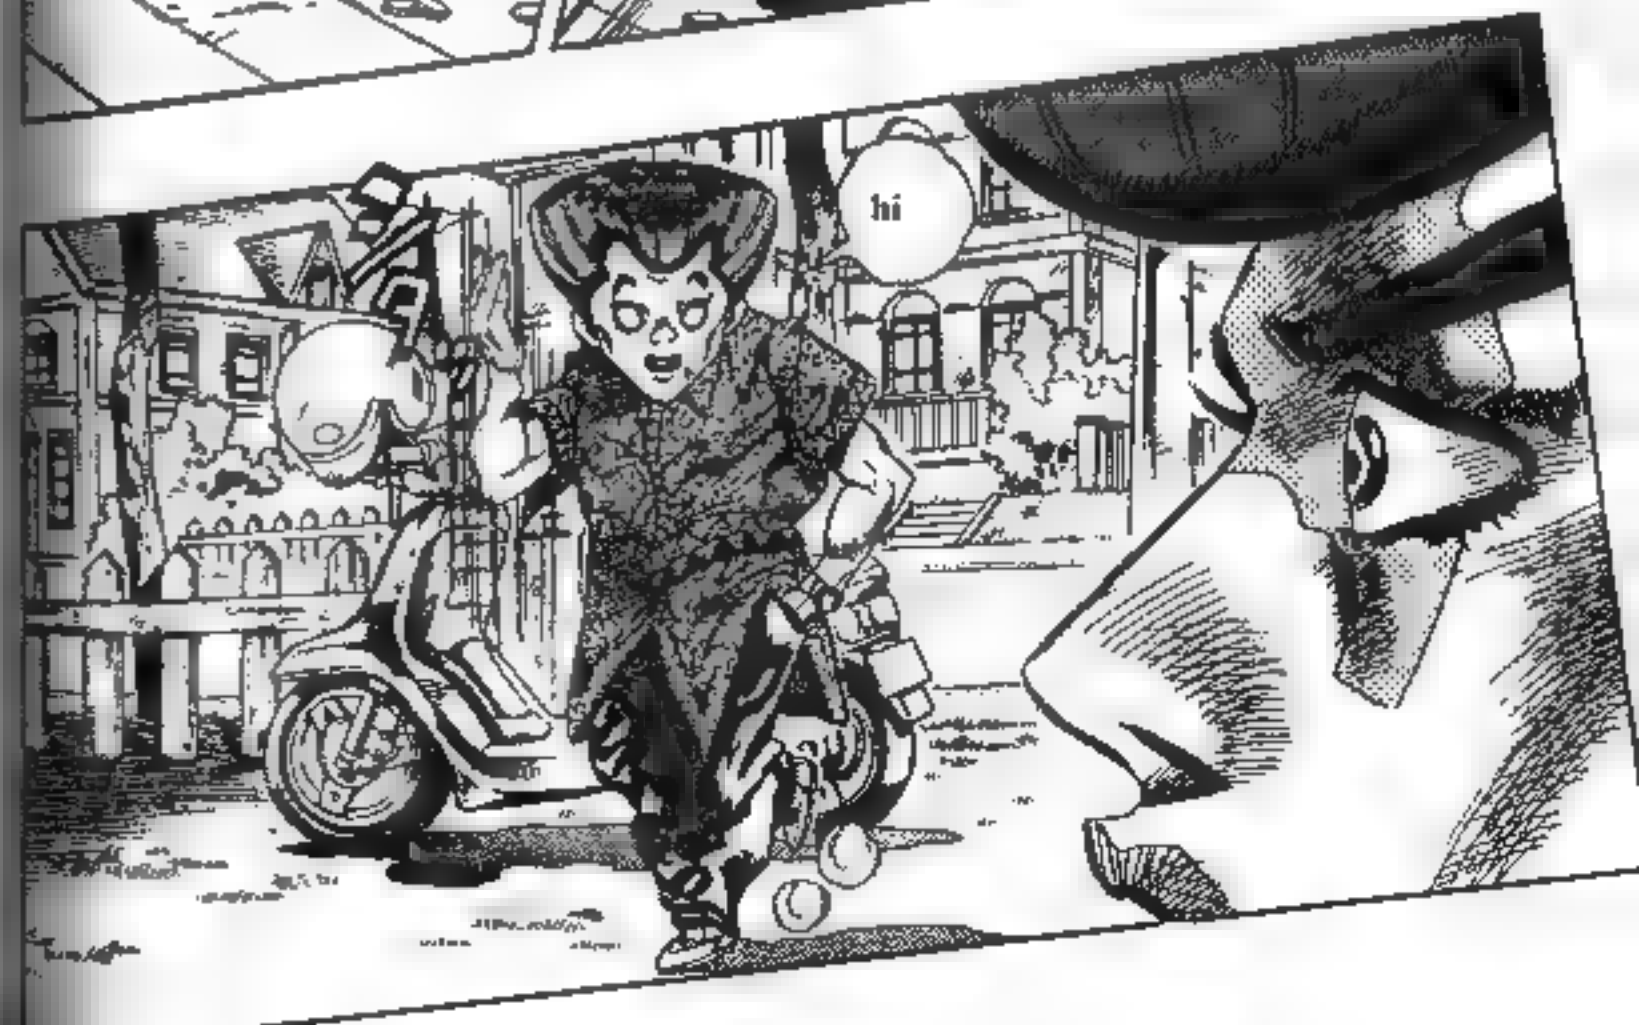

morning  
you two

hey

are you crazy?!  
this is just a game!  
how am I suppose  
to play with you  
like this?!

I will  
not  
recede!

Let me  
heal it  
for you!

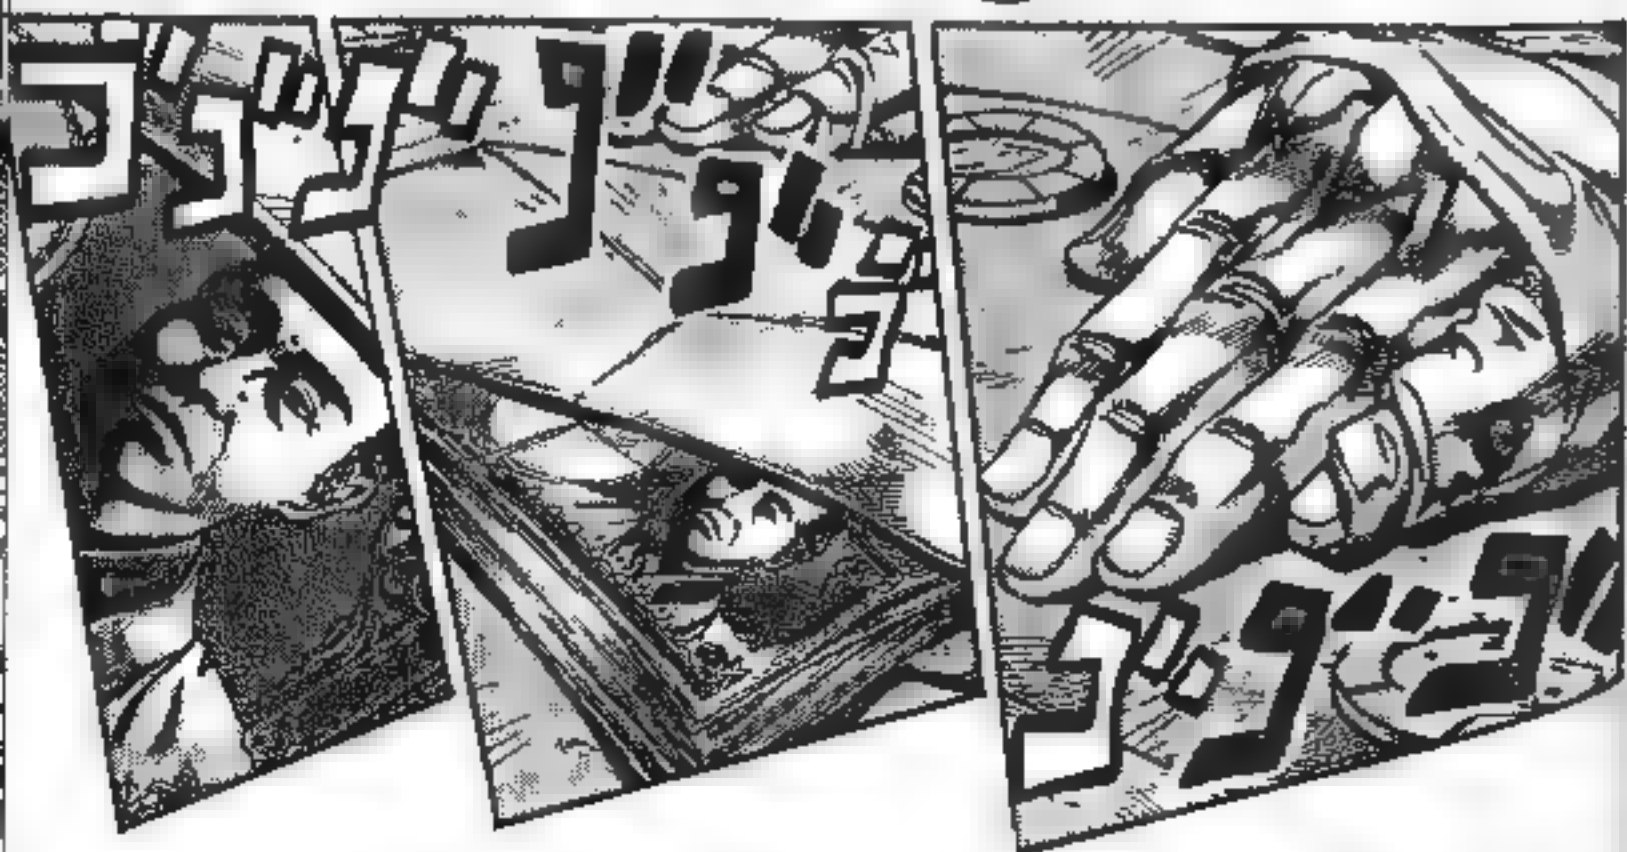

hi

# 我是宇宙人 之其⑥

Looks like Josuke can't keep his little finger this time...but I don't really care, doesn't matter who wins or loses, I will not lose anything, beb heh...

I shouldn't have guilt, it's the alien who decides who wins or loses!

I just wanted to get a little cash from you, your pocket change is enough for me for the whole summer but you just have to be so damn serious! OK, I must play one more time, take the 2 million and then heal Rohan's little finger, then everybody will be happy!

Rohan kashibe you are forcing me to do this! I don't have any other choice now!

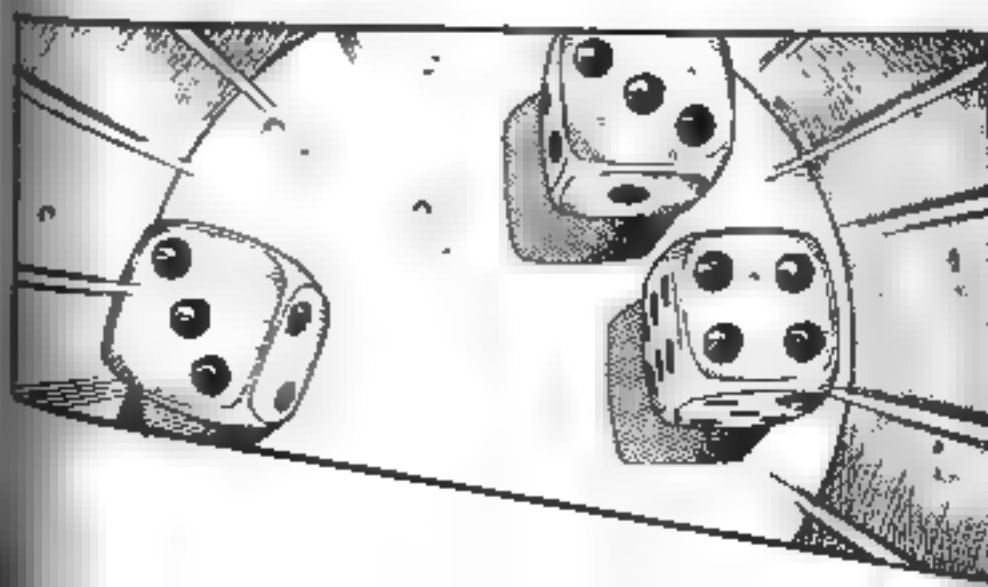

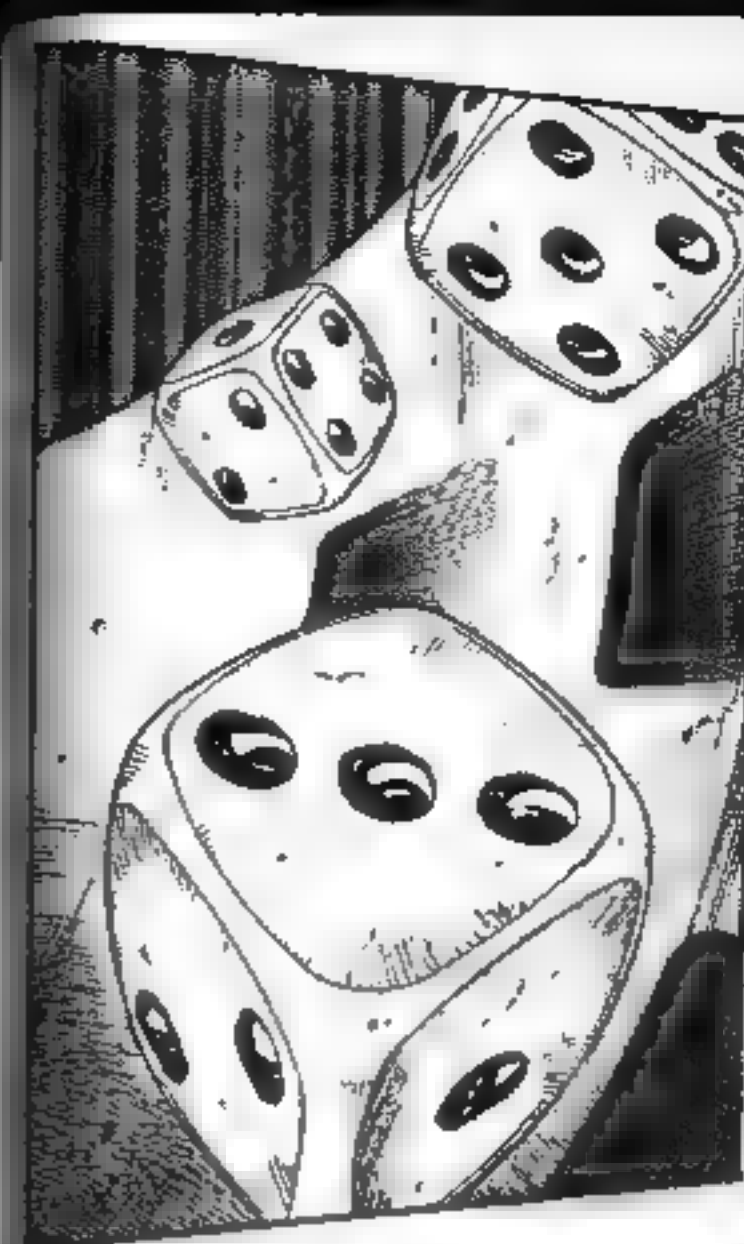

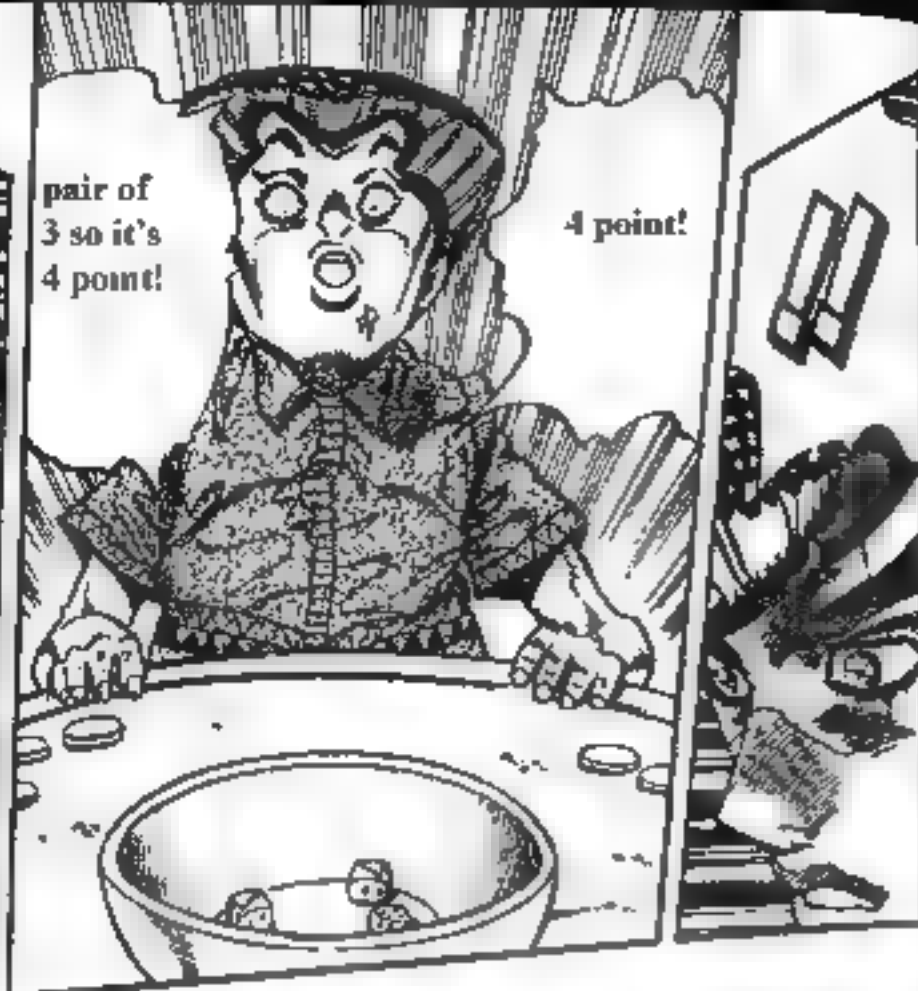

Josuke Higashikata, you deserve what will happen to you!

you are not getting away easily!

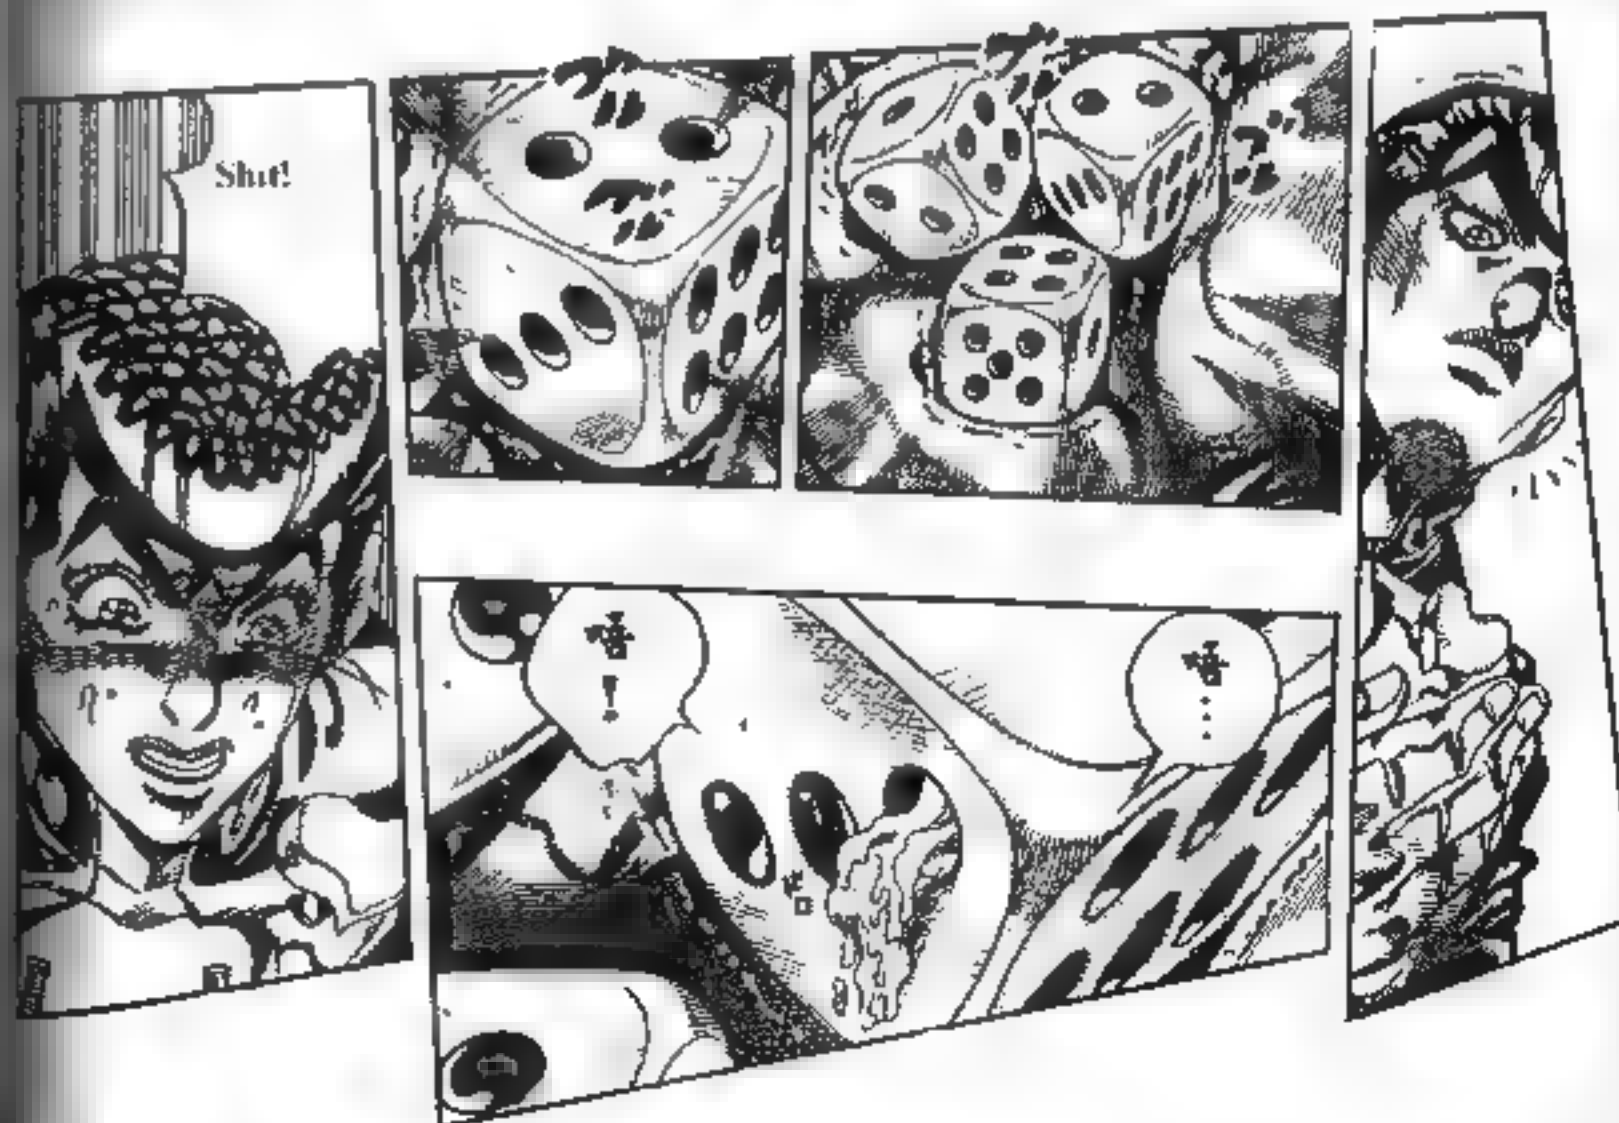

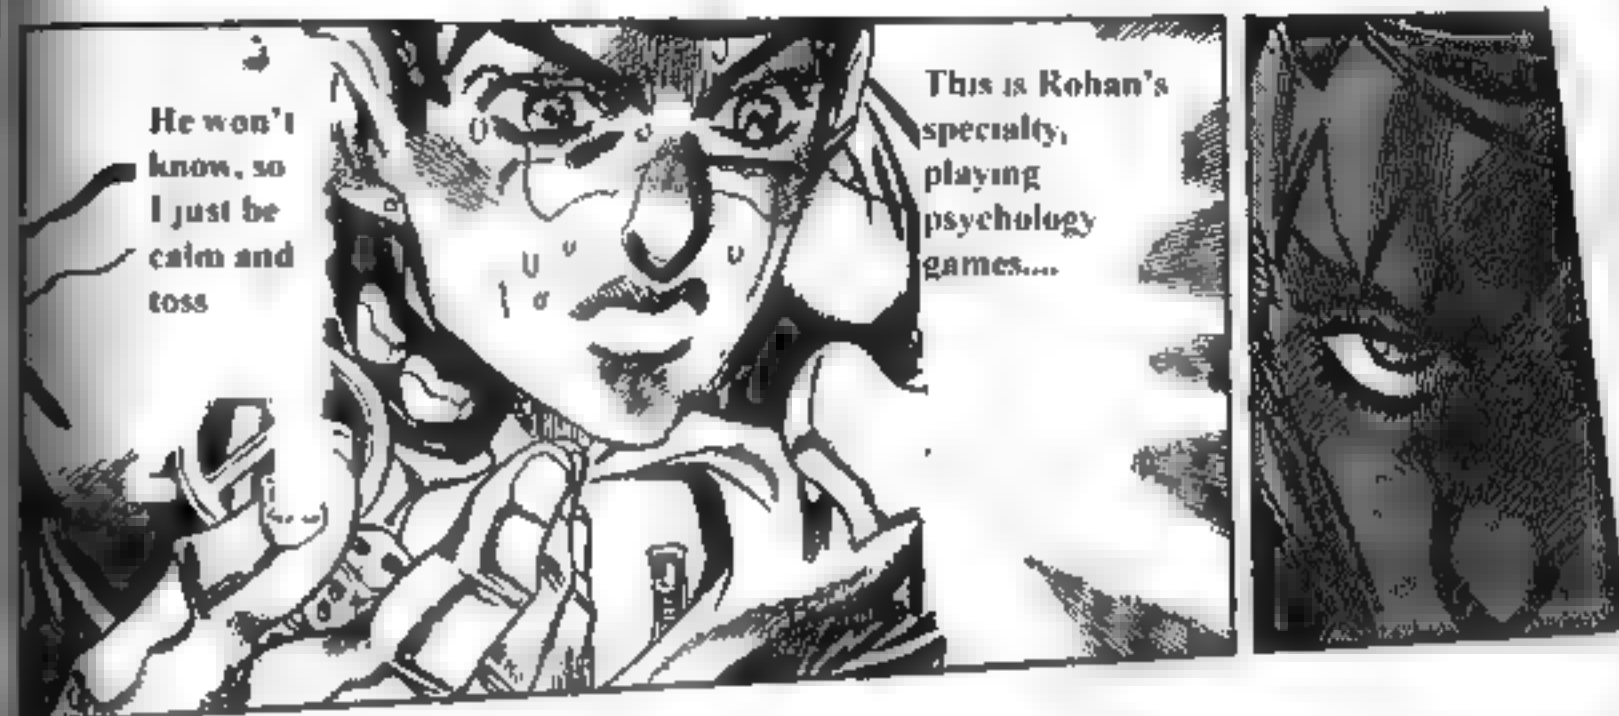

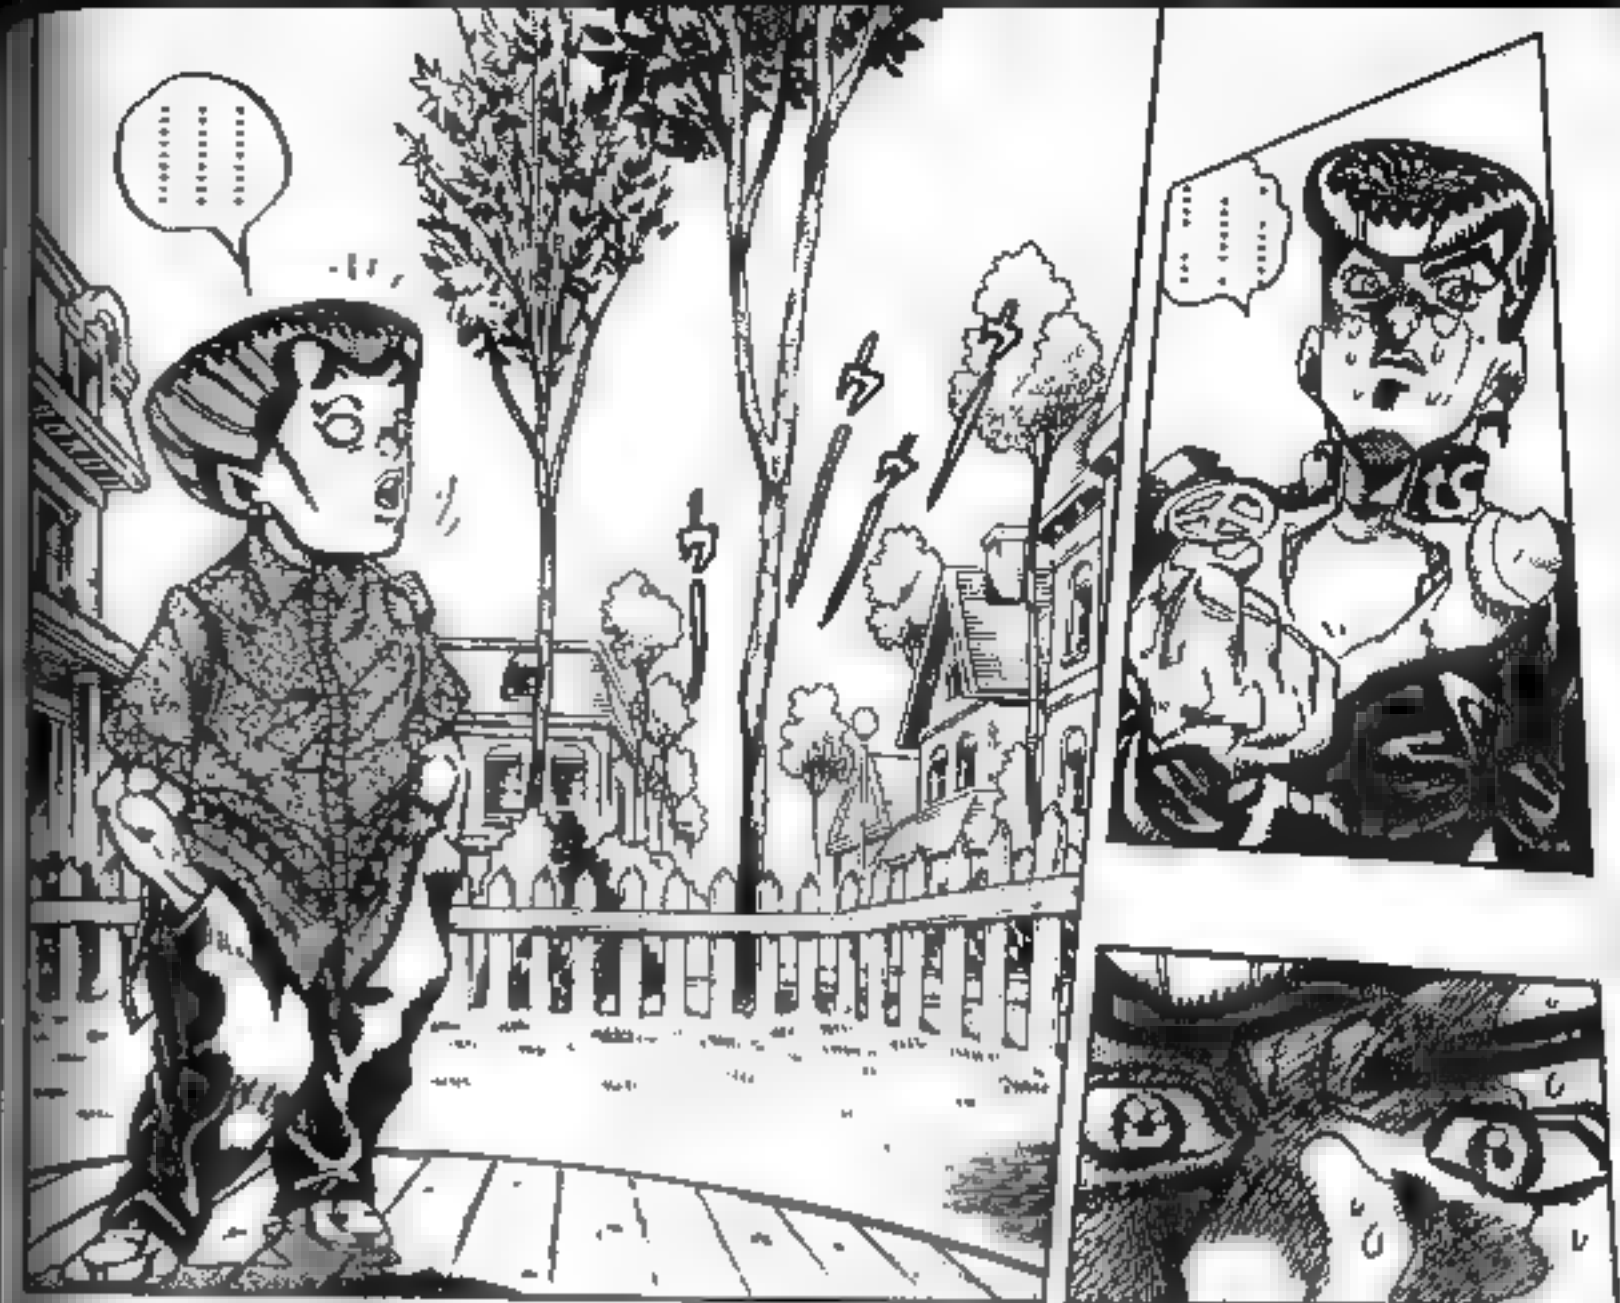

this is very normal point, Rohan can't go crazy just because of this...

THREE 6S  
BUT MY  
LOCK  
DIDN'T  
MOVE!!

how about  
this...?

I did it,  
but....

Mr. Rohan,  
did you  
notice  
anything  
strange?

呼!

哈!

呼!

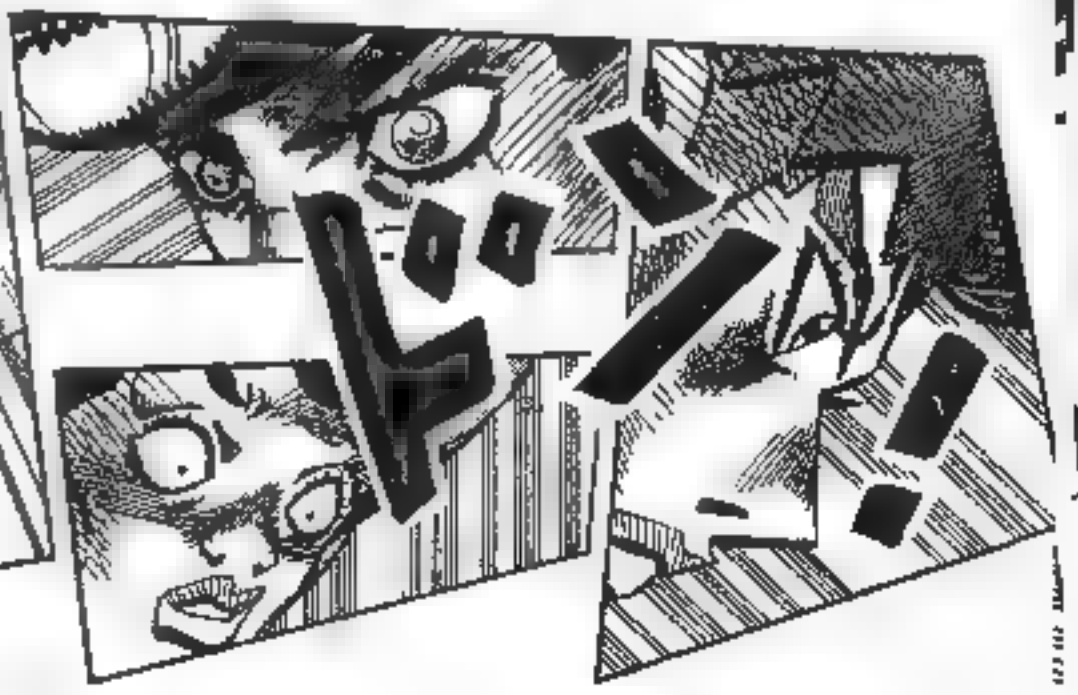

呀!

哈!

呀 呀  
呀 呀

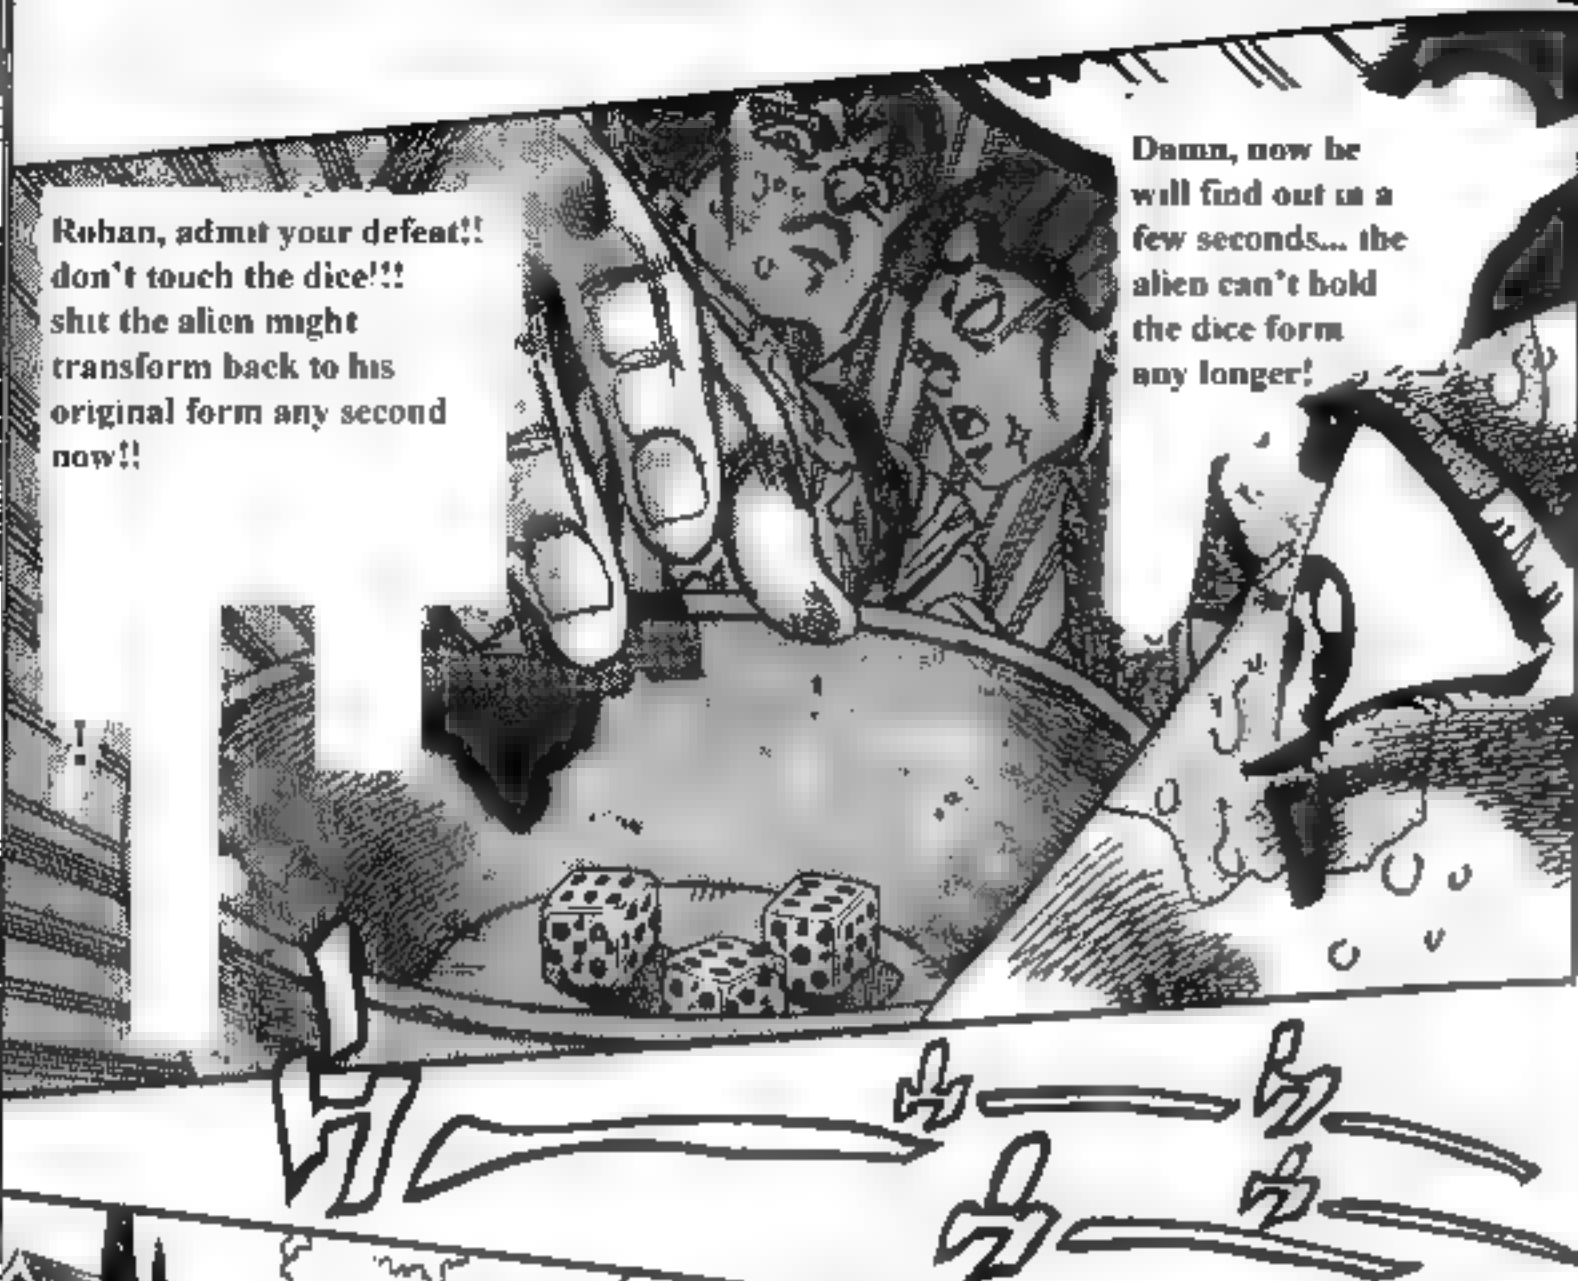

GIVE  
ME 18!!

Rohan, admit your defeat!!  
don't touch the dice!!!  
shut the alien might  
transform back to his  
original form any second  
now!!

Damn, now he  
will find out in a  
few seconds... the  
alien can't hold  
the dice form  
any longer!

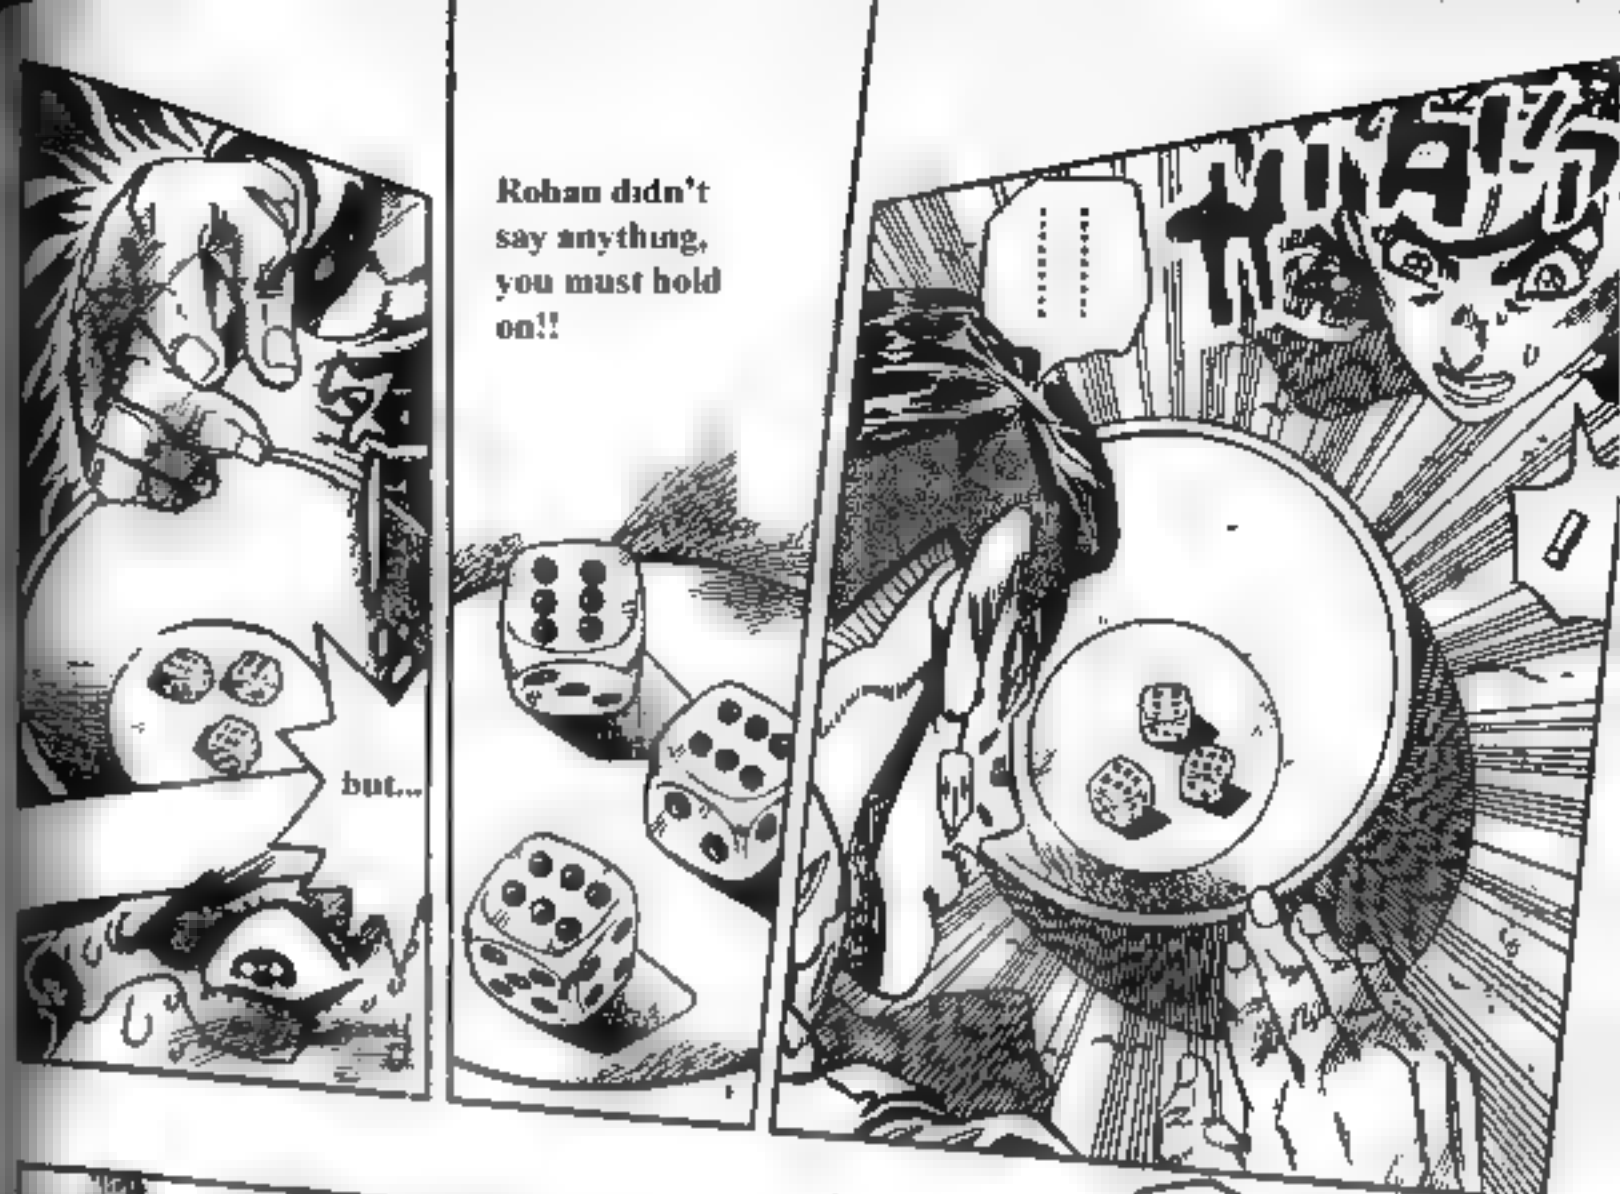

Mr. Rohan,  
did you notice  
anything wrong?

or did you  
not?

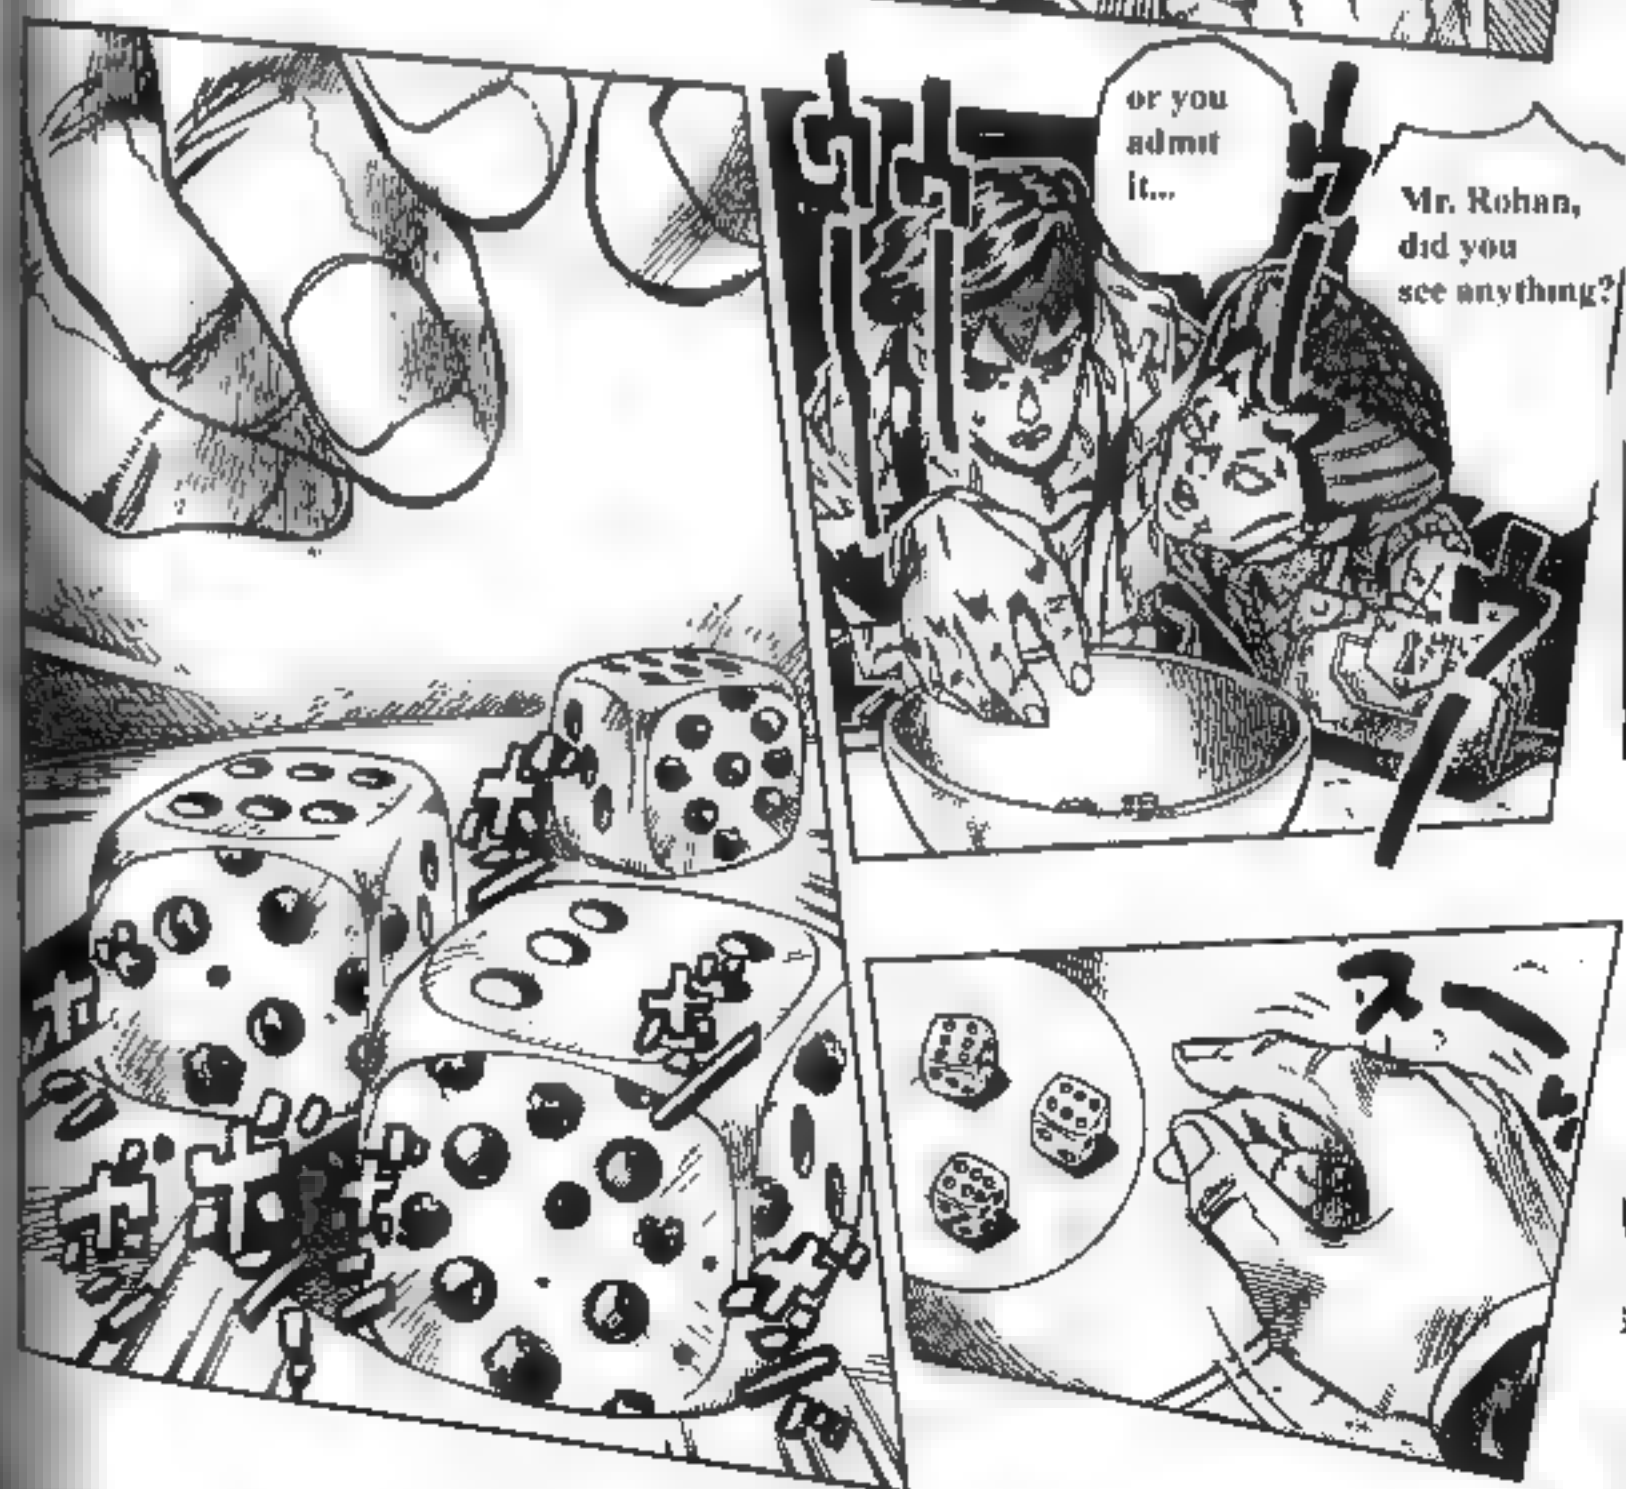

Rohan didn't  
say anything,  
you must hold  
on!!

or you  
admit  
it...

Mr. Rohan,  
did you  
see anything?

MR. ROHAN,  
YOUR  
MULTI  
MILLION  
DOLLAR  
HOUSE IS ON  
FIRE!!!

AFTER ALL  
YOUR  
HOUSE IS  
ON FIRE!

caused the fire!

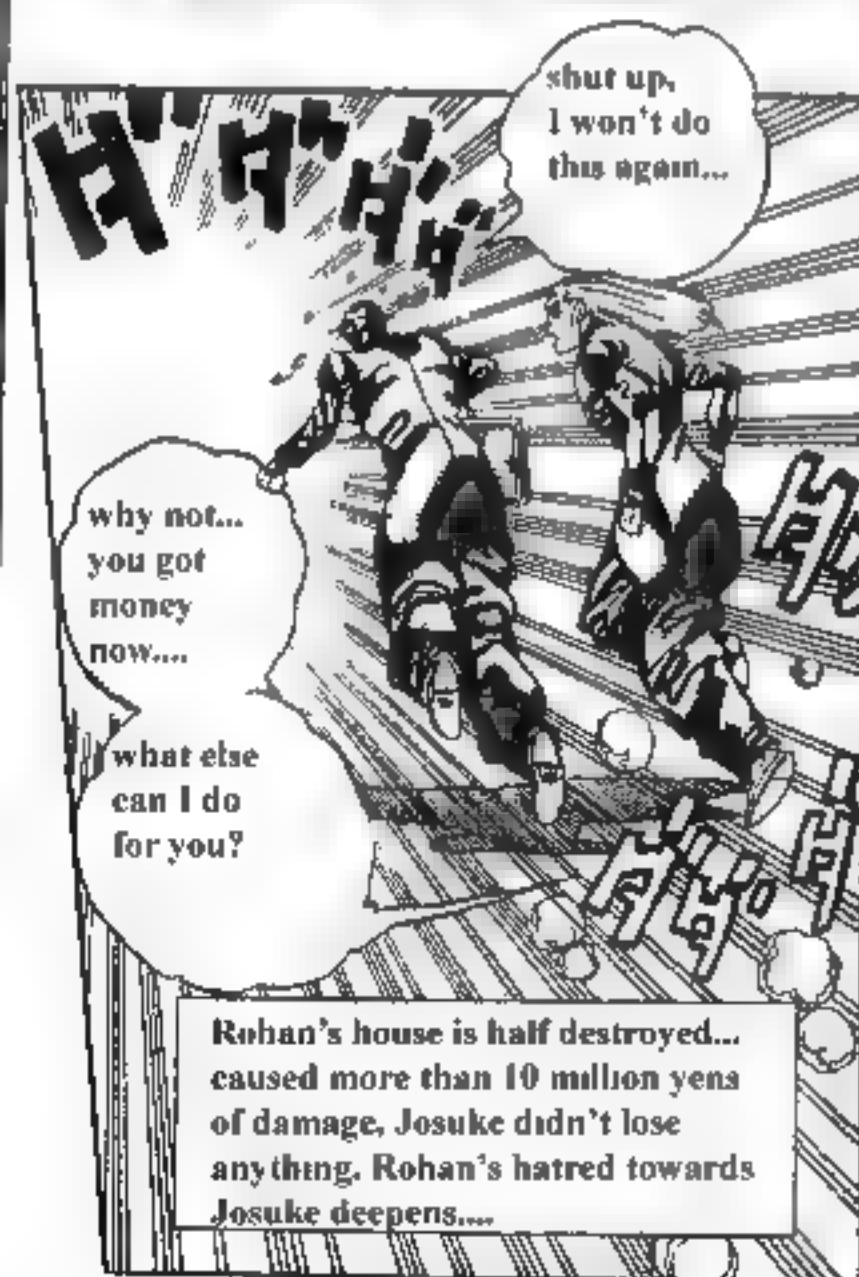

magni-

didn't  
notice...

OH!  
I KNOW NOW!

Shit!  
finally  
they found  
out...

HIGHWAY STAR

之其①

what's going on?

where did he come from?

Or did the arrow change him into a stand user when it scratched him on the neck?

He did cause hatred in Rohan Kishibe towards Josuke Higashikata. that was very nice work but...

Is he really an alien?

you look pretty sharp, you didn't buy into his crap did you?

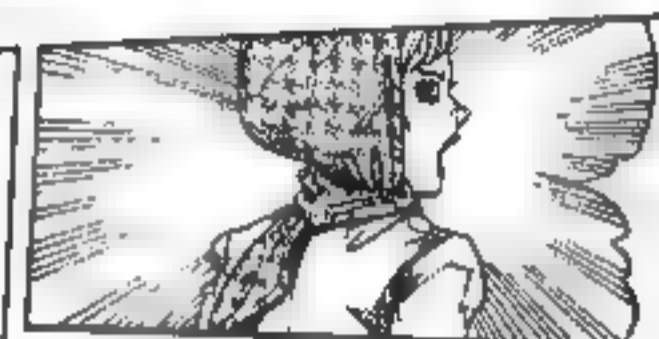

he did the same thing in Tokyo, caused quite a civil disorder...

If so... Please don't mind him.

hurry up!

see you later, I will go take care of school paperwork.

Let's go! Mikitaka

I brainwashed her, letting her believe I am her son...

I only tell you this...

call me Mikitaka from now on.

anyways! I have to  
find the next stand  
user. I must find a  
super warrior! heh...

Bl T...

To kill anyone  
who approaches  
my son!

TO BE CONTINUED

yea....

that fire...  
pretty bad eh?

yesterday

Like an ending to a movie, nobody was hurt, but not only my house, my 2.5 million worth of furnitures were also burned up... But I don't care

啊?

you mean I am not young?

bus company set these seats for everybody to sit....

SIT!

No... thanks...

I am still young, so I will stand

.....

why don't you sit down...?

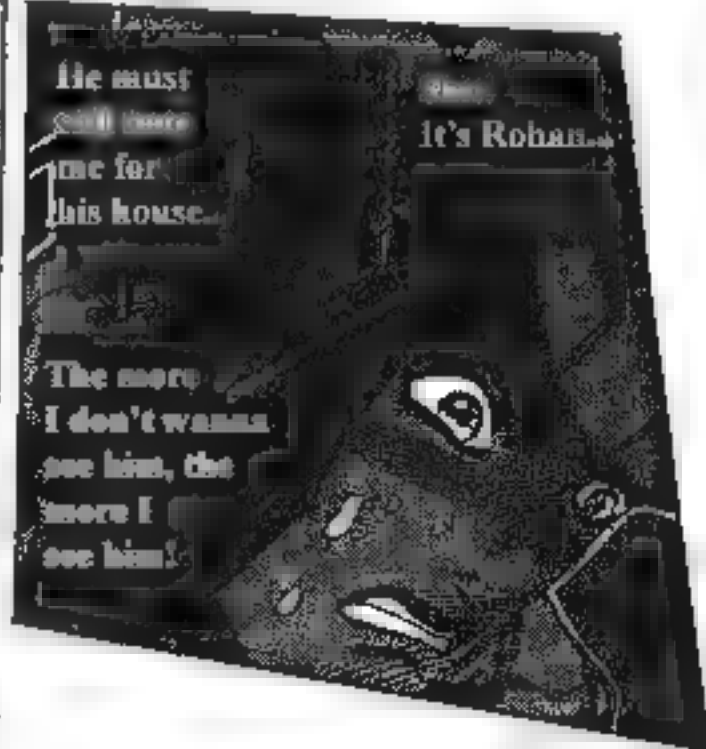

there's a seat here...

didn't even say hello to me... I am at least your senior...

Josuke...

why did you turn your head the other way?

He must still there for me for this house...

It's Rohan...

The more I don't wanna see him, the more I see him!

I can't take  
this anymore.  
even dare to  
grab my clothes.  
I don't owe you  
anything Rohan  
Kishibe!

!!!

that was...

there is  
a door...

Josuke,  
have you  
seen that?

in the wall

嗯  
?

What?

THE HOUSE IN  
THE TUNNEL,  
THERE MUST BE  
SOMEONE IN  
THERE!

AND  
A WINDOW!

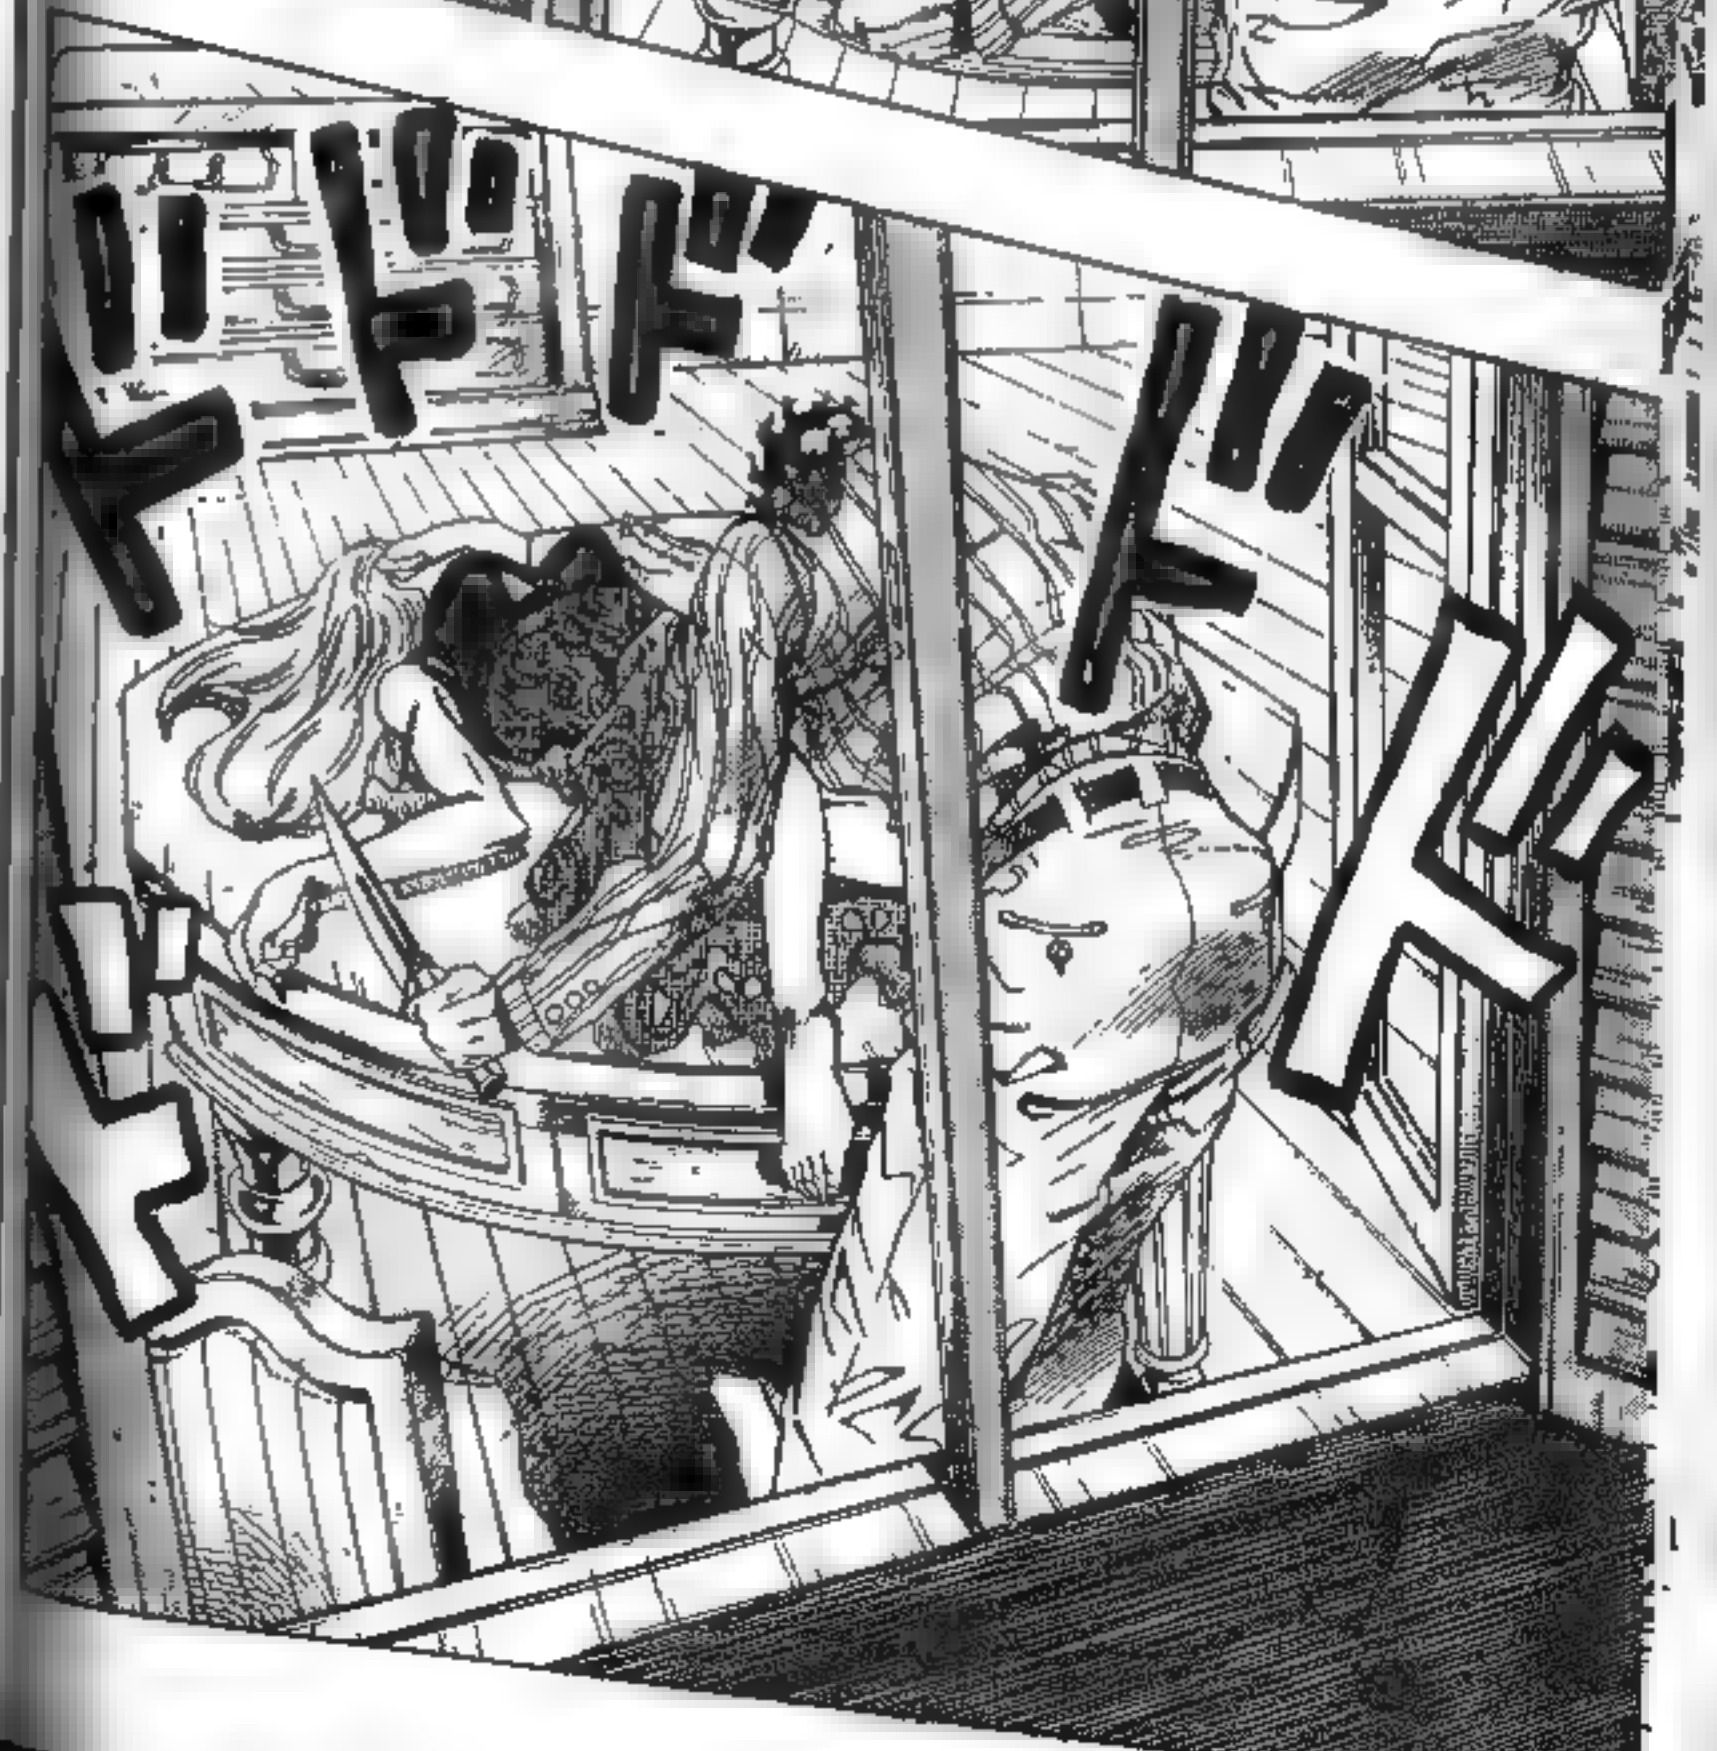

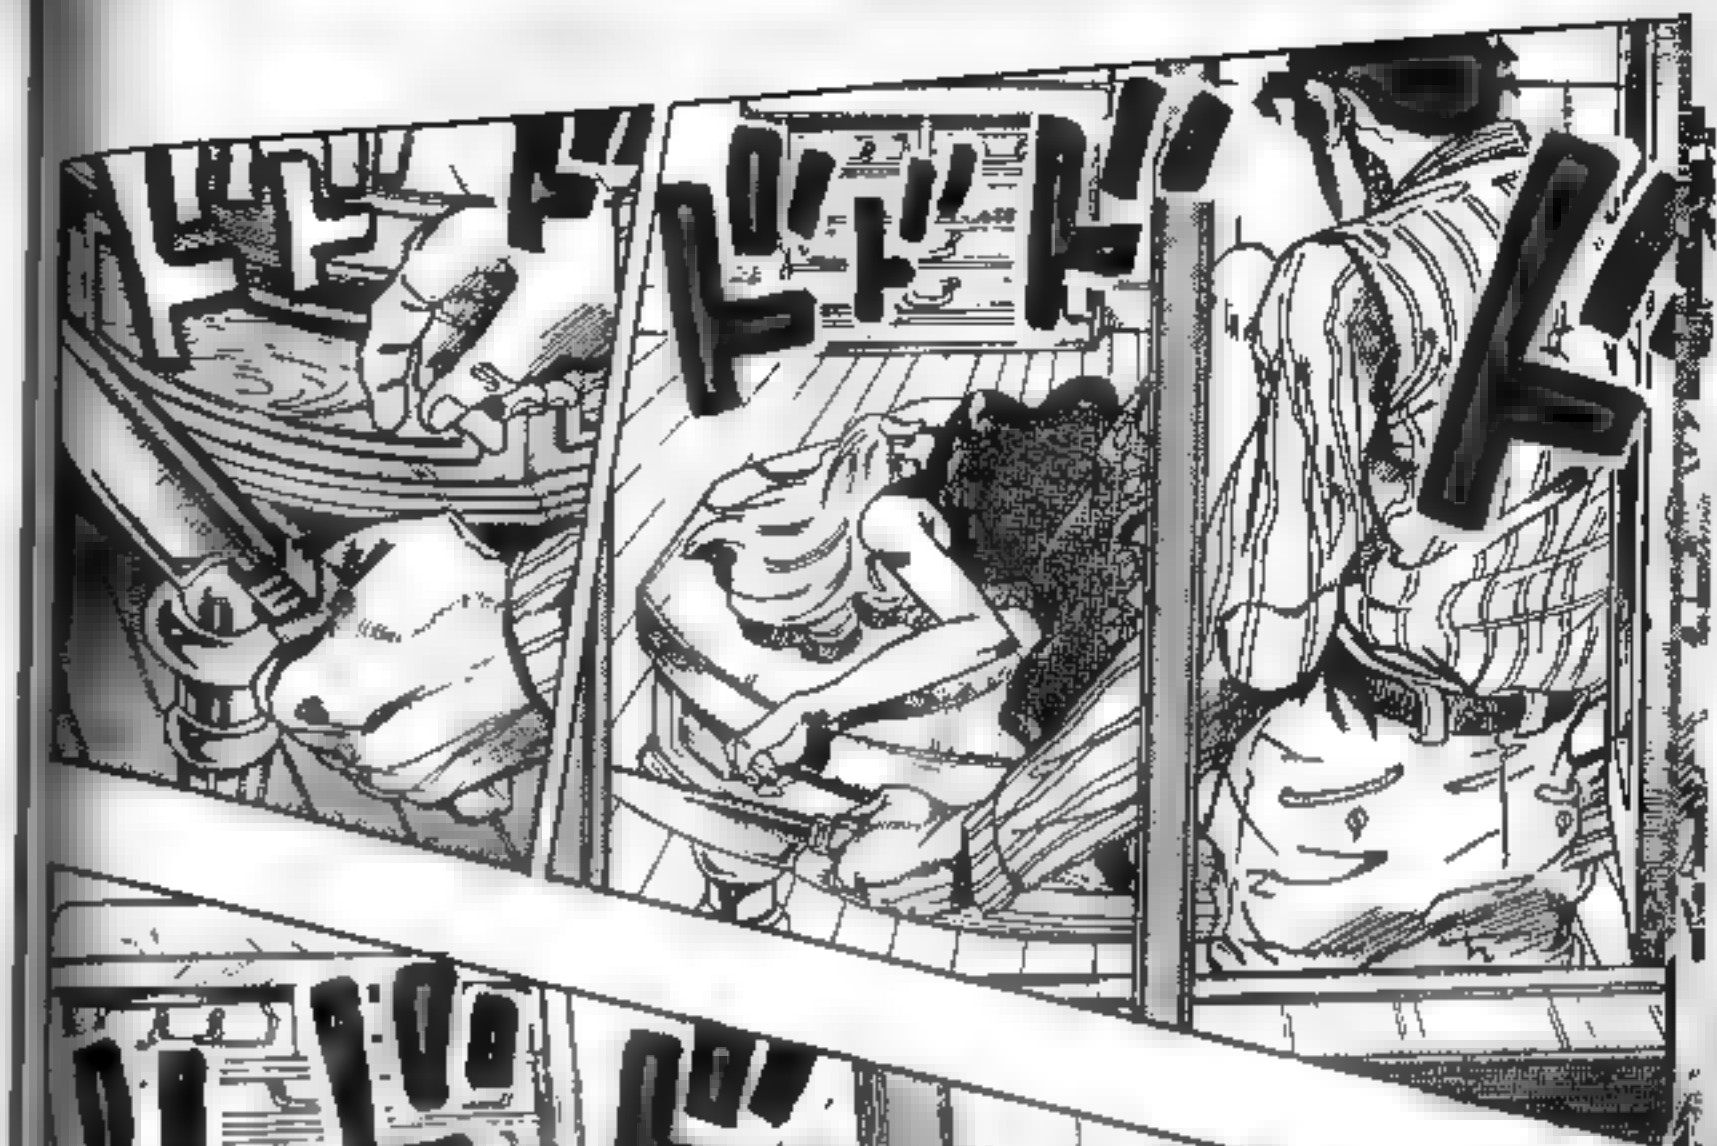

A WOMEN  
LYING ON  
THE TABLE...  
CAN'T SEE  
THE FACES  
OF THE  
TWO

WHAT'S THAT  
GUY DOING  
WITH A KNIFE?!

in the tunnel,  
I really saw  
someone's  
house.

Looks like  
I am the  
only one  
who saw  
that...

nobody  
else...  
saw  
that?

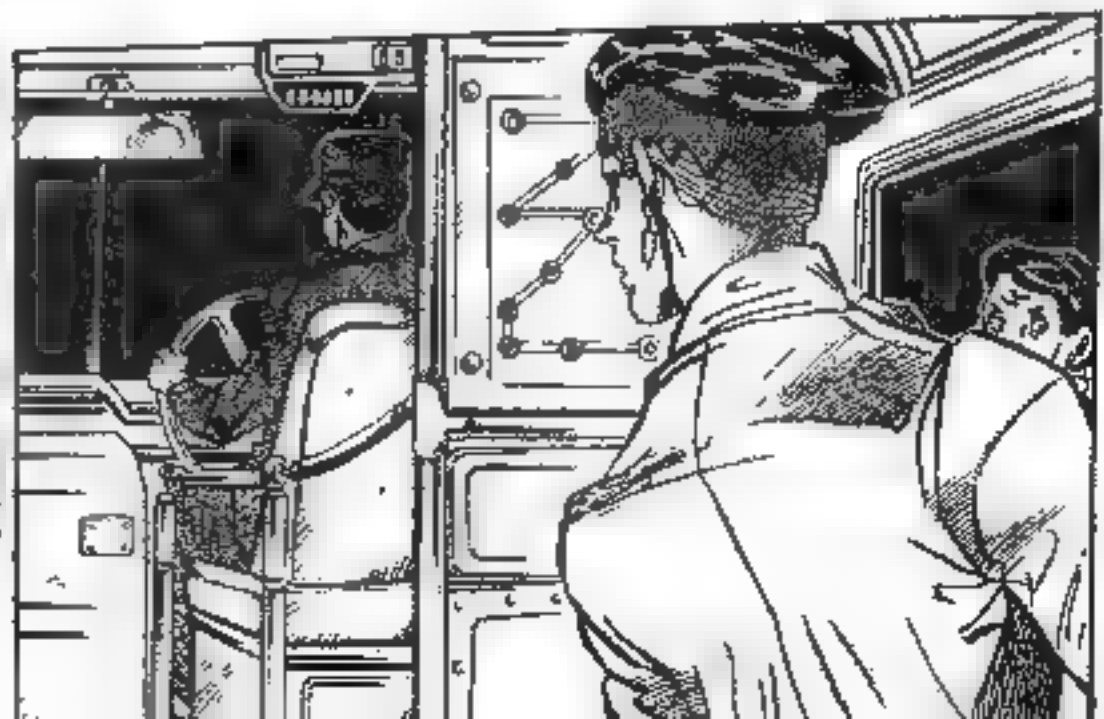

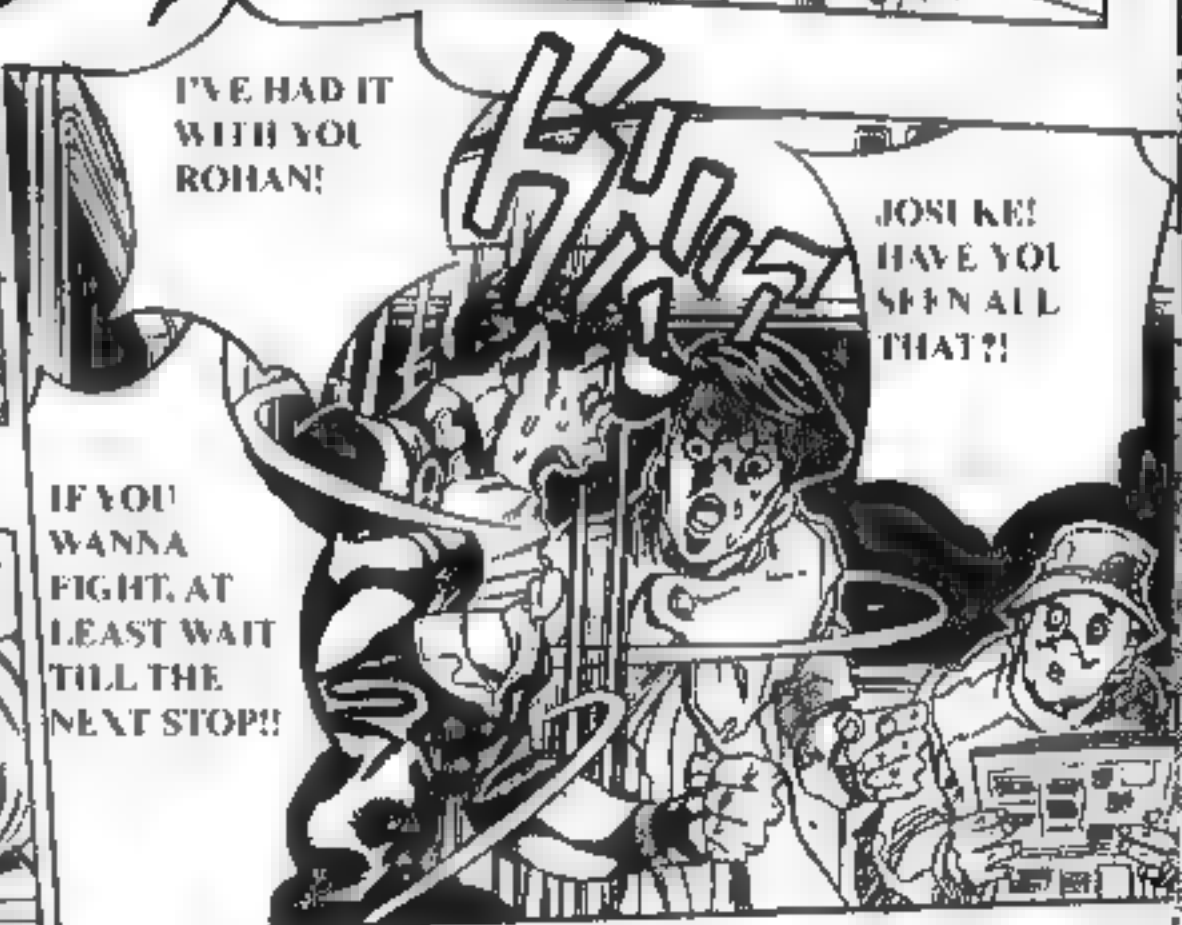

The guy with  
the knife... who  
is he... is he the  
new stand user?!  
why did he cut  
off that woman's  
right hand???  
could he be....  
Yoshikage Kira...?

I'VE HAD IT  
WITH YOU  
ROHAN!

IF YOU  
WANNA  
FIGHT, AT  
LEAST WAIT  
TILL THE  
NEXT STOP!!

Josuke Higashikata,  
you don't believe  
what I told you.

I won't buy into  
this crap, you want  
to use this kind of  
boring, low trick  
to seek vengeance  
on me right?

you said  
there is a room  
in the tunnel.

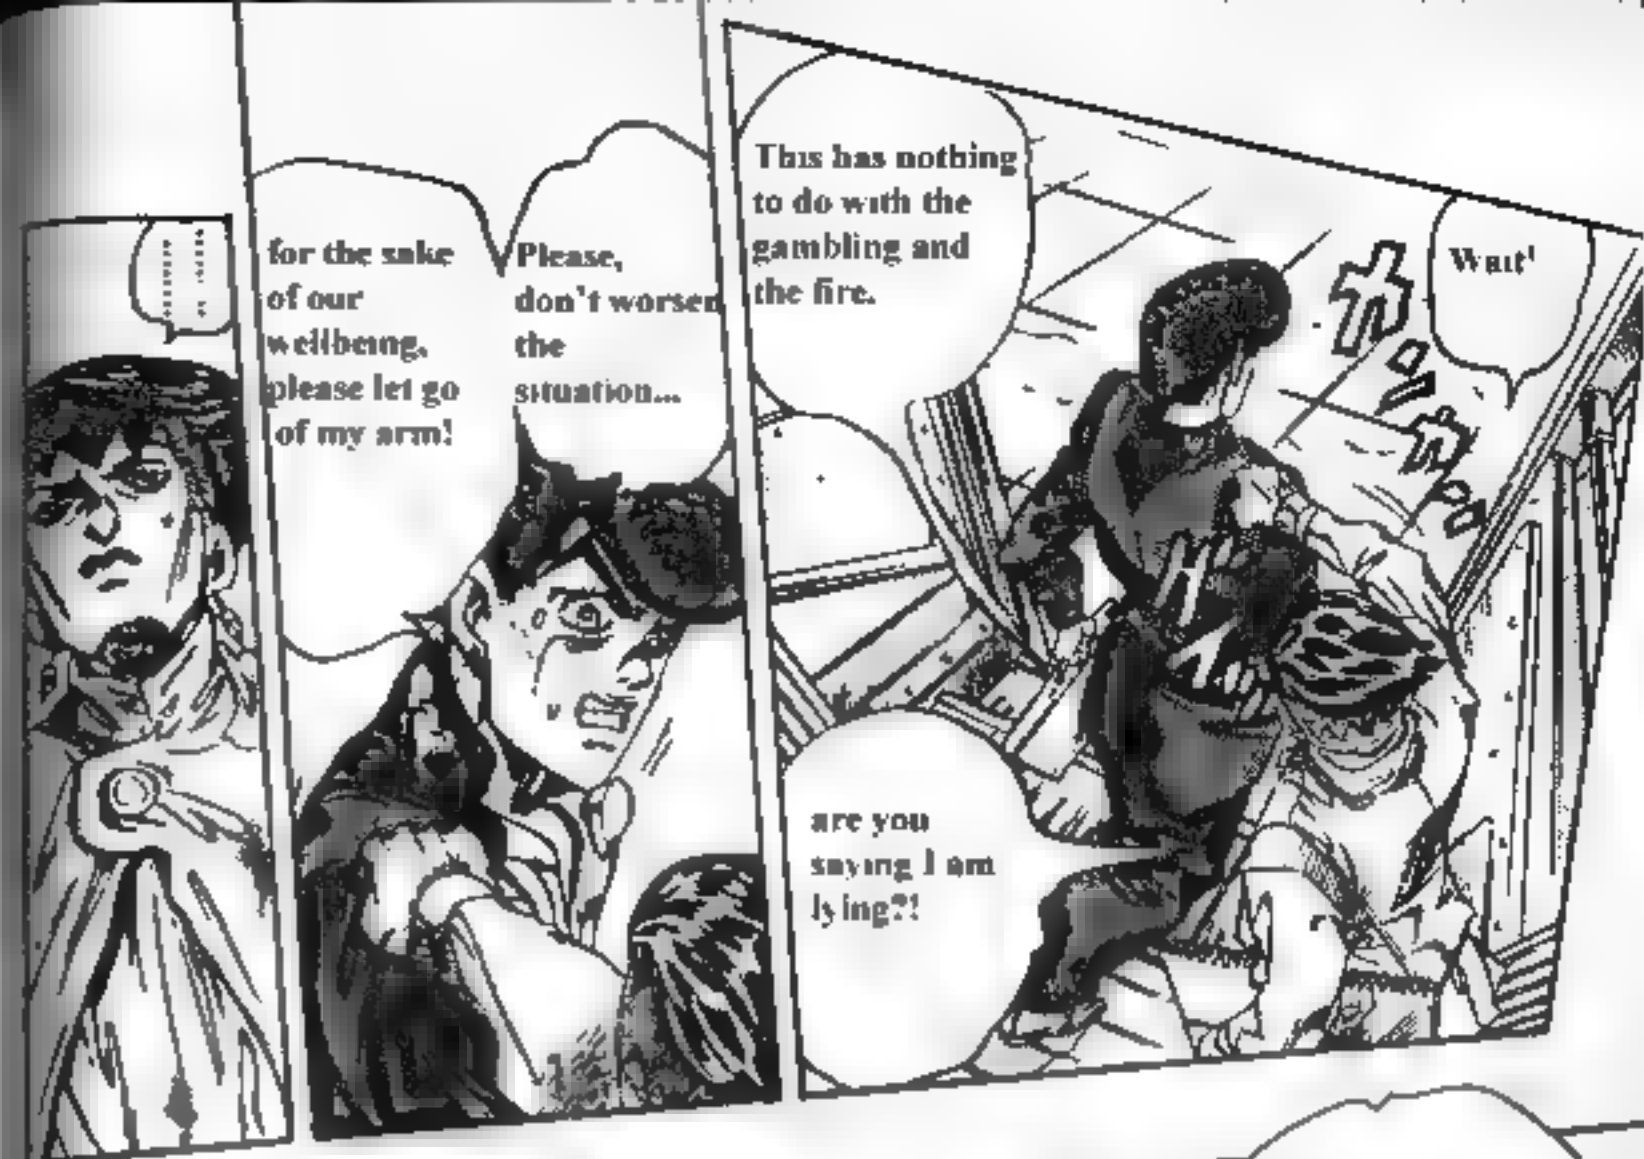

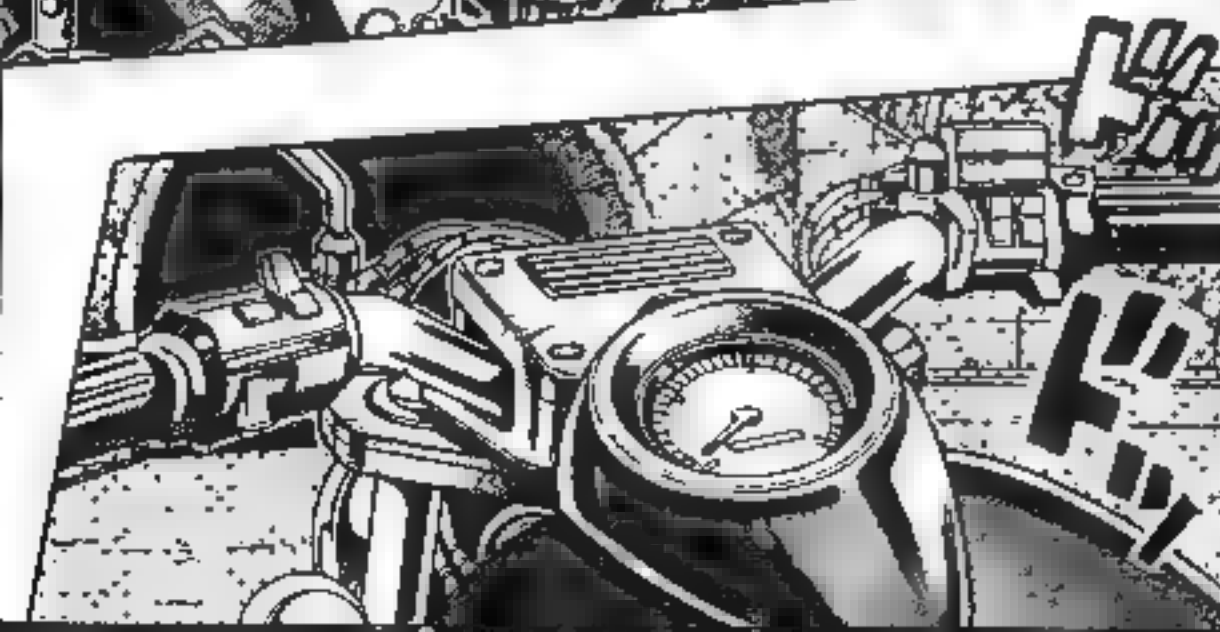

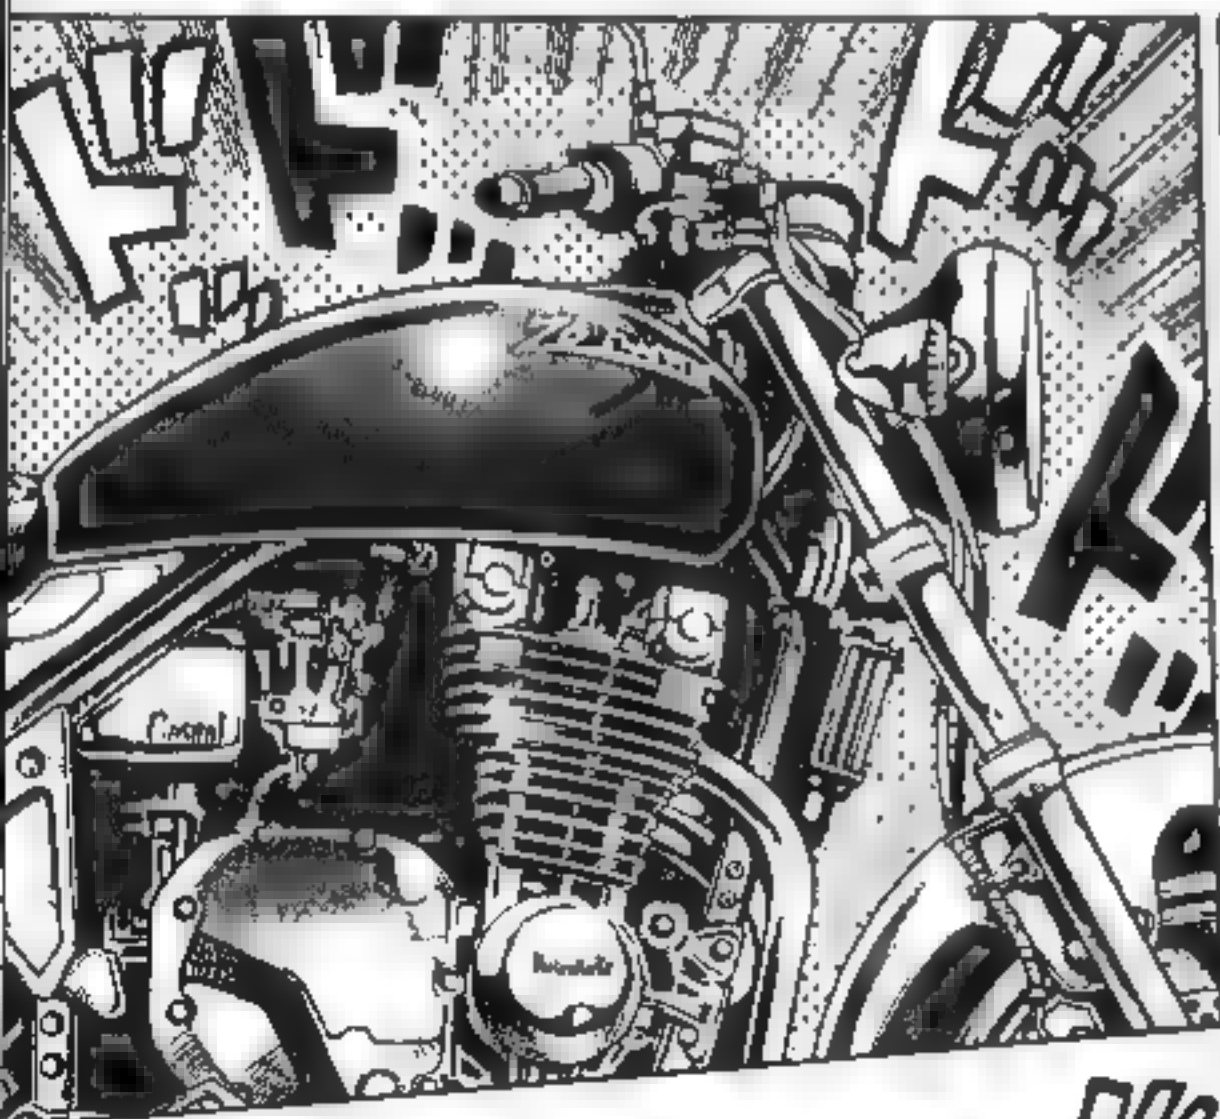

your expensive  
house caught on  
fire yesterday, but  
I didn't do anything.  
It was your own  
fault, so please quit  
harassing me!

# 高速之星

之其②

The tunnel is 450 meters in length, because there are turnings inside, so the exit is not visible.

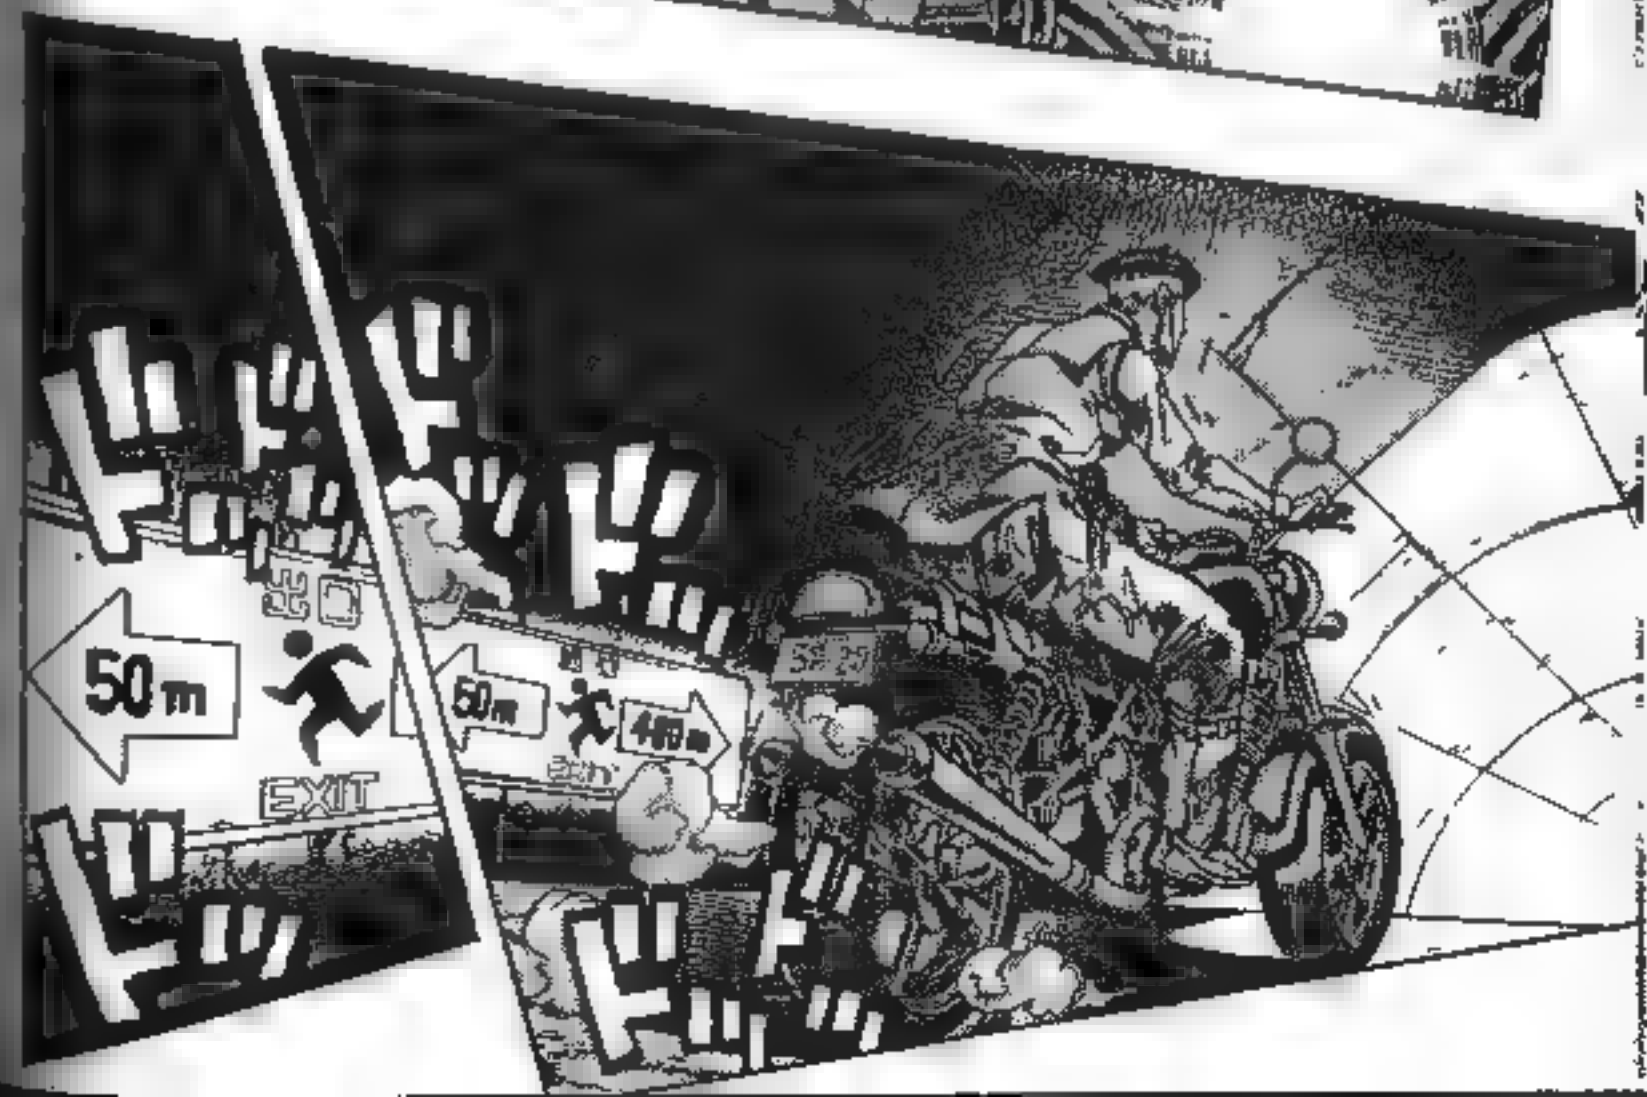

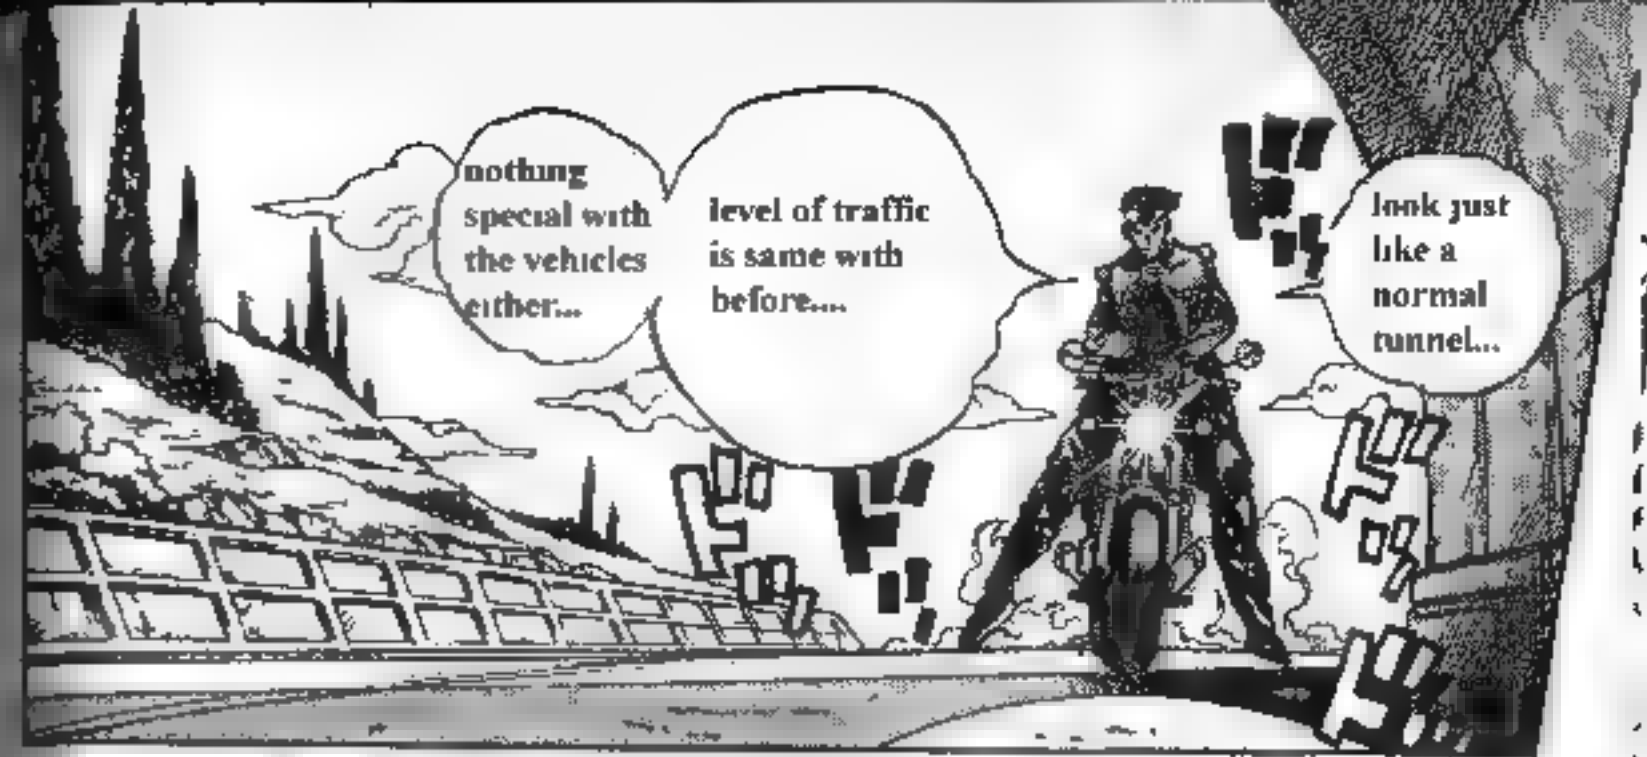

is it my illusion?  
no I really  
saw it

I have to be  
really careful now.  
If that room is  
really illusion  
caused by  
a hostile  
stand user...  
then it  
must be  
a trap. the  
enemy is  
mostly likely  
prepared for  
an attack.

富家五年 完成

A ROOM!

this is...

There is  
nothing.

啊!

how did it?

not even a hole in  
the wall, then what  
did I see on the bus?

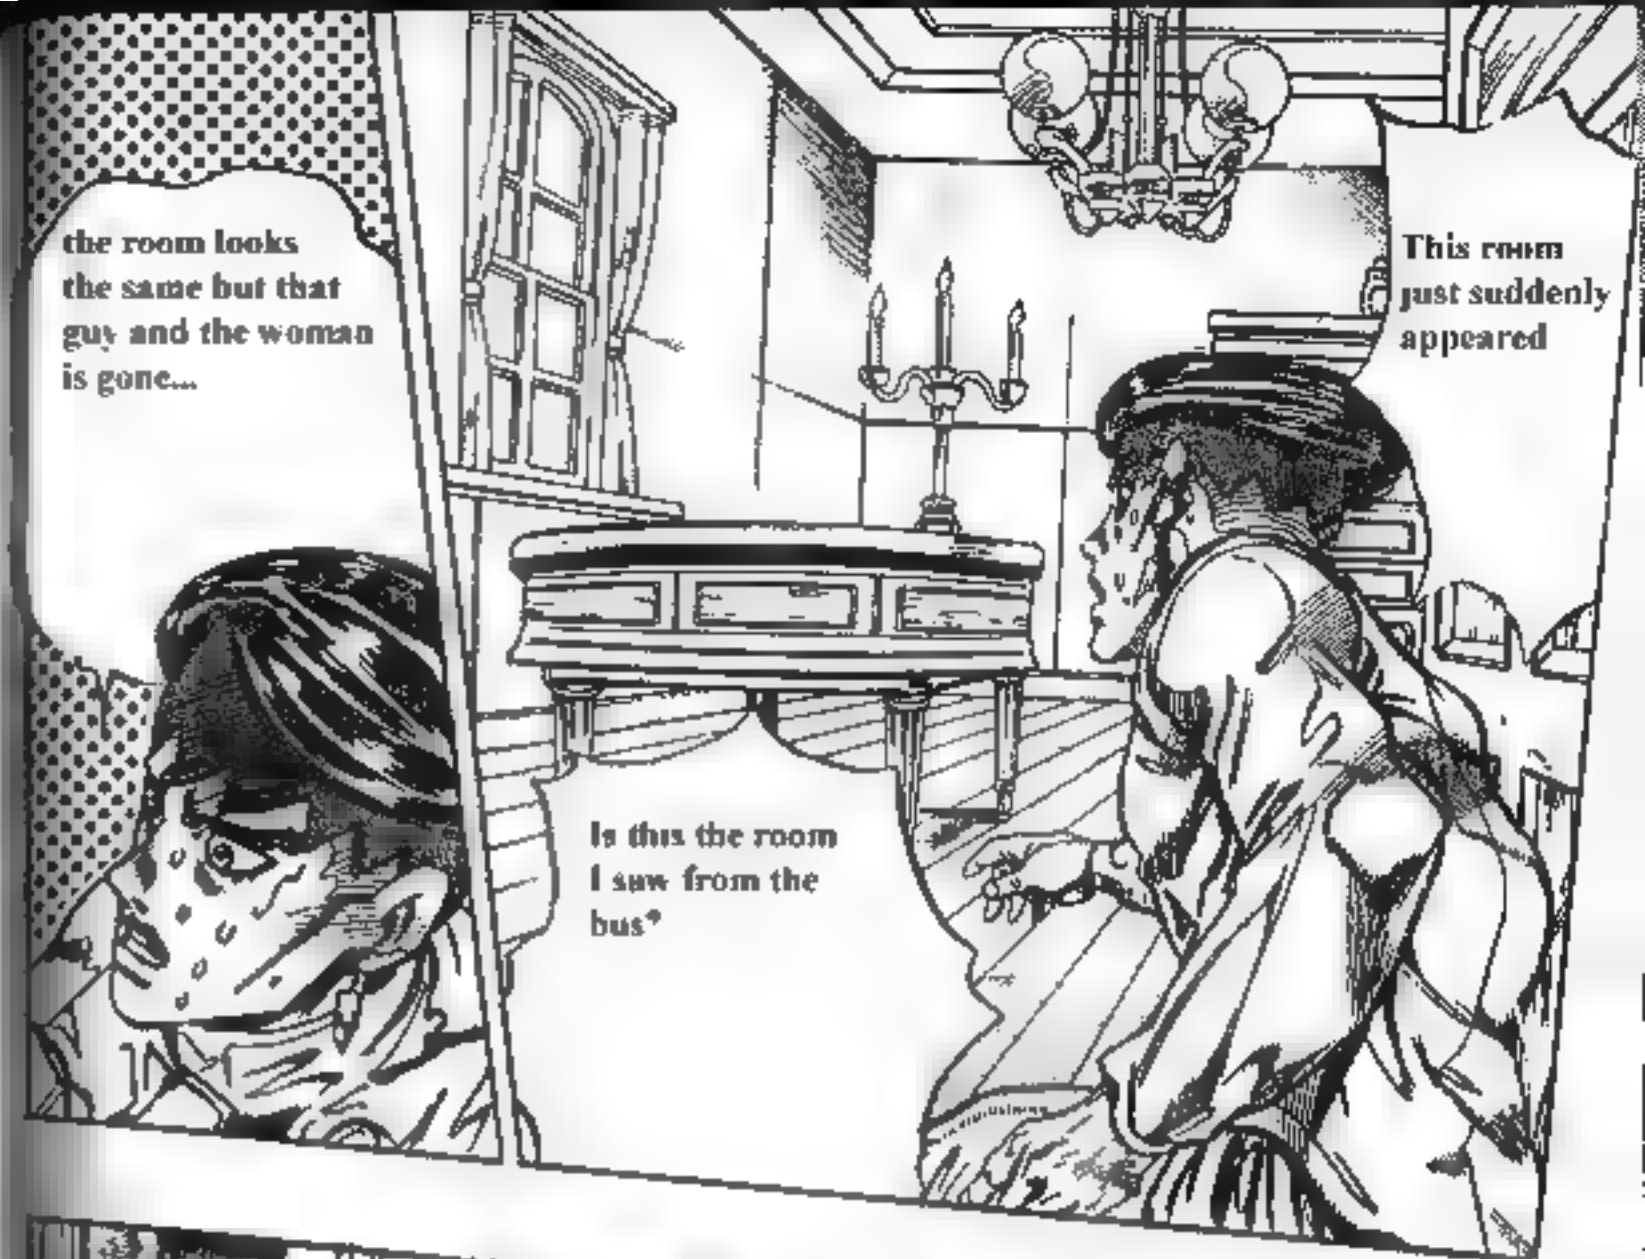

no windows  
nor doors.

absolutely  
nothing.

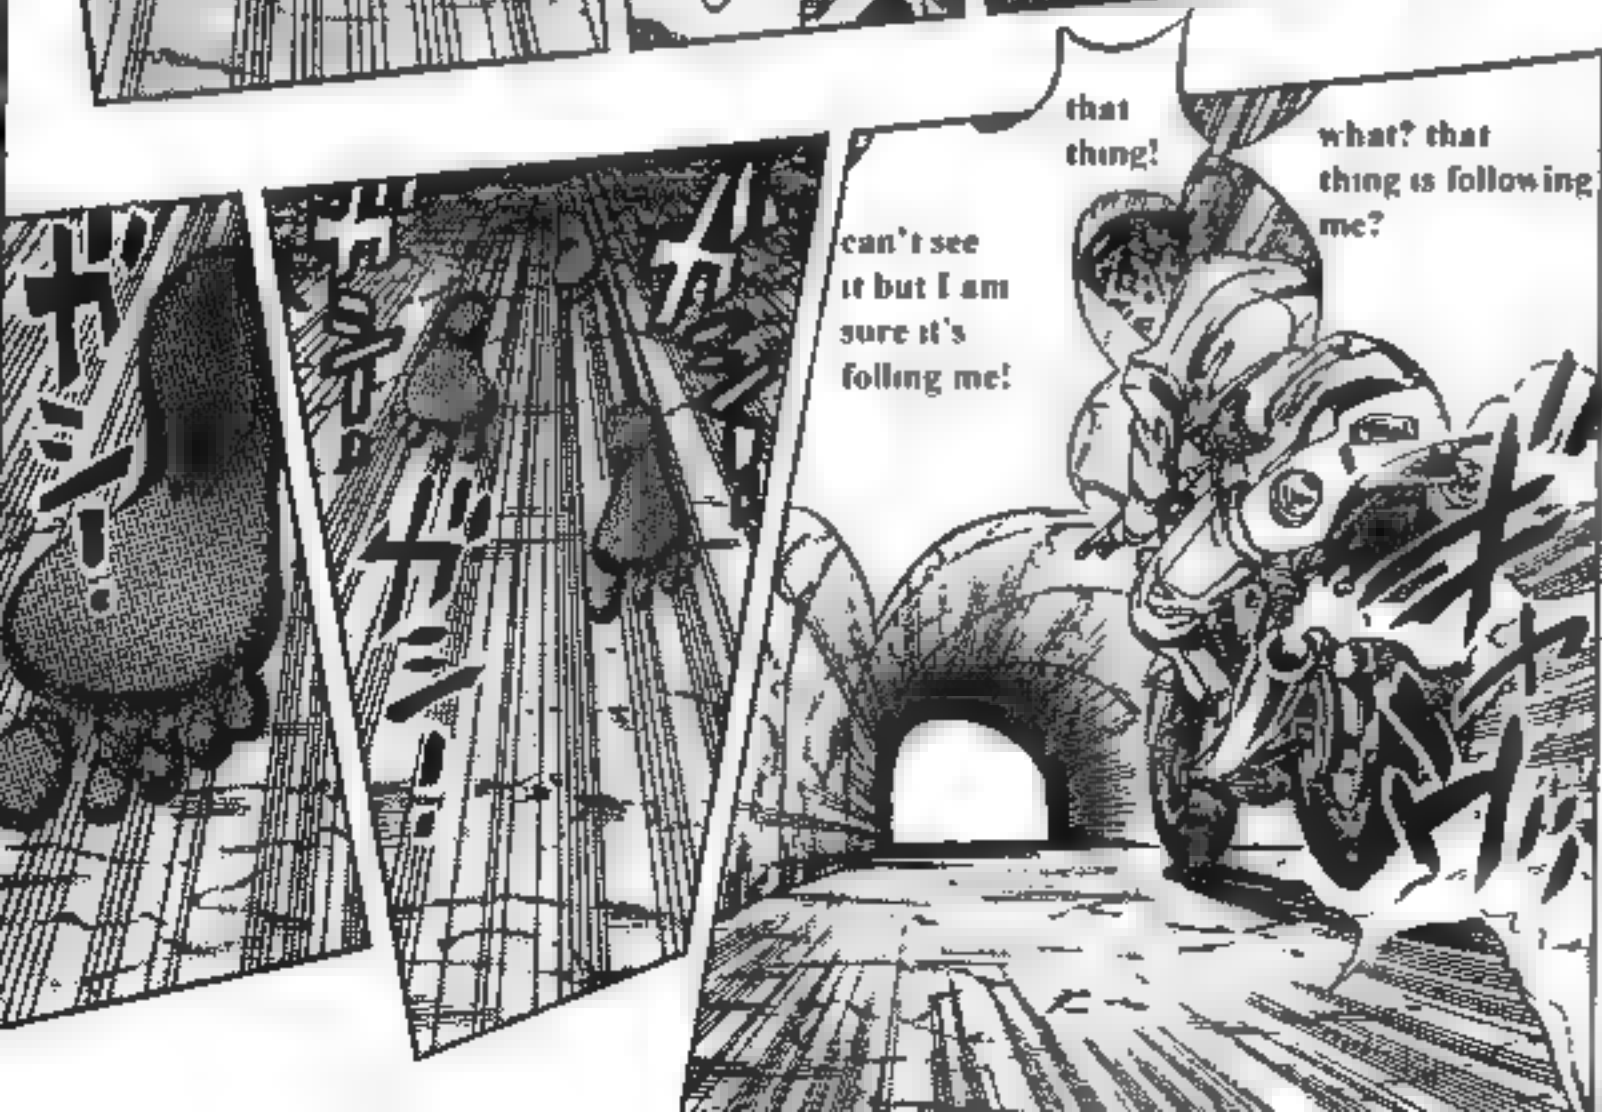

is that really  
my illusion?

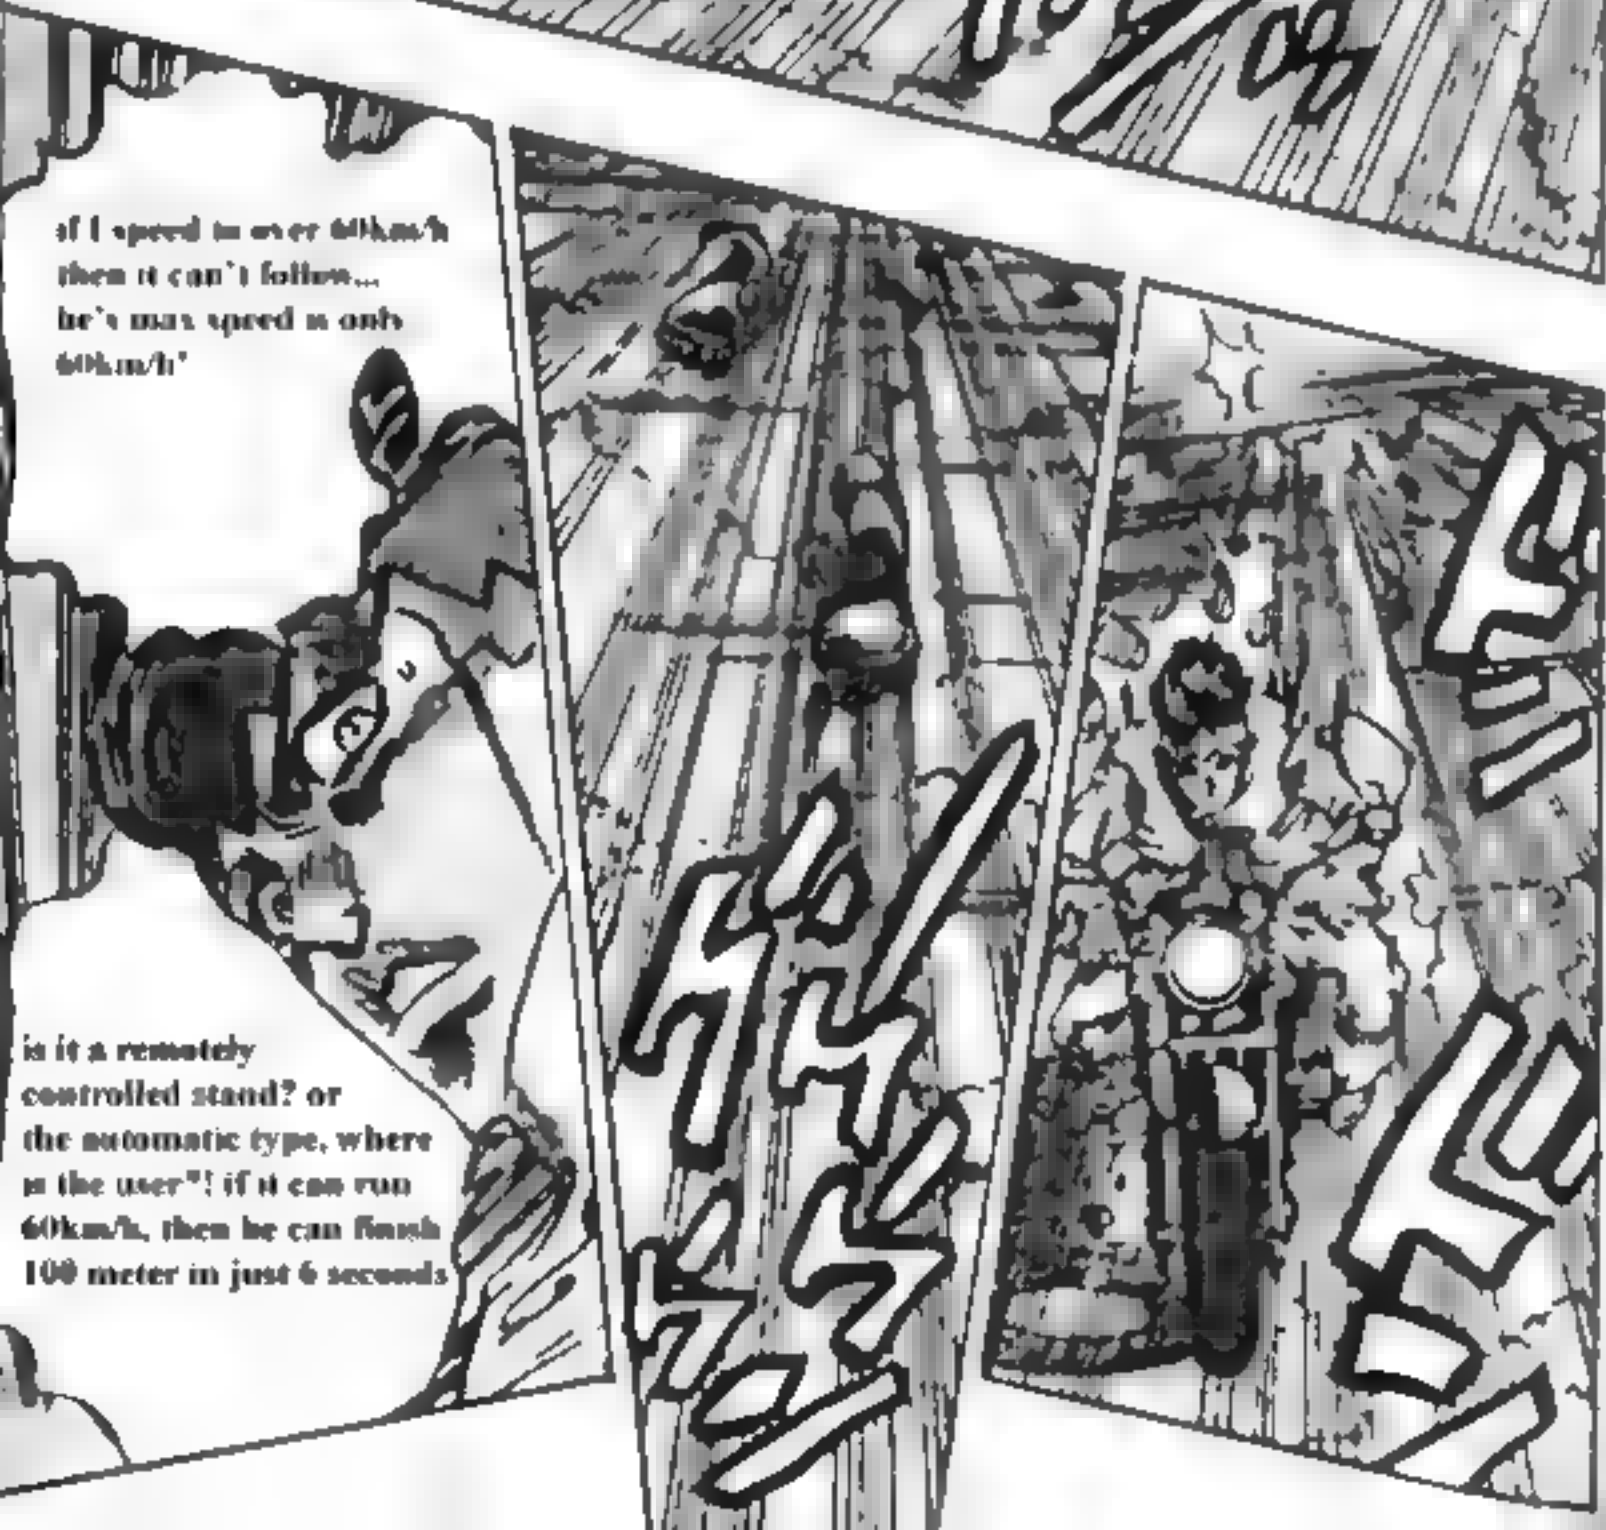

speed,  
60 km/h

if I speed in over 60km/h  
then it can't follow...  
he's max speed is only  
60km/h

is it a remotely  
controlled stand? or  
the automatic type, where  
is the user? if it can run  
60km/h, then he can finish  
100 meter in just 6 seconds

WHAT THE HELL  
ARE THESE! FOOT  
FOOTPRINTS!  
ENEMY STAND!

shut!

all over  
me

Heaven's  
Gate, turn  
it into  
a book and  
control  
it!

嗯?  
?

I was only trying to  
avoid the incoming  
traffic, it took that  
chance and caught  
up!

Damn! he  
caught up  
to me!

absorbing my  
powers!

Fuck!

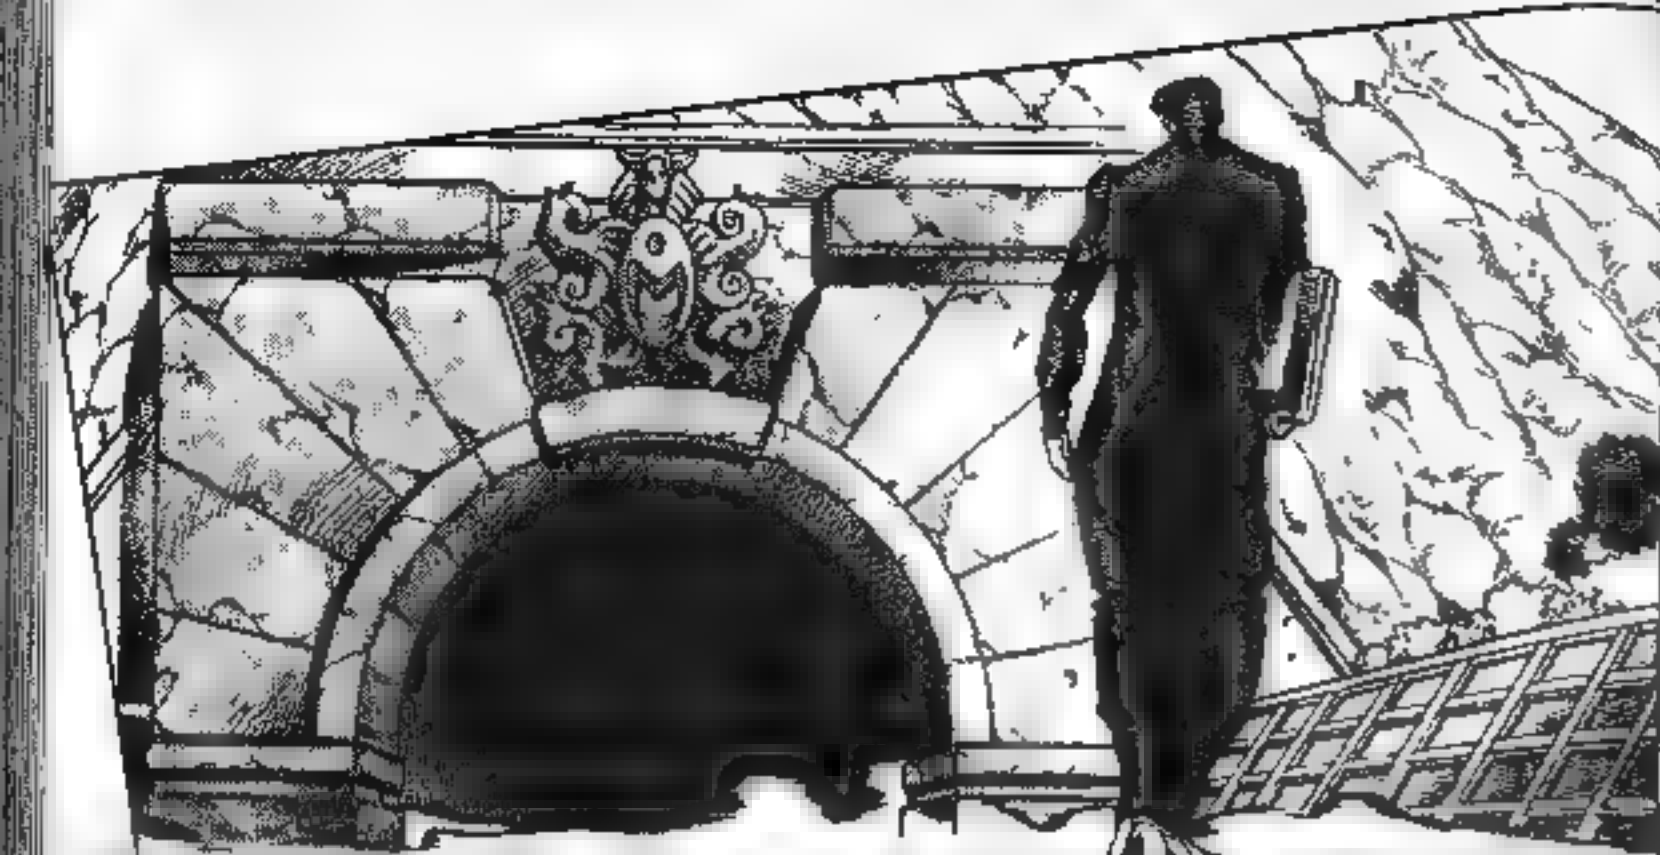

slipped  
into my  
body!

唔!

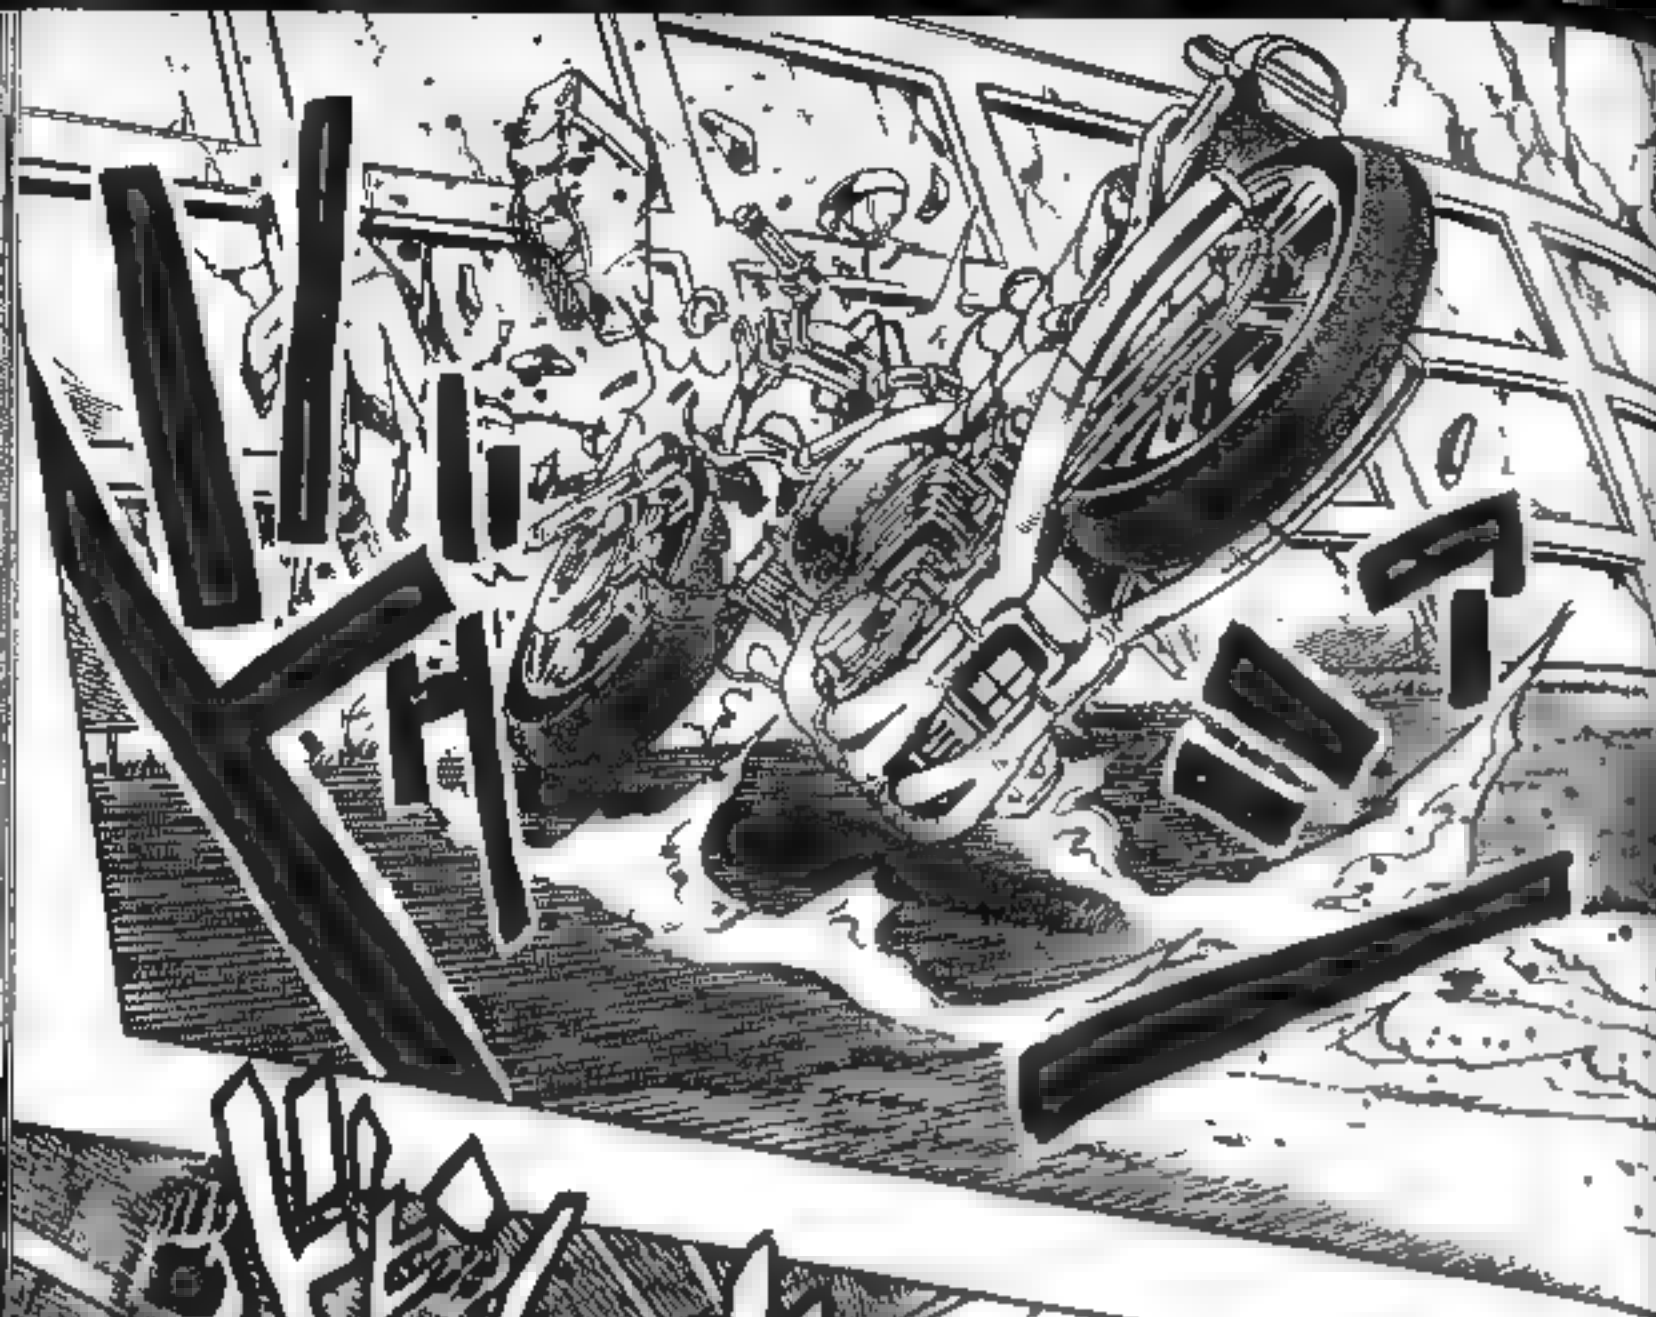

he forced me....  
he called me a  
untruthful  
duper...

I said I never  
wanted to  
see Rohan  
ever again....  
but...

哇！

why only  
the ride?

This is  
Rohan's  
motorcycle!

is it....

sh...  
shu'

CAN'T MOVE!  
THIS GUY  
ABSORBED ALL  
MY POWER!

no  
weaknesses

no...

Heaven's  
Gate!

give me  
all of your  
nutrition.

give me  
nutrition

唔!

hey  
Rohan!  
are you  
in there?!

ROHAN!

losing more  
and more power,  
can't resist...

no power  
left, can't  
read any more

his  
weakness

once he picked up  
the scent of his victim  
it will never give up  
chasing him till he  
absorbs all of  
its victim's power...  
if you get caught, his  
weakness is...

stand name  
Highway Star,  
set the room

THIS  
THIS

ROHAN!!

Rohan!  
answer me!  
where are  
you Rohan!!

hey!

flew outta the

something must  
have happened  
to Rohan

eyes haven't

can't see  
anything.

Josuke...

your  
friend

you come  
back...

is there  
someone  
in there?  
enemy?

What's wrong  
with this  
room?!

Look, he's  
getting  
suspicious,  
not coming  
in...

hurry!

aren't you  
very good  
friends? call him  
in, then you  
can go.

you don't  
wanna die  
do you?

give him  
to you...

if I lure  
him in...

is your  
name?

Rohan...

call  
to  
him.

listen  
Rohan...

say  
help!

I will  
let you  
live.

You should have  
enough nutrition left  
in your body, if you  
lure him in this room.  
I will let you go...  
alive...

say  
"help"

what  
is this  
room?

are you  
alright?

Hey  
Rohan...

yes, this is our deal,  
use his nutrition  
to trade your life.  
hurry and call for  
help!

are willing  
to let me go?

you...

You have to lure  
him into this  
room and let me  
suck his nutrition and  
power.

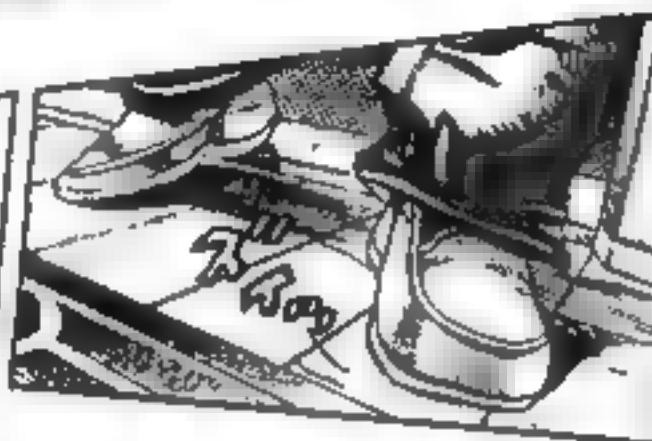

SHIT!

.....

Why should I escape?  
let me take care of that  
covert bastard, where is  
he hiding huh?

You want me  
to escape?  
what are you  
talking about?

is saying NO  
to people who  
consider  
themselves  
extremely  
good

what I like  
to do the most..

WHAT?!

I  
refuse!

IF YOU STEP  
INTO THIS ROOM  
YOU WILL BE  
KILLED!!  
NO DOUBT!!

JOSU KE!  
HURRY UP  
AND GET OUTTA  
HERE!!

HE HAS ALREADY GOTTEN  
YOUR SCENT! YOU CAN'T  
ESCAPE NOW!

I've already told  
you it's dangerous  
inside, why do you have  
to come in! you just  
have to piss me off  
with anything you  
do...

That's why  
I don't like  
you...

why do  
you have to  
do this?

you...

哇哇哇！

slipped into  
my body...

Heaven's  
Gate!

fly backward  
with 70km/h  
speed!

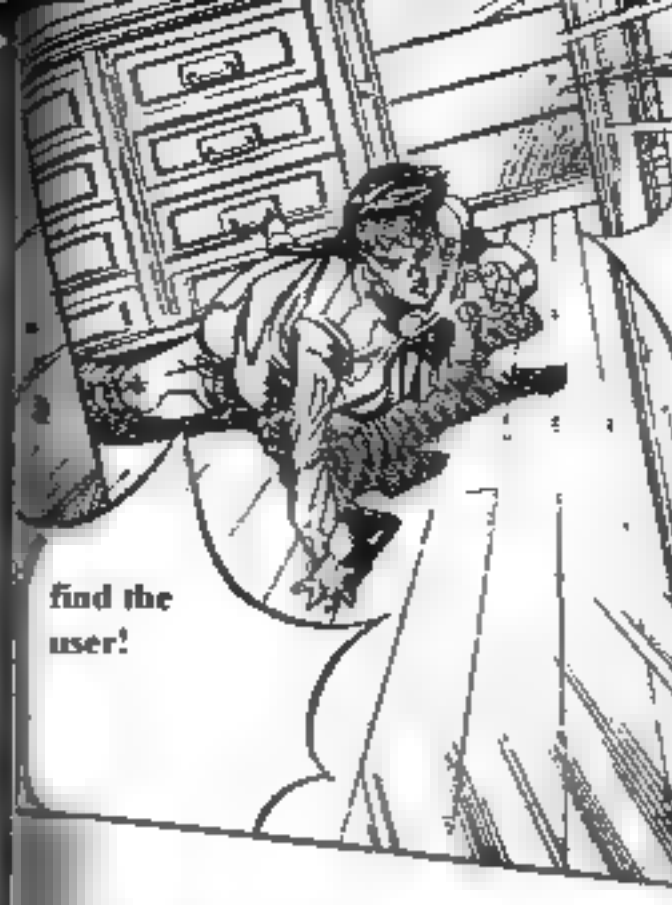

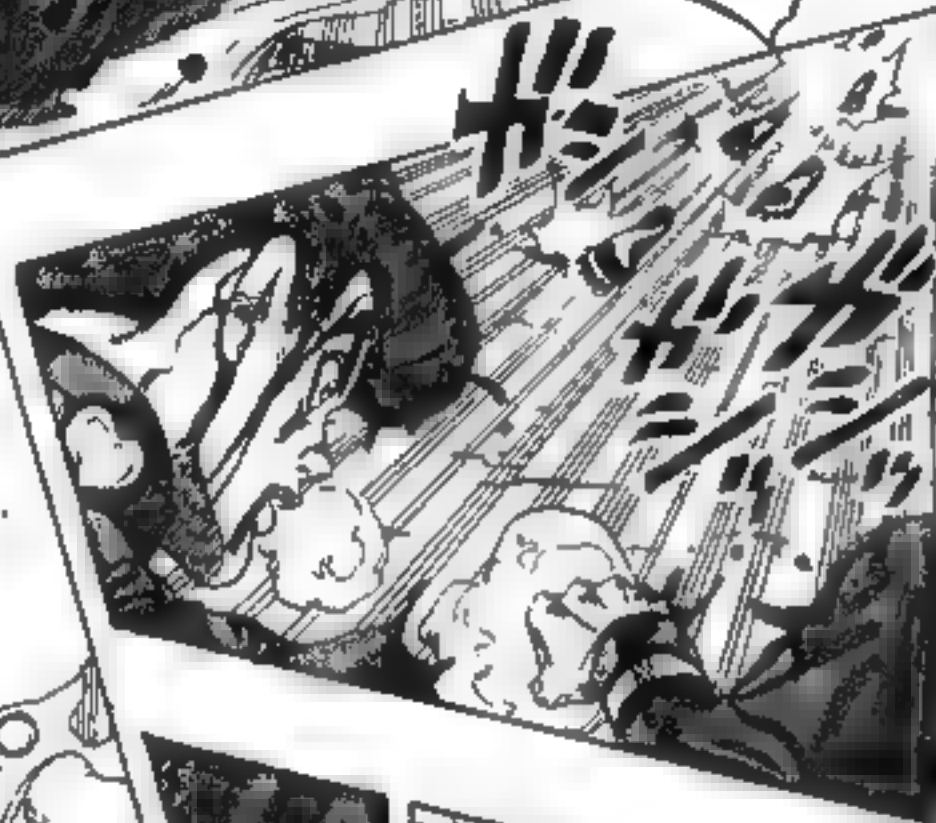

ROHAN!!

is it possible?

Rohan Kishibe saved me....

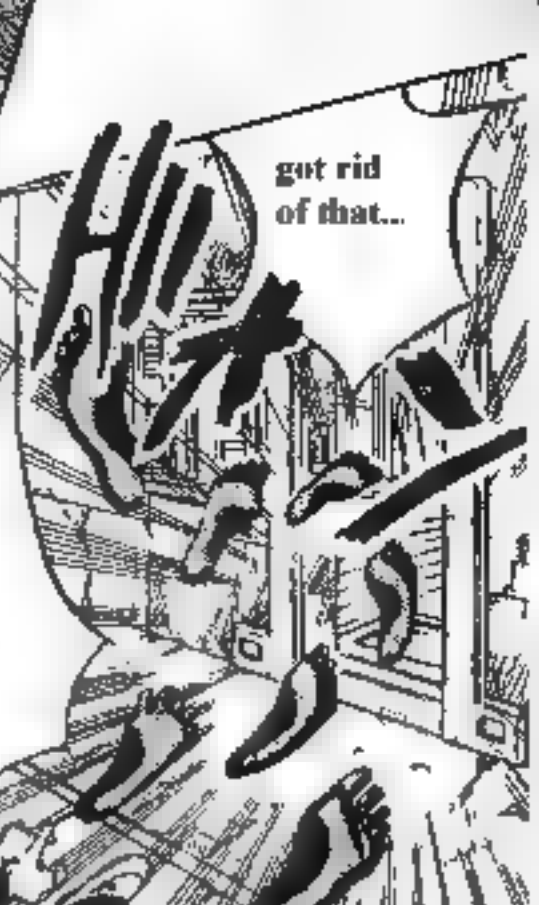

even though I doubt it, but I am still deeply moved...

find the user!

Josuke! this stand can chase you everywhere you go! but only at 60km/h he has no weakness so you must find his real body!

feet stand.

got rid of that...

ONLY IF YOU DEFEAT THE USER!

THAT'S THE ONLY WAY TO SAVE YOURSELF!

at 70km/h?

he can't catch me....

You talk too much...

Damn....

HIS STAND HAS  
NO WEAKNESSES,  
SO THE ONLY WAY  
TO DEFEAT HIM  
IS TO FIND THE  
REAL BODY!

I UNDERSTAND  
NOW,  
ROHAN!

# 高速之星

## 之其④

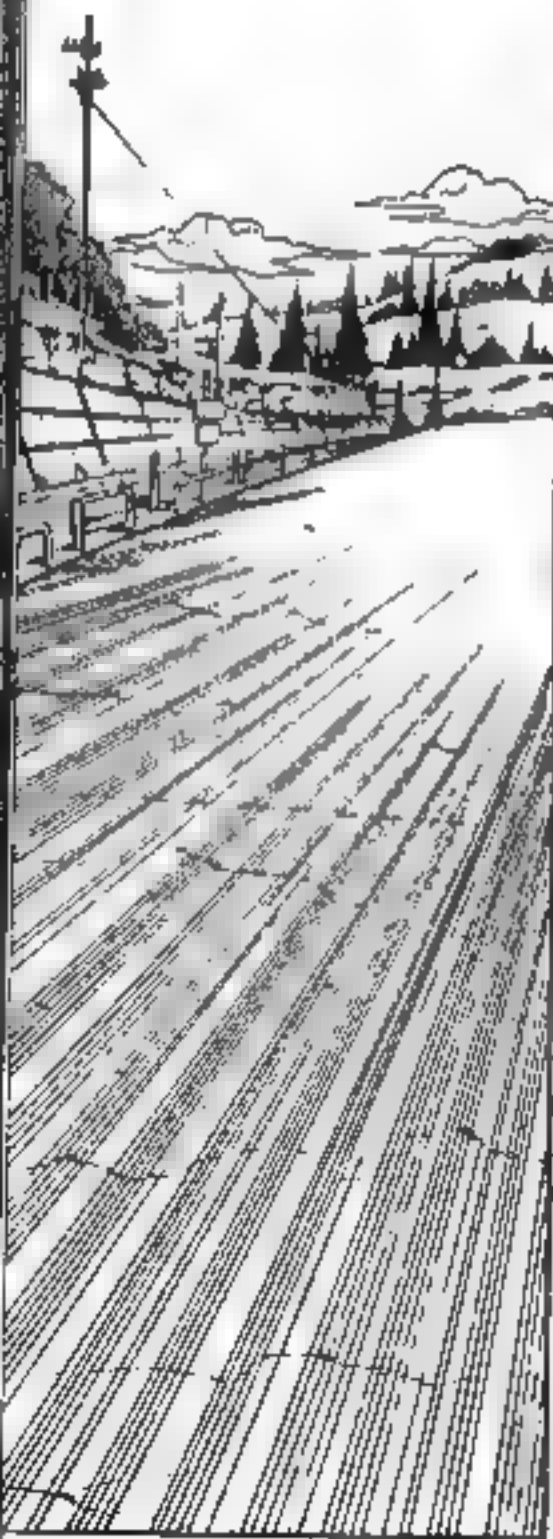

he will chase me  
to anywhere?  
if he catch me, he  
will absorb all the  
nutrition in my  
body\*

He remembered  
my scent\*

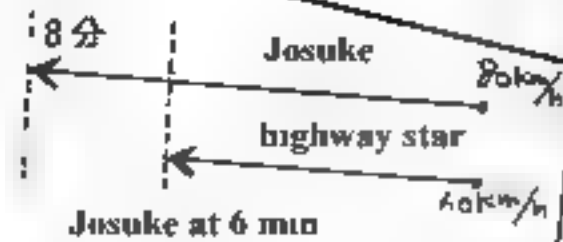

he can't go  
any faster than  
60km/h, using  
a motorcycle I  
can easily outrun  
him!

Great!

It's been 8 minutes now, so he should be where I was when it's 6 minutes...

this way I have at least 2 min maybe 3 min ahead of him

don't want to go too far away from the tunnel.

I hate math but no choice.

how far is he from me?

I am going at 80km/h, he's going at 60km/h...

MAYBE I SHOULD CALL FOR HELP!

RIGHT! CALL KOICHI SO HE CAN USE HIS ECHO ACT TO FIND THE REAL BODY!

Before Rohan gets killed, I must defeat the real body or somehow go back and save him!

This kind of stand, it's either remotely controlled or fully automatic, maybe Rohan is still alive.

1. why does he set the trap in the tunnel, isn't it easier to ambush from the side of the road?

shouldn't panic, let me think this over...

but I don't want to see him so I will find the real body...

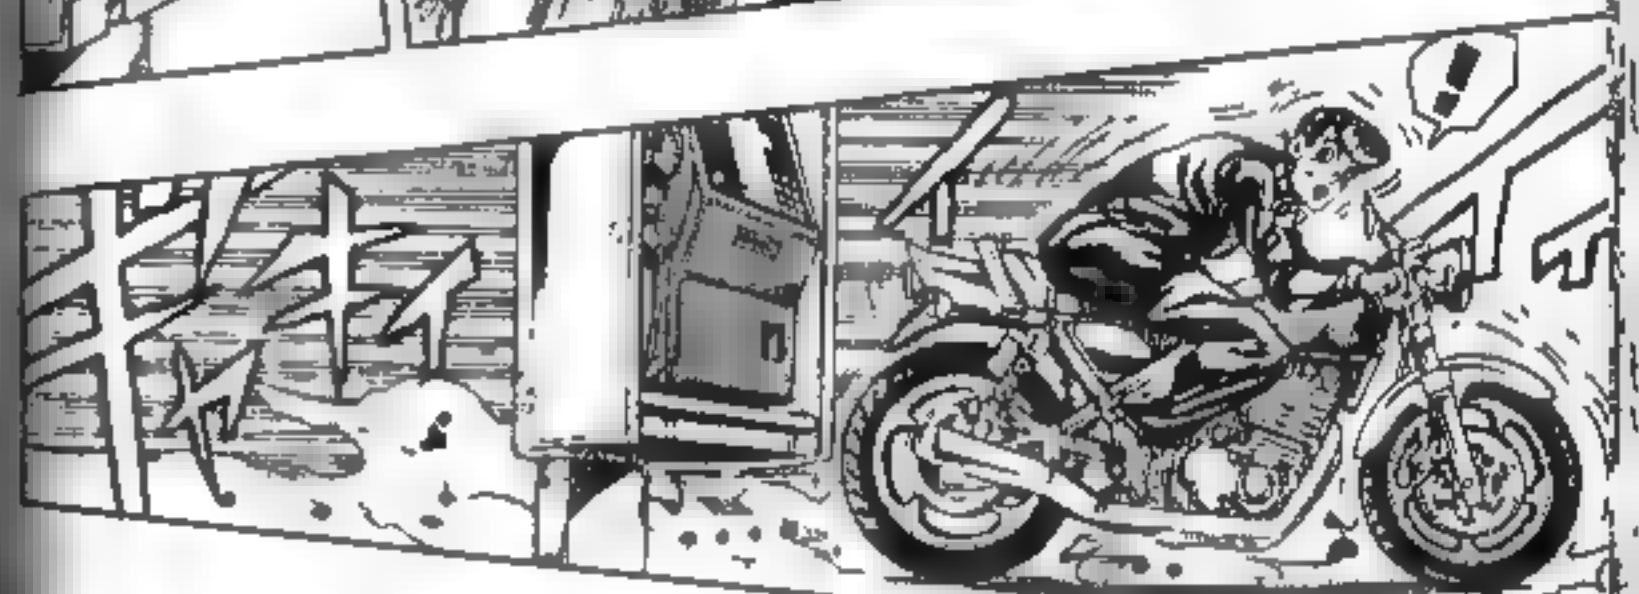

But how? no idea where he might be....

should be somewhere in Monoh

2. why does he only absorb the nutrition of his prey, he could have just killed them... he must have a special purpose. Let me find out all I can about the tunnel for now.

Why does it have to be inside the tunnel, he must have his reasons.

he is chasing  
me from my  
scent, so he  
doesn't have  
to make turns  
while I am  
far away.

CAN'T STOP  
TO MAKE THE  
PHONE CALL  
NOW!

I forgot  
he's a stand  
of scent!

60

70  
60  
50

IT'S  
COMING  
GOTTA  
RUN!

60km...

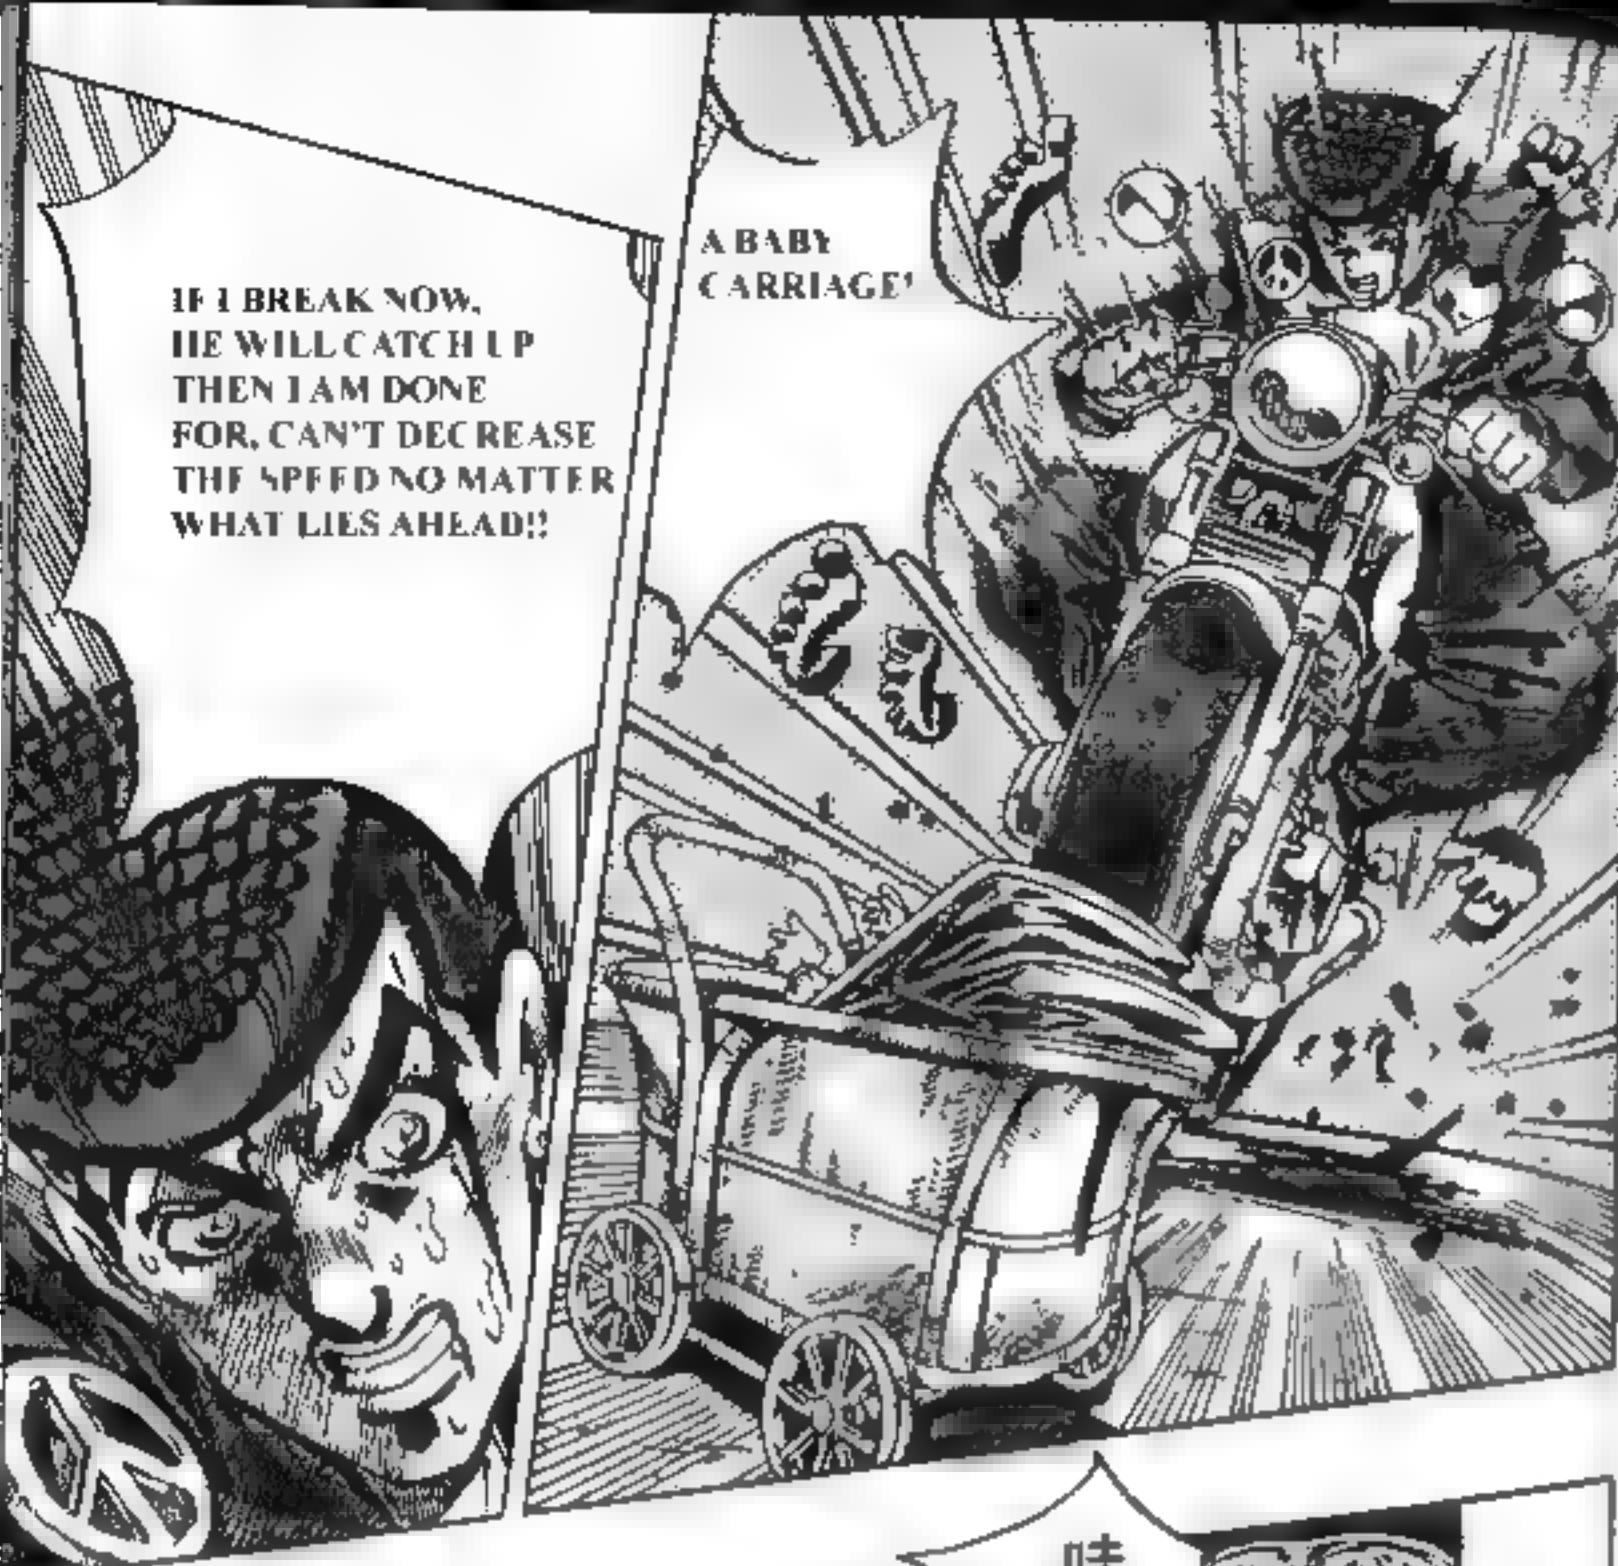

NOT WHAT  
I HAD  
CALCULATED...  
ISN'T 60KM/H HIS  
TOP SPEED?!

WHAT THE FUCK...  
HOW DID THAT  
HAPPEN?

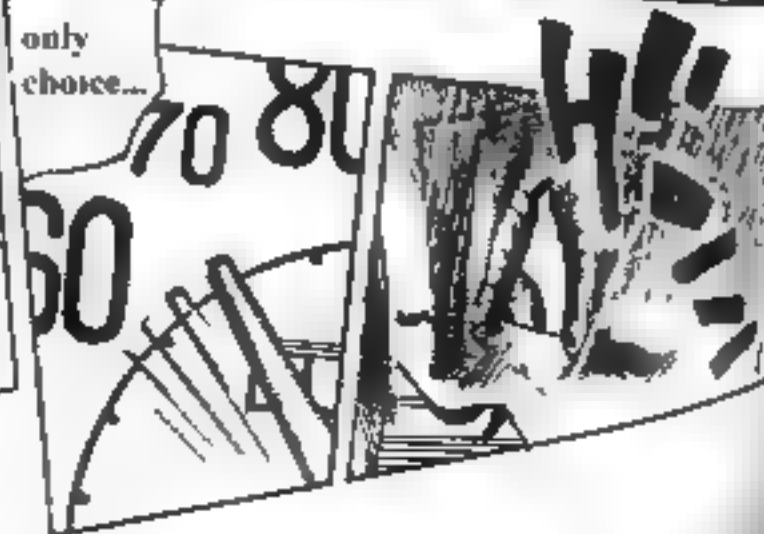

IF I BREAK NOW,  
HE WILL CATCH UP  
THEN I AM DONE  
FOR. CAN'T DECREASE  
THE SPEED NO MATTER  
WHAT LIES AHEAD!!

A BABY  
CARRIAGE!

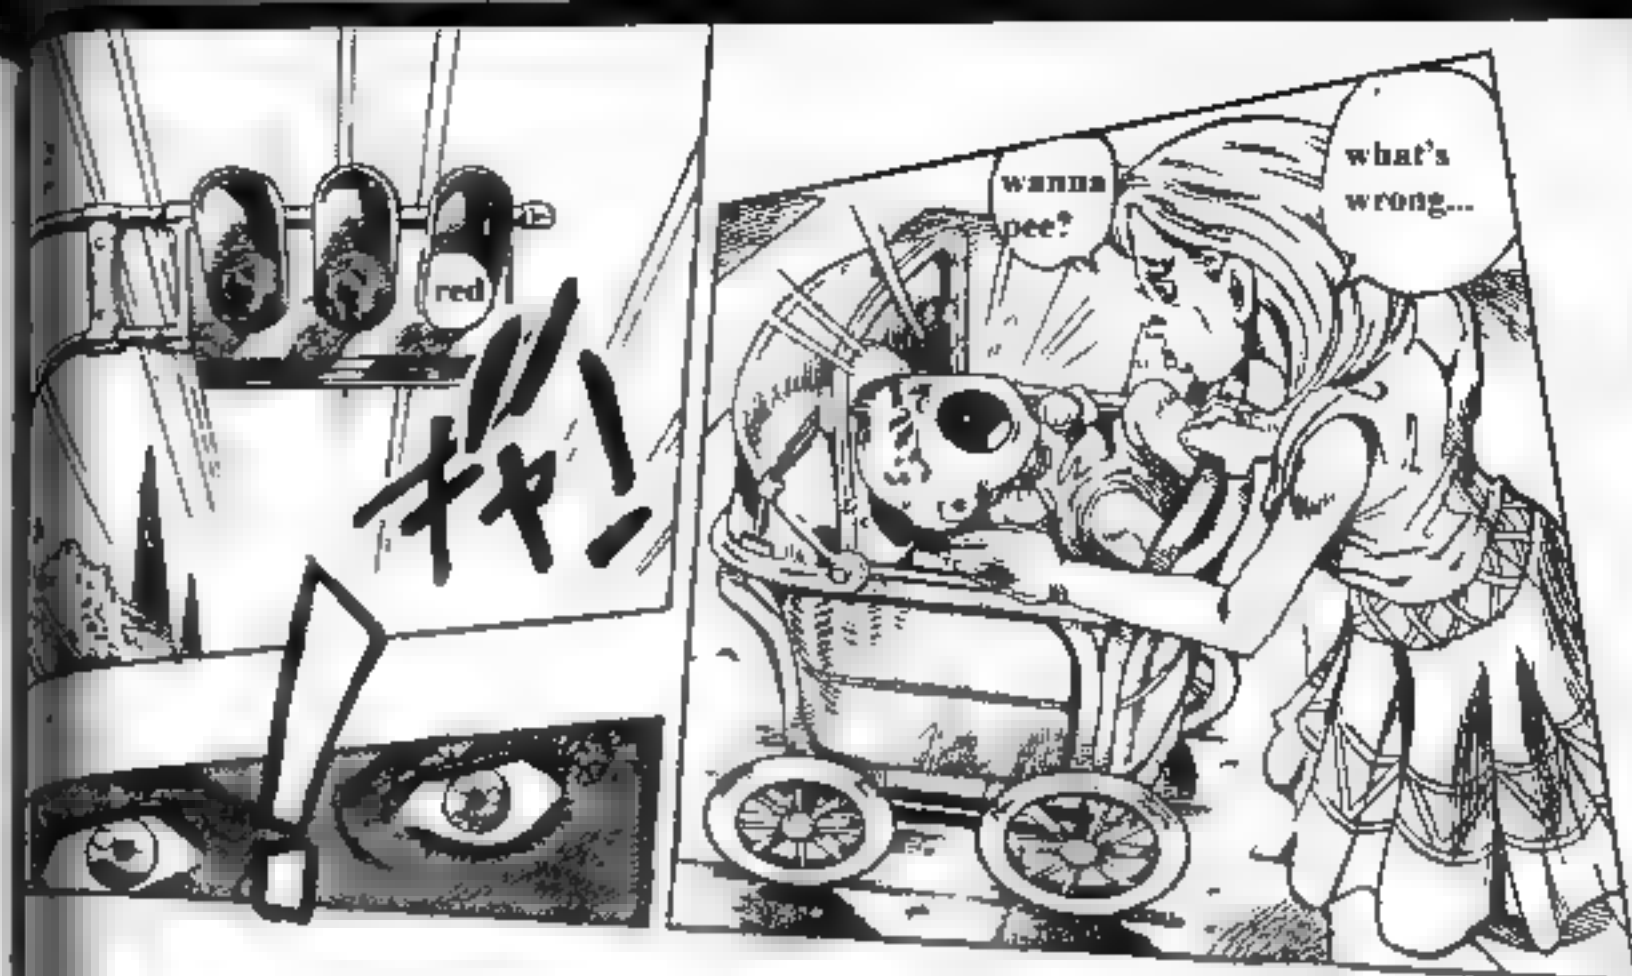

If I break,  
me and Rohan  
will be both  
dead!

Sorry, I have  
to keep going!

only  
choice...

what's  
wrong...

what's  
wrong...

!! SHIT!!  
BABY!

哪拉拉拉拉拉拉  
啦啦啦啦啦啦  
啦

(CRAZY  
DIAMOND!)

FOR ME AND  
ROHAN! I CAN'T  
STOP!

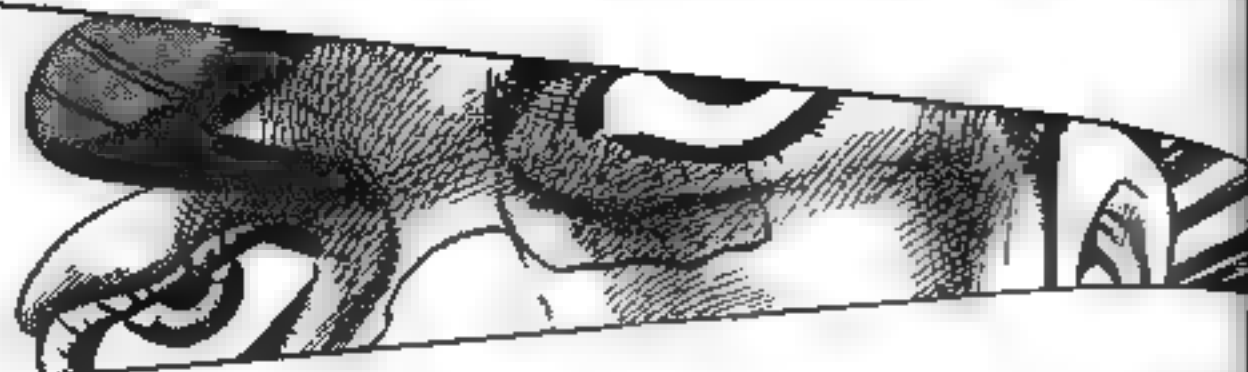

SO  
CLOSE...

finally realized  
how tough this  
stand is... can't  
stop. can't go  
slower than 60km/h

but this way I don't  
have time to call Koichi  
or Jotaro to help! plus  
I am at another part of  
town and going completely  
opposite direction

Repair!

之其⑤

IF WE CAN'T  
FIND THE REAL  
BODY OF THE  
STAND, ME  
AND ROHAN ARE  
HISTORY!  
HEY CAN YOU  
FIND ANYTHING  
OVER THERE?

I CAN'T DO BIG  
TURNS, IF MY SPEED  
FALLS UNDER 60KM/H  
I AM DEAD! I AM GOING  
TOWARD MORIOH  
DOCKS, I AM NOT  
FAMILIAR WITH THE  
ROADS AROUND HERE  
AT ALL!

can you come  
to my house?

I got the  
map right  
now, where  
are you?

I understand  
Josuke.

That stand only  
appears in the  
tunnel, his user  
might have some  
kind of tie with  
the tunnel

maybe  
in the past  
week or  
month?

have you  
found anything  
about the  
tunnel?

you said  
you were  
attacked at  
the  
tunnel?

I am still  
looking...

there was a  
motorcycle racer,  
drunk and race,  
crashed inside the  
tunnel

this accident  
was on TV  
also I  
recall.

this teenager  
A, was  
severely  
wounded, sent  
to grapehill  
hospital.

on the  
newspaper

just  
2 days  
ago.

yes, there  
was a piece  
of news...

what did  
they say?

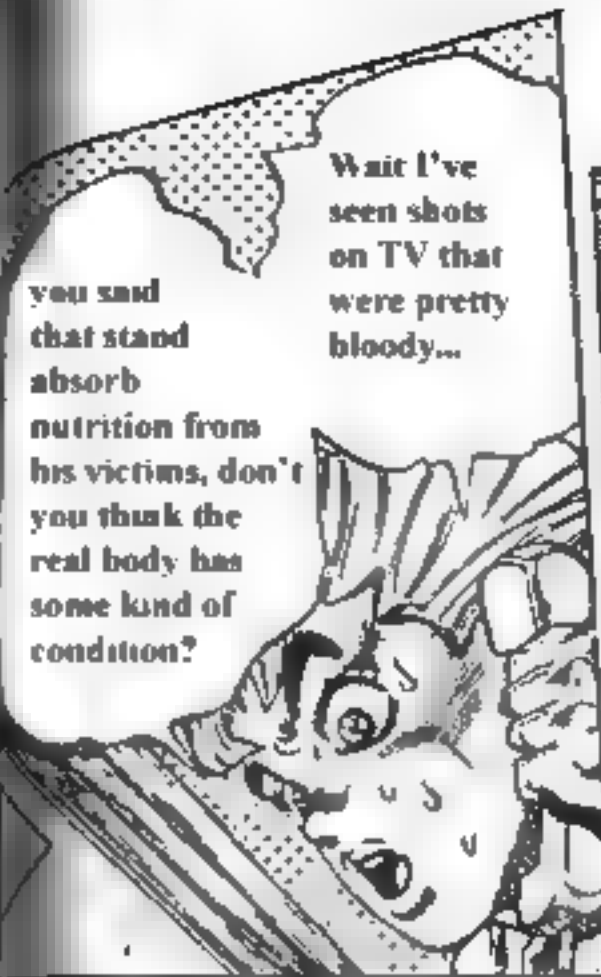

grapehill hospital

that teenager was hurt really bad, maybe still in a coma

it's not impossible

you said that stand absorb nutrition from his victims, don't you think the real body has some kind of condition?

Wait I've seen shots on TV that were pretty bloody...

that teenage A was wounded in the tunnel because he's drunk right? I was attacked.

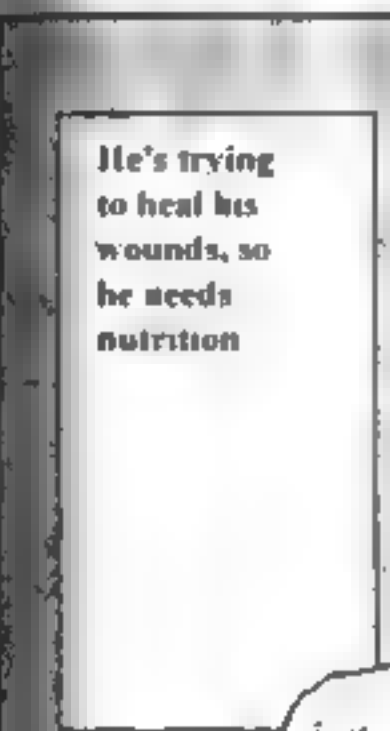

motor-cycle accident

this has nothing to do with the real body...

other news?

He's trying to heal his wounds, so he needs nutrition

Don't you think the severely wounded teenager A is the stand user?

is it possible?

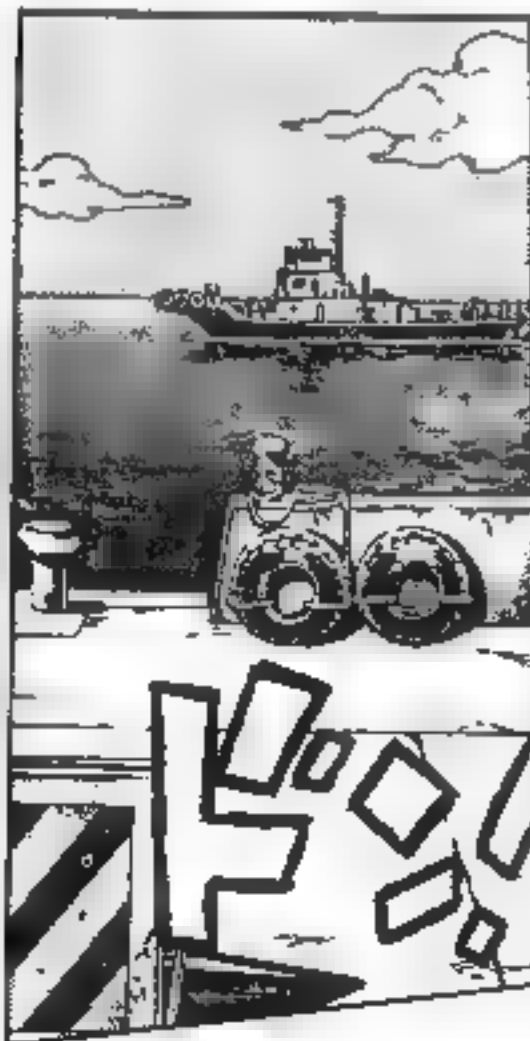

set trap, get the scent then hunt his victim down

Absorb nutrition...

WHAT? OCEAN!!

No! can't think about hitting the wall!

Koschi! hold the phone, don't hang up!

What's going on Josuke!

there are roads in front! if I want to live I have to take a different path even it's just a gap!

have to turn!

If I go straight, I will fall into the ocean.

I won't  
fall into the  
ocean now!  
heh you  
stupid feet  
stand!

I've done it!  
did you  
see it? this is  
me! Josuke  
Higashikata!!

通行止

ocean in front,  
off limit!

唔

鳴哇哇哇  
哇哇哇哇  
哇哇哇哇  
哇哇哇哇

even in the ocean, he might still be able to move at 60km/h because he's a stand, but if I lose the bike, I can't go to the hospital without being caught, even if I do make it outta the water.

LOSE THE BIKE  
I LOSE!

Today is not my lucky day! What do I do, just fly into the ocean?

CRAZY  
DIAMOND!

THIS SIDE IS ALSO  
OCEAN! I FORGOT  
THIS IS MORIOH  
DOCKS!

WHAT?!

都拉拉拉拉！

啊 哇  
啊 啊  
啊 啊  
： 啊

[illegible]

the teenager  
koichi mentioned  
is just the type  
of person that  
will do this. it's  
a good lead.

Another word,  
his attacks  
are not planned  
or willed by his  
user, he has only  
1 goal in mind,  
to suck nutrition  
out of me, his  
actions are all  
driven by this goal.

at close range, he only  
knows my general direction  
but not sure of the exact  
location, like the mosquito  
just know to suck blood but  
it can't go through glass  
window

good, thanks  
to the wall,  
he can't  
do  
teleportation

this is the  
automatic  
type

REPAIR  
THE WALL

where is that  
damned  
Josuke?  
where did he  
go?

I was even cussing at  
the arrow, wondering  
what was this damn  
arrow thinking? but  
it ended up creating  
Highway Star for me..  
this is great.

Maybe he's  
sucked empty  
just like Rohan...

When this arrow  
chose an almost  
dead teenager  
motorcycle racer...

it's the hunger  
that made  
him so strong!  
I so much  
wanted to see...

This stand is too  
strong, no weakness,  
only driven by  
its hunger for  
nutrition, trying to  
heal himself

how  
Josuke  
dies.

KOICHI!  
GO TO THE  
HOSPITAL, FIND  
OUT HIS NAME  
AND ROOM  
NUMBER!!

Josuke!

what am I  
going to do  
now?

might break  
it anytime.

how should I  
get out of here...  
he must be trying  
to break the wall.

He might get pass  
the wall at any second  
now, if he does, I am  
dead.

Even if I  
hide underwater  
He might still  
be able to  
find me.

What  
should I  
do...?

garbage...

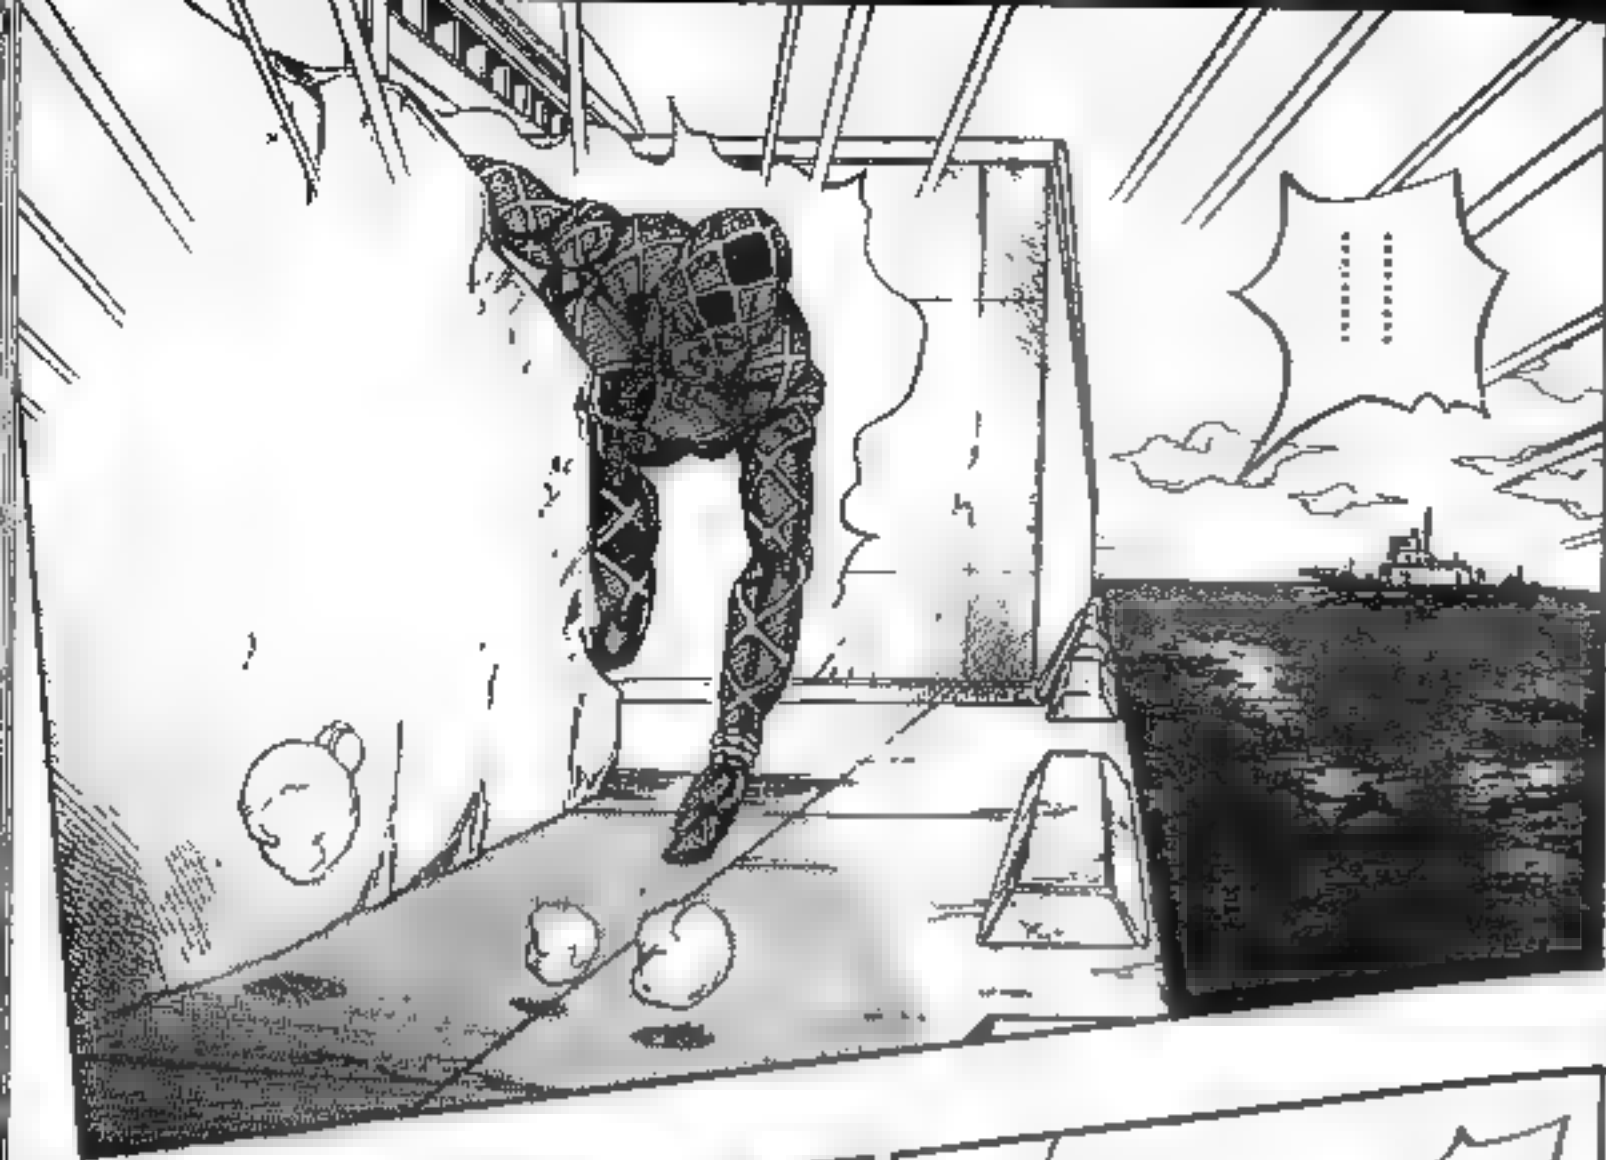

this....?

from  
something

like... it's  
being  
poured..

This drainage pipe carry the waste water of the town. I am luck to have gotten in, but...

How do I get outta here? I've never been here before

what If I am forced into the ocean or a dead end, I can't tell the direction I am going in this pipe tunnel!

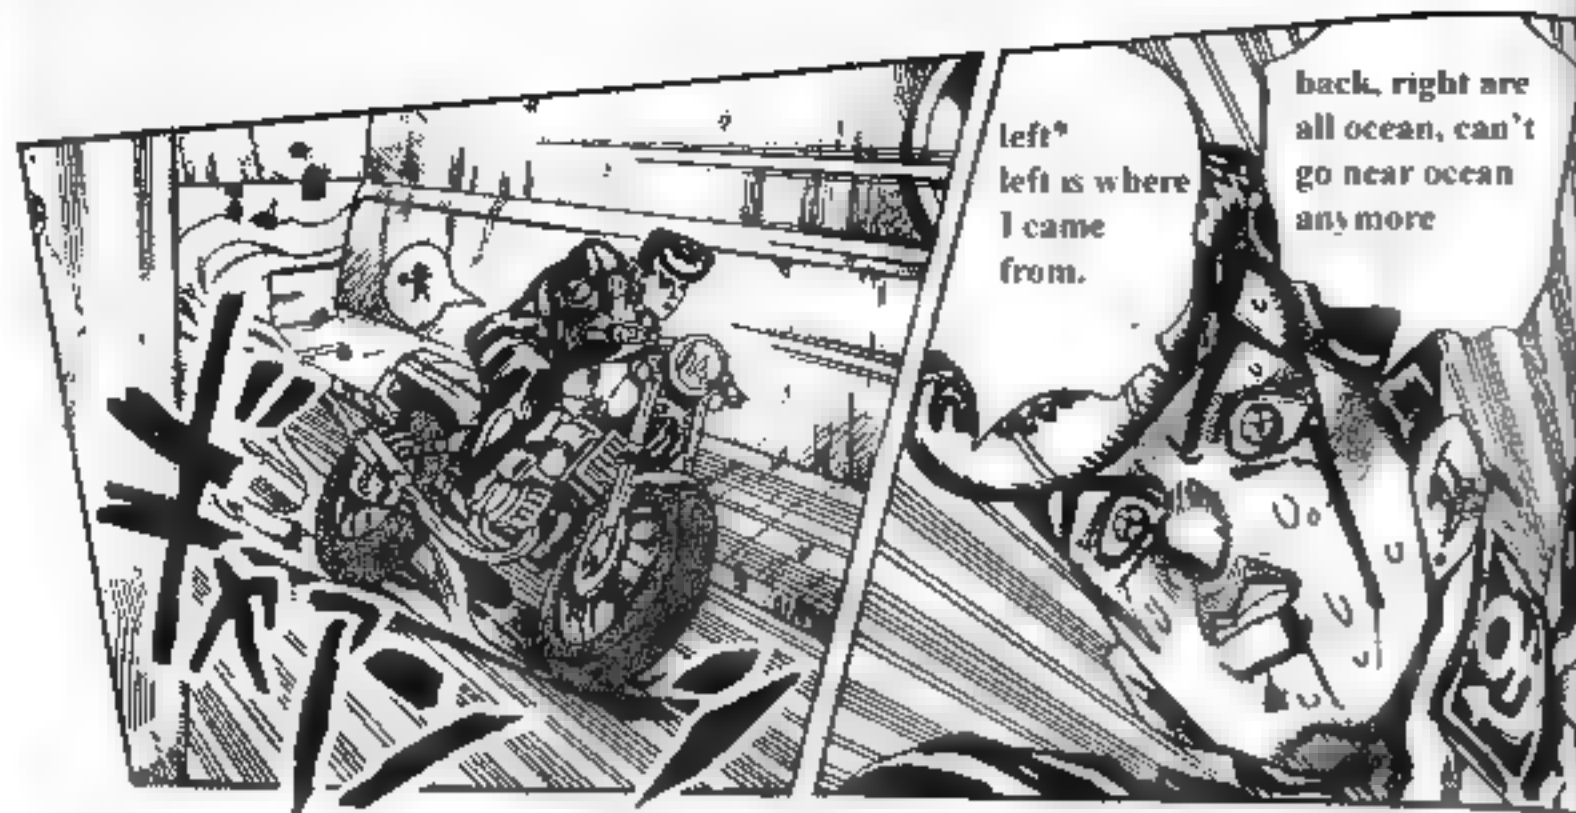

都...

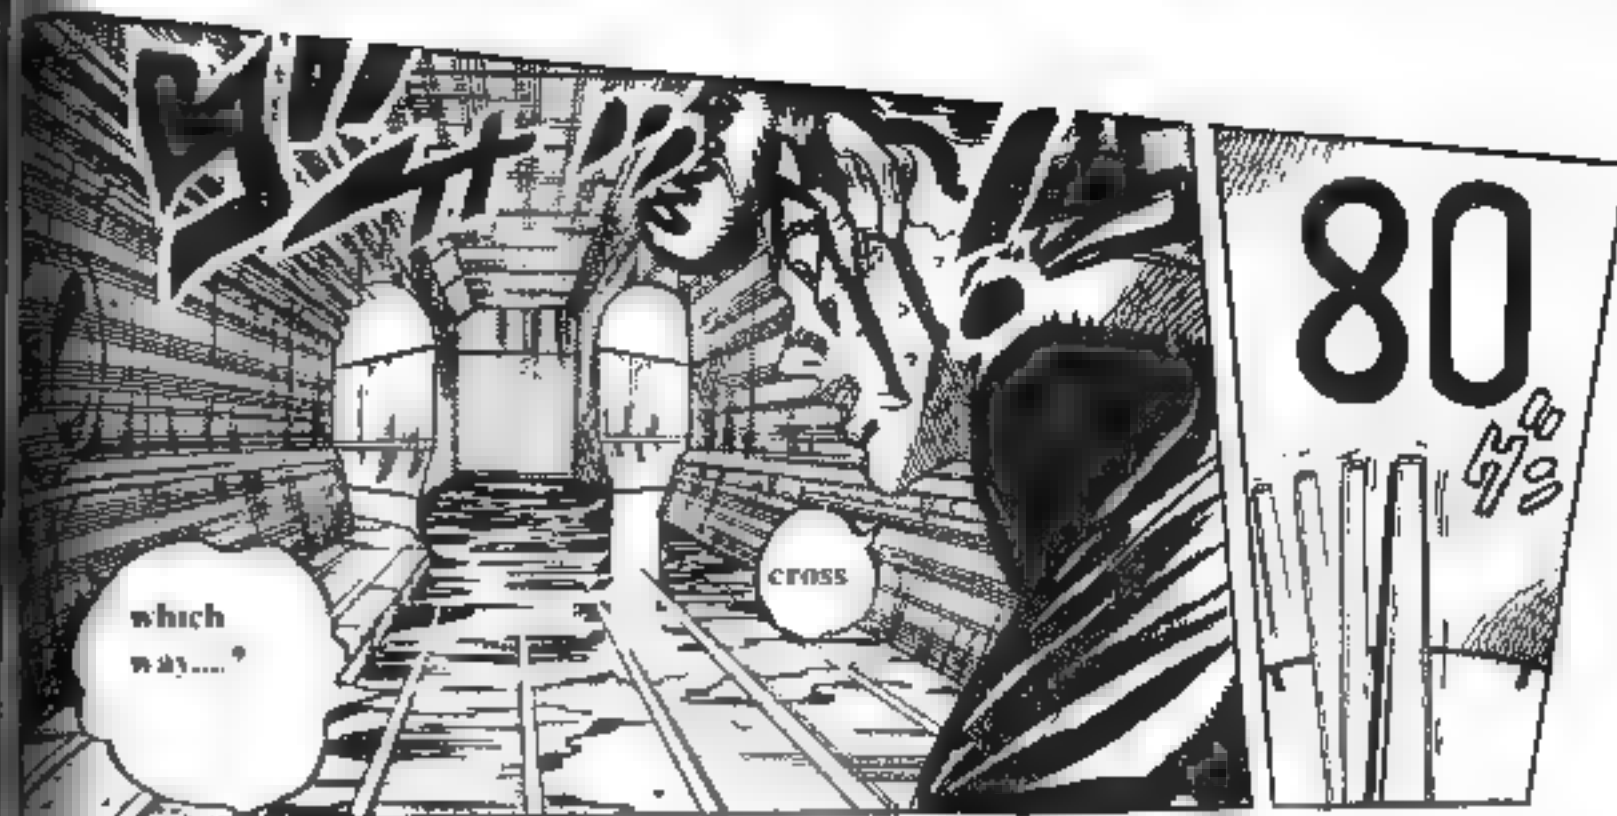

CITY DRAINAGE PIPE!

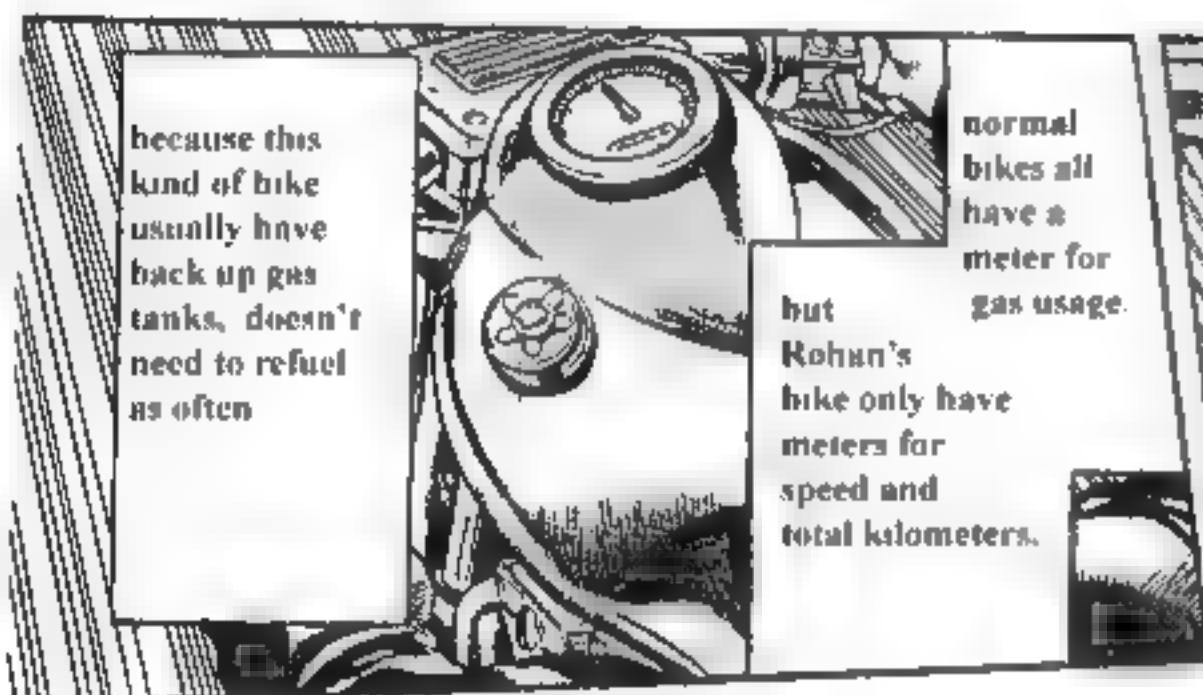

left\*  
left is where  
I came  
from.

back, right are  
all ocean, can't  
go near ocean  
any more

which  
way...?

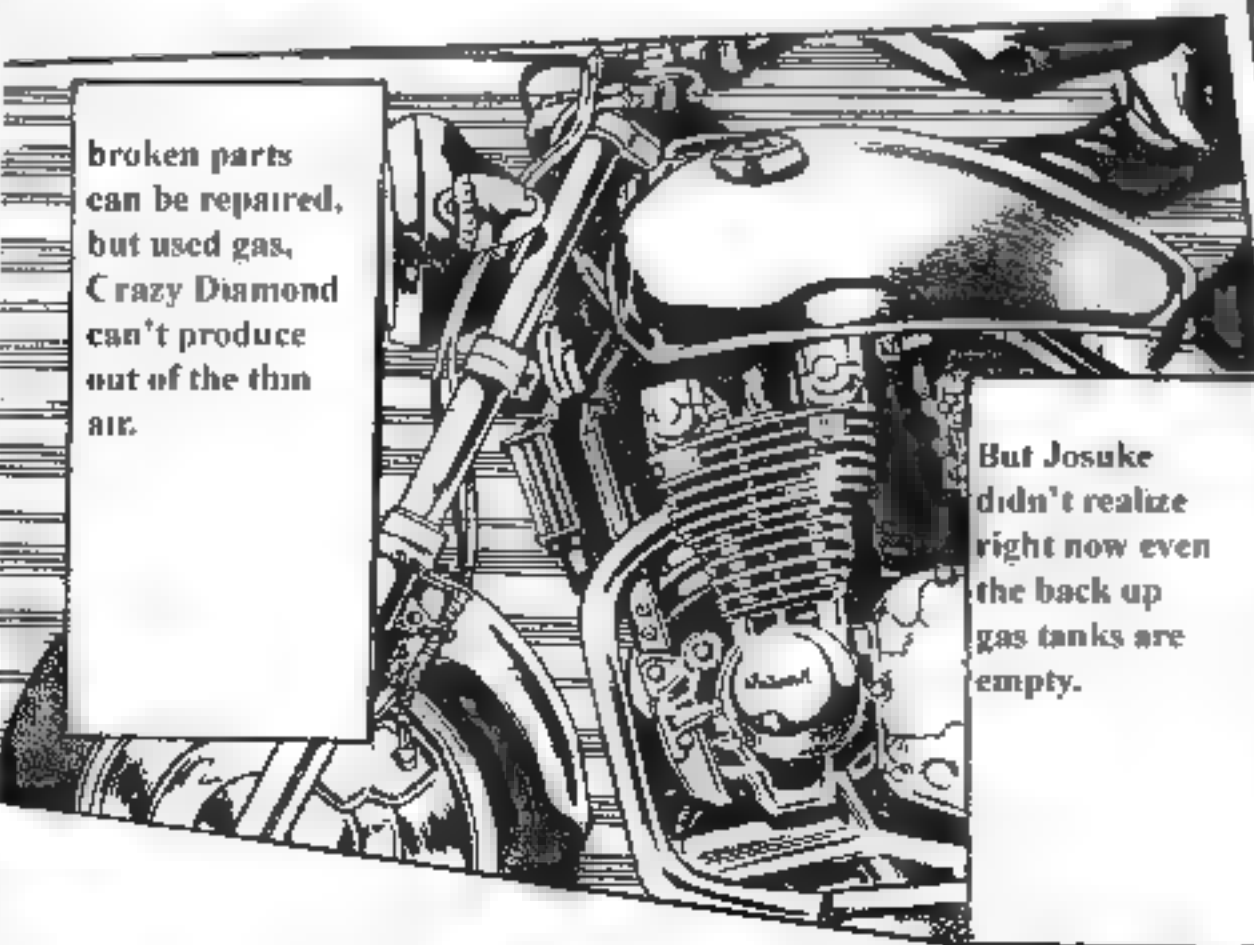

CROSS

because this  
kind of bike  
usually have  
back up gas  
tanks, doesn't  
need to refuel  
as often

but  
Rohan's  
bike only have  
meters for  
speed and  
total kilometers.

normal  
bikes all  
have a  
meter for  
gas usage.

broken parts  
can be repaired,  
but used gas,  
Crazy Diamond  
can't produce  
out of the thin  
air.

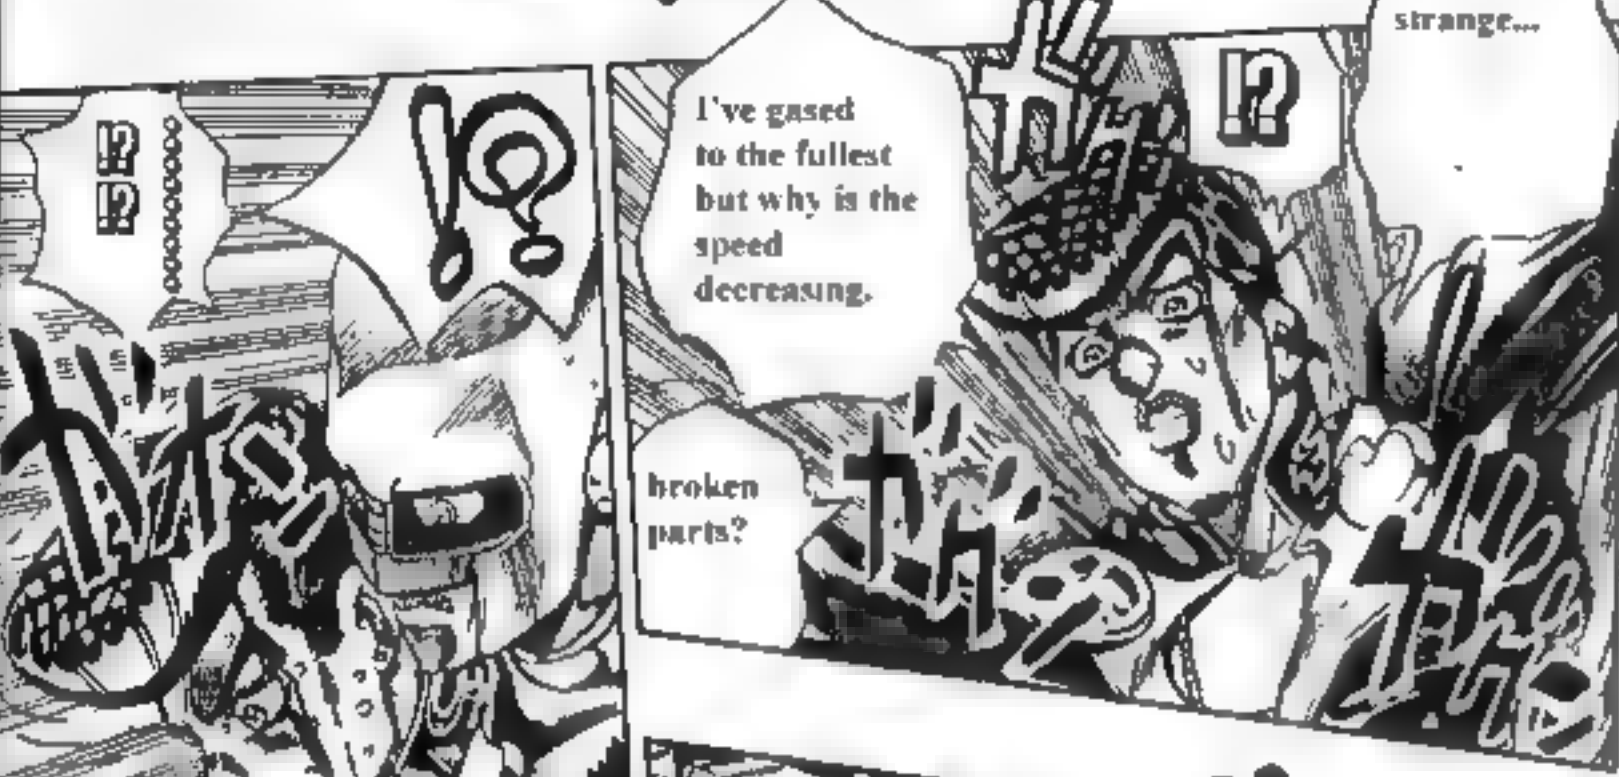

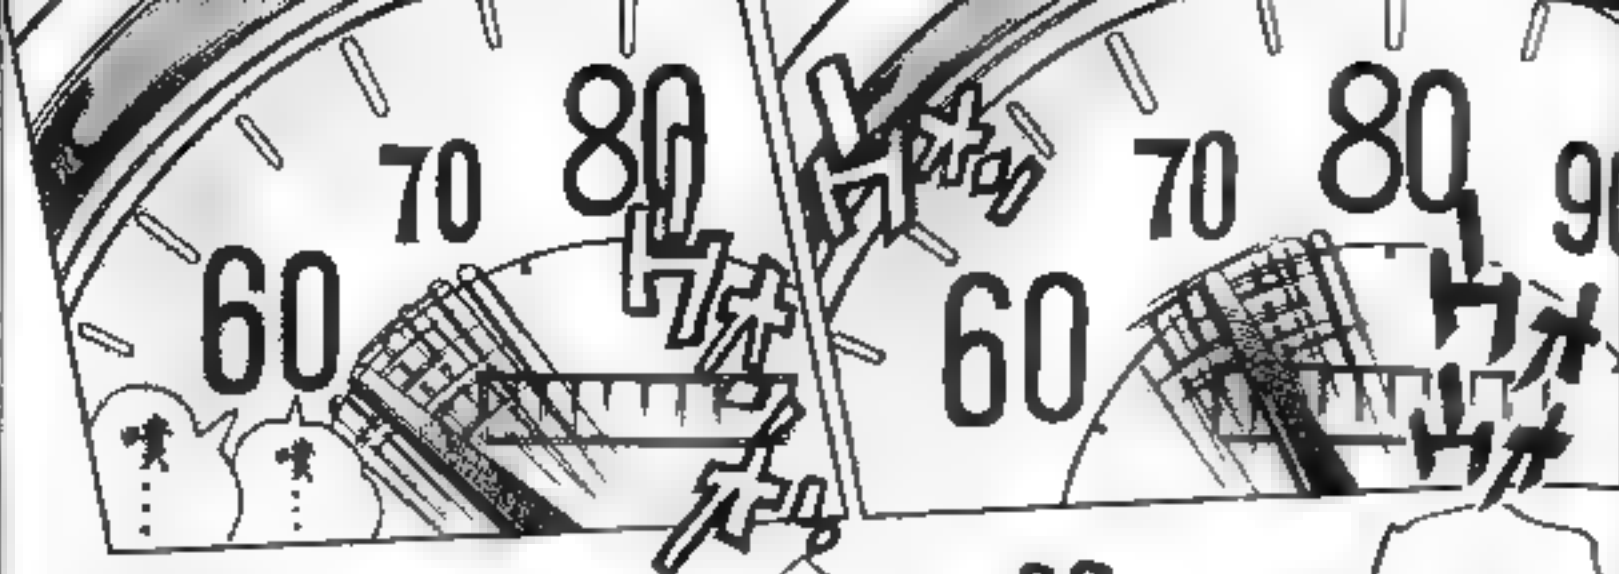

But Josuke  
didn't realize  
right now even  
the back up  
gas tanks are  
empty.

Josuke didn't  
realize something  
he needs but  
Highway Star  
doesn't need...

Josuke should have  
kept going at 60km/h to  
grapehill hospital to  
find the real body  
of the enemy, but now  
Josuke is trapped in  
the waste waterway,  
don't know east from  
west, just trying to get  
out of there.

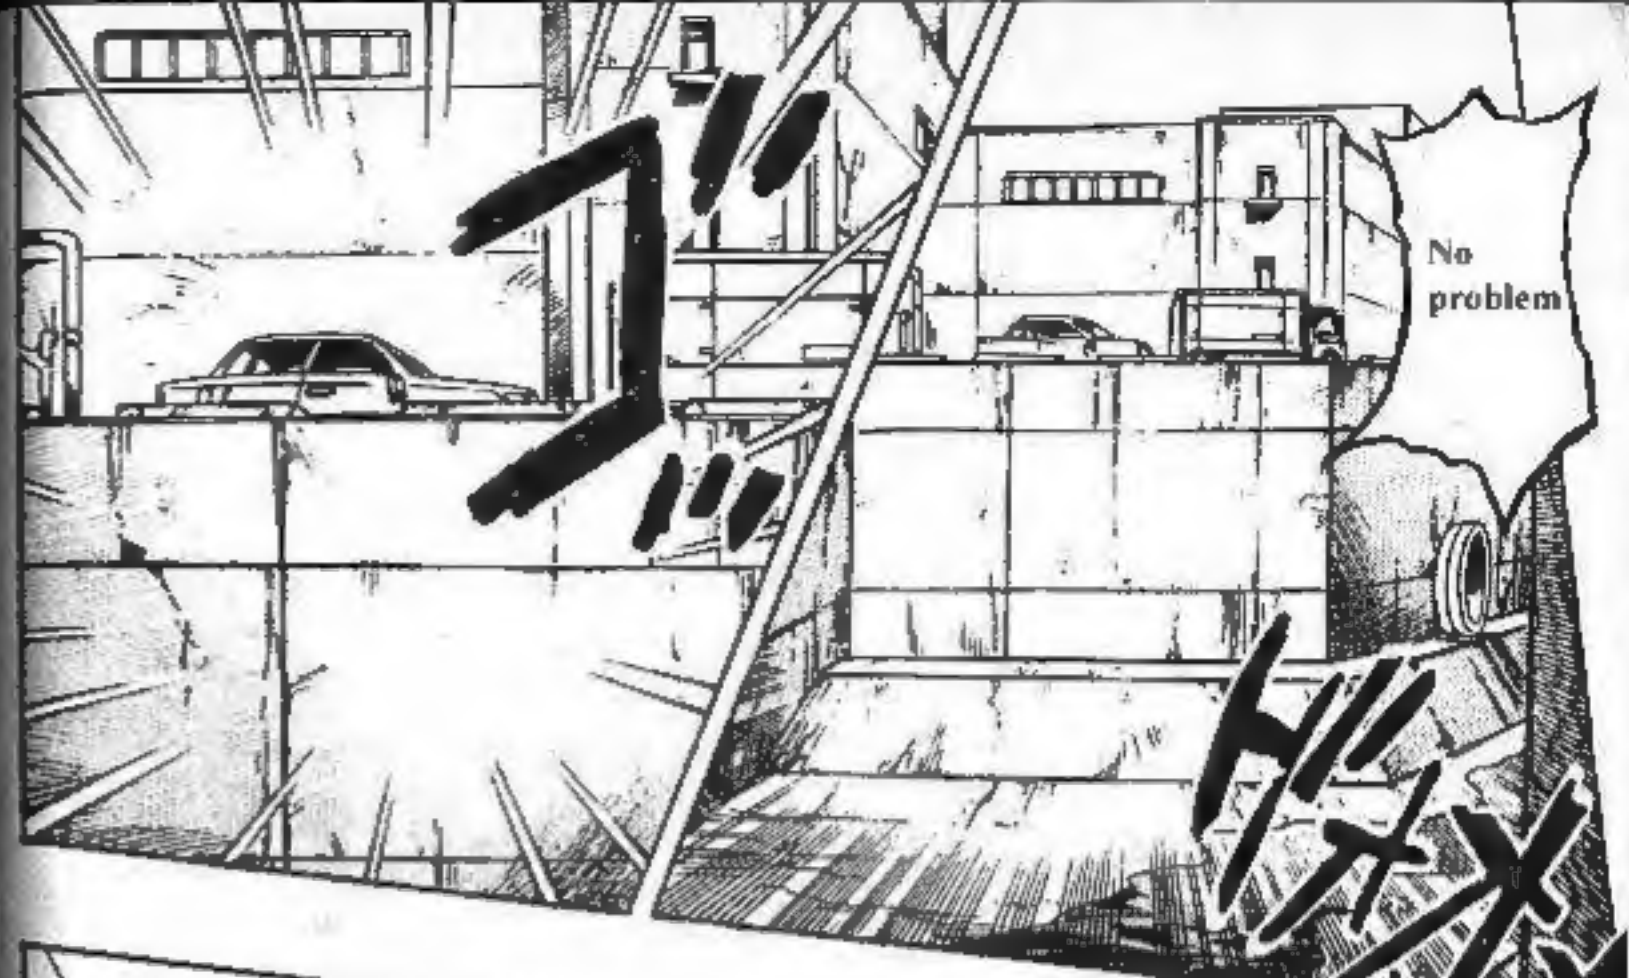

absolutely  
no problem

No  
problem

For keeping  
myself alive, this  
problem... is not  
a problem
